WHAT THE DIAMOND CHART REVEALS

The Diamond Spirit Guide is one of the oldest number-based methods of divination and perhaps the most powerful tool numerology has to offer. It reveals the chain of cause and effect that connects your physical and non-physical planes. It tells us how your experiences, choices, and priorities in the physical world affect your internal/spiritual growth, and how, in return, this affects the quality of your life on the physical plane.

An incomplete, rudimentary version of the Diamond was brought back from obscurity by the late Kevin Quinn Avery and later completed and re-birthed by Hans Decoz.

Each Diamond pattern consists of four numbers. The first is called the Challenge. Your Challenge is a lesson or test that, once learned, will benefit you for the rest of your life.

The second number is the Root or Cause and explains the underlying reason that lesson has emerged. The third number, the Recommended Action (also called Action Key), gives advice on the best approach for a successful outcome. The final number - aptly named the Outcome - reveals what the likely result of your efforts will be, and how it might affect your future.

Except for ages 0 through 7 and 75 through 81 we experience two Diamonds per year from birthday to birthday. These two Diamonds overlap and are equally important; they fit together as if working on one helps us understand the other.

Although most Diamonds are in place only for one year, it's not uncommon for one or both Diamonds to repeat the following year. Often one number - usually the Challenge number - lasts for more than one year, while the other three numbers change. Finally, a number that is the Cause one year becomes the Action Key for the next. The Diamond's structure is complex but also logical and beautiful.

A word of advice: getting the most out of your Diamond requires some measure of self-reflection, not unlike the I Ching. I recommend that you read it more than once, then let it simmer. You may be surprised at the amount of insight you gain.

Your report covers two years/ages from birthday to birthday. To avoid distraction, you may want to postpone reading the Diamonds for the second year until a couple of months before your next birthday, or if you do read them, go back to the two for your current age and focus on those.

THE FIRST DIAMOND

The first number in your Diamond is of a decidedly spiritual/inner nature. It's offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature. It reveals the true purpose of your struggle on the physical plane from a broad vantage point.

Your First Diamond Challenge for age 33 is 4

This Diamond involves building strength of character and trust in yourself. To facilitate this lesson, you may find yourself tempted by troubling choices - pyramid schemes, gambling opportunities, get-rich-quick schemes - or face situations where you have to choose between the easy or the hard way. You will be summoned to find your guiding voice, and to strengthen your sense of fairness, justice, and honesty.

Personal circumstances that can make those choices even more difficult, often accompany this Challenge. For example, you may have family or co-workers who are dependent on you, or other pressures that weigh on you.

YOUR FIRST DIAMOND CAUSE

The second number in your Diamond reflects the underlying cause of the challenge you face this year. It is the catalyst that sets things in motion, the root of the issues confronting you during this period.

The Cause for your First Diamond is 7

Your search for deeper understanding has moved to the foreground over the last few years. Some of this may have been only marginally conscious. You may not, for example, have been going to a place of worship more often, or been reading metaphysical or intellectual books on Life's Big Questions. On the contrary, if you are a religious person, it is possible you have been performing outward expressions of your faith less often yet have been pondering the issue of religion or spirituality more intensely.

How much of this transformation has taken place consciously may vary, but a 7 in this position points to an increasing desire to understand things on a deeper level.

THE RECOMMENDED ACTION FOR YOUR FIRST DIAMOND

The third number in the Diamond pattern suggests a possible course of action to resolve successfully the issues facing you during this period.

The Recommended Action for this Diamond is 11/2

At this time in your life, Emily, your most valuable asset might be your sixth sense. This Diamond brings a heightened state of awareness. You may feel more sensitive, possibly having vivid dreams or noticing things around you that normally go unnoticed. We tend to be more aware of our intuition when we relax our mind - one reason our dreams seem so graphic and revealing.

During this period, rely on your gut feelings and be sensitive to the subtle signals around you. Relax, be in the present, and listen carefully to others (sometimes you learn more from their tone of voice than from the content of their communication). It is also important to be aware of what goes on inside of you, so sharpen your intuition there too. Take time for daily contemplation of your circumstances, how you feel, what you want, and what you sense from people around you.

With your mind wide open and your antenna fully extended you may feel more vulnerable emotionally, so criticism may trouble you more than usual. This is an indication that your intuition is

magnified, as emotional sensitivity and heightened intuition are two sides of the same coin. Your approach should be to take full advantage of your intuition, while giving less attention to the emotions being stirred.

Instinct, faith, sensitivity, and emotional stability are key ingredients to getting the most out of this Diamond.

Sometimes we set goals for ourselves hoping they will bring comfort and security, but our objectives are often limited by expectations or restrictions we have set for ourselves. This can obscure or curtail potential outcomes. There are times we aren't even aware that the destiny we desire isn't truly what we want, and once we reach our goal, we realize it doesn't measure up to our expectation.

Allow your mind to wander and stay open to alternatives. Additionally, focusing more on higher

ideals and less on yourself can expand your world and your possibilities.

(The most commonly found challenges are 0, 1, and 2 - and almost always occur more than once in a lifetime. The lesson inherent in the 0 strengthens humanity as a whole; the 1 strengthens the individual; the 2 focuses on relationships).

This is a favorable time to learn more about your inner identity - the part you call "me" or "I". It helps you maintain your identity without feeling distant or apart from those around you. You have an opportunity to become more secure in your self-worth, and the acceptance of your true self, which in turn can lay the foundation for contentment. (We experience our reality as separate from other people which, in part, is what makes us individuals.
