YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

Your First Period Cycle is 11 and lasts until age 30

The first part of your life is a period of slow and patient development. You are acutely sensitive to your surroundings and highly intuitive. You possess a gift for peacemaking, and early on discover the power of gentle persuasion. This is a time to cultivate your talents for tact, diplomacy, and cooperation with others.

Musical and other artistic talents are developed. Partnerships become important, requiring understanding and compromise. Patience and flexibility are essential for success. Your gentle, cooperative attitude attracts others who are happy to support you. Seeking beauty, harmonious environments, nature, and close companionship brings contentment. This is a period of slow but steady progress.

YOUR SECOND PERIOD CYCLE

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

Emily, your Second Period Cycle is 1 and lasts until age 57

The middle years of your life (approximately ages 30 to 60) find you on an intense path of personal growth. You are required to adapt frequently to the many ups and downs in your life.

When 1 rules the second Period Cycle it focuses on self-empowerment. To facilitate this, situations occur that force you to dig deep to find the courage required to face your challenges. You have love and support, but circumstances will often demand that you rely heavily on your own strengths.

Fortunately, throughout this approximately thirty-year period, you often have confirmation that your

gut feelings are correct and feel you are moving in the right direction. You will likely find yourself in a leadership position, strengthening your self-confidence even more.

YOUR THIRD PERIOD CYCLE

The Third Cycle represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.

Emily, your Third Period Cycle is 3 and lasts for the rest of your life

The latter part of your life finds you "growing older" more slowly than your peers. The excitable, scattered, creative energy of the 3 can resemble an elixir from the fountain of youth. However, there is a tendency to waste time and energy on unproductive projects.

You have many original ideas, but you may have difficulty differentiating between lead balloons and those that can fly. Your 3 energy is uplifting and motivating, which draws people to you. However, staying focused may be a challenge, which could affect your ability to reach your goal.

Your need to express yourself through art, especially the verbal or performing arts increases with age.

YOUR FIRST PINNACLE CYCLE

Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's. This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.

Emily, your First Pinnacle Cycle is 3 and runs from birth until approximately age 30

This is a highly creative period. Your self-expression is greatly enhanced. Your creative and artistic talents will peak. You should do everything possible to refine these abilities and make the most of them. Many under the 3 Pinnacle are drawn to writing, the theater, singing, and dance. Your chances of success are also heightened. Hard work in any artistic field that one has a talent for can result in much reward. This is also a highly social and emotional time. You attract friends and admirers with your charm and gregarious nature. You have the ability to inspire and motivate people. Your upbeat energy causes people to want to work with and for you.

This is a lucky period, as well. You can overcome problems with considerably less effort than in the past. All of this can lead to self-indulgence and lack of productivity. Life is a little easier, which can make you less vigilant. You need focus and discipline. Under the influence of this Pinnacle, hard work is the key and the challenge to making the most of your opportunities.

Be careful of impulsive behavior or doing things on a lark. You must know your limits during this period. Be careful of your money; balance your accounts. Guard against disorderly thinking and behavior. Otherwise, you may do things you regret or simply squander away so many opportunities.

Children born under this Pinnacle must be disciplined and kept from being spoiled. An early education in the arts will inspire the child to make the most of his or her artistic talents.

YOUR SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

Emily, your Second Pinnacle Cycle is 4 and lasts until age 39 and runs from age 30 until age 39

This is a Pinnacle of hard work and many rewards. You have the opportunity to build a foundation that will last. Your ability as an organizer, manager, or simply the rock of any institution is greatly increased. You are dependable and reliable. Your ability to fulfill responsibilities is likewise enhanced. As a result of your industry and perseverance, success is well within your reach. It is a step-by-step process in which you build something by small bricks laid one after another.

You will find yourself caring for others in a very material way. Family and in-laws can be burdensome, since you are seen as the cornerstone of the foundation.

Your life is preoccupied with details and responsibilities that must be taken care of. You have set in motion projects that are your children, demanding your constant attention. While there are many rewards, there are also many frustrations. Your sense of your own limits and the consuming nature of details may at times seem overwhelming. You must remember that things that last require slow growth. You may mistakenly believe that your progress should be faster or happen with greater ease. The need for efficiency, orderliness, and methodical systems limit your creativity. Your challenge is to be flexible and adaptable. Learn to play more and allow yourself to be more spontaneous.

Children born under this Pinnacle will tend to be serious and affected by the financial limitations of their parents. The child may feel the need to leave home early and start a family of his own. He or she must be encouraged to be more farsighted and flexible. The child should avoid jumping into the harsh realities of life too soon.

YOUR THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

Emily, your Third Pinnacle Cycle is 7 and lasts until age 48 and runs from age 39 until age 48

This is a period of inner development and soul searching. Emily, you will deal with the deeply important questions of personal existence and the meaning of life. You will need time to be alone to contemplate your inner world. This is a time of spiritual growth. You will experience a heightened sense of faith. The power of the universe will be the force that carries you along. During this 7 Pinnacle, spiritual growth, increased knowledge, and wisdom are the big rewards. The 7 Pinnacle provides the basis for contentment in older age, because you now begin to understand life more deeply.

You have an enhanced appreciation of poetry and nature. Walks in nature provide great therapeutic value and spiritual nourishment.

This is a time of specialization. You will pursue some course of development with fervor and focus. Your ability to concentrate will be greatly increased. Your desire to study in all forms -- reading, self-reflection, and contemplation -- will reach an all-time high. Your intuition is much more sensitive, making your path a little easier and more direct, since you know intuitively the appropriate next step.

Under this Pinnacle, you will become an expert in one particular field. Your capacity to penetrate the depths of a subject area is enormous. You will look below the surface in virtually everything you encounter. It is very possible that you will find yourself in a teaching role.

You must consciously work on your closer relationships, especially with your spouse and children. You must explain that your desire to turn inward is not an escape or an avoidance of those you love, but a deep need for knowledge. Your challenge is to avoid becoming critical or cynical of others. You can become so withdrawn from society that you look down on others. You may forget that you, too, are part of the imperfect human race. Sarcasm is the lowest form of communication, and a trap you could fall victim to.

Your desire to attain some high degree of perfection is sincere. But that pursuit can make you miserable if you lose perspective and fail to realize the relativity of human existence. Perfection is a Utopian goal, but an unrealistic ambition. It can cause you to be dissatisfied with yourself and others.

The 7 provides the possibility of true refinement, insight, and a high degree of wisdom. This deep understanding is the basis for self-love and true happiness.

YOUR FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

Emily, your Fourth Pinnacle Cycle is 5 and runs from age 48 until age death.

This is a period that will teach the realities of freedom and expansion. You will travel great distances, meet many new and interesting people, experience many adventures, and essentially come to know the world. You are in a period of accelerated experimentation and learning. Experience is your teacher. Your ability with words is greatly increased. You can write and speak with ease. You are also able to successfully promote yourself. In fact, this is the source of much adventure; new opportunities for work, travel, and exotic experiences present themselves with regularity.

Your challenge is to prevent yourself from becoming a rolling stone. You need to ground yourself in a particular discipline, career, or relationship. This will not limit your freedoms so much as give you a base for operation. Otherwise, you may find yourself skipping from one meaningless job to the next, one superficial relationship after another. You can also fall victim to the abuse of food, alcohol, sex, or drugs. You must accept limitations as a necessary base for your freedom. Freedom cannot exist without limitations, otherwise you would be without identity, and without existence.

You may fear being anchored or tied down, which can cause you to skim the surface of a pursuit you enjoy, or important relationships. You must come to know the true meaning of freedom, which is unconditional love. You give your love and energy without the condition of holding on to a place, a person, or an occupation; and you expect the same in return -- to be loved for what you are, rather than someone who belongs to another. There is a highly spiritual path offering itself that requires detachment without loss of love. Many turn away from this and instead choose to maintain a superficial relationship with the world, or with other people.

You must cultivate your talents, especially your verbal and writing abilities. You are likely a gifted salesperson, or promoter.

YOUR PHYSICAL TRANSIT

The individual letters of your name are used to find your Transits.

Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.

Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

Your Physical Transit for age 33 and 34 and 35 is M

This is a time for hard work and a practical approach. You may appear reticent or remote which can create distance between you and those you are close to you; try to express your feelings. Relationships may be demanding and require more sacrifice.

Think carefully before making important decisions. Try not being impulsive and don't let your changing moods influence your direction. Take your time!

YOUR SPIRITUAL TRANSIT

Your Spiritual Transit is based on your last name.

Your Spiritual Transit for age 33 and 34 and 35 is R

You have deeper understanding and insight during this transit. It is a time to deal with money, power, and authority. You have an opportunity to elevate your financial status and personal growth. This is a period where you are likely to meet the best and the worst. You must exercise caution in everything you do and every decision you make. Be aware of your surroundings.

YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Emily, Your Essence for age 33 and 34 and 35 is 4

This a period of much work, attention to detail, and advancement in your career. Your rewards will be directly proportional to your effort. Much will be demanded of you, but you now have the opportunity to lay a sound foundation for your life. You must be orderly and disciplined. Attention to detail in all areas -- especially in personal finances and business -- is a necessity. Your workload will likely increase. Only through the correct management of time and resources will you be able to apportion your energies correctly to meet the increased demands made of you.

You are now being trained in the ways of the world, and only sound practical management will bring you the results you desire. Any flimsy or unsound business practices will likely bring trouble and increased work for you. Only by dealing with reality -- that is, by facing situations exactly as they are, and not how you might like them to be -- will you be able to find the correct path to success.

Avoid feelings of restriction or limitation. Be economical in all your expenditures. Be sure to care for your health. Maintain a healthy diet and follow a sound exercise routine. Pay attention to preventive health methods and get the rest you need. But know when to allow yourself some breathing room. Be moderate in all things, including moderation. Balance is the key to this period.

In-laws and family members can be demanding during this period. People see you as a rock of stability and are naturally attracted to you for support. Be helpful without allowing yourself to be used.

You are being called upon to work hard and establish a firm foundation upon which your life will rest for many years to come.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2026 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the

horizon. But November brings assistance in the form of a promotion or additional financial support.

Your Personal Year cycle for 2027 is 5

This is a year of dynamic change. Many surprises will come your way. Be open and ready to embrace new opportunities. Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you. There will be increased opportunity to travel and possibly a change of residence. You will have some unexpected adventures and lucky breaks this year.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality in 2026 is 4 and 4

When a 4 Essence cycle runs concurrent with a 4 Personal Year, Emily, it can lead to significant opportunity as well as considerable frustration. When you read the chapters on your 4 Essence and 4 Personal Year cycles, they probably sounded very much alike. However, although their traits are similar, they affect different areas of your life in distinct ways. Also, when both influences are the same, it can throw things off-balance by concentrating too heavily on one set of characteristics.

Your 4 Essence will lend a focused, disciplined, efficient state of mind; your 4 Year will deliver situations that require these practical aspects. This can be a good match, but it also has the potential to make you somewhat rigid and predictable (even boring).

The 4 is a demanding number concerned with making effort and slow but steady progress. There is little doubt you will overcome one or more major obstacles during this period, but not without some bloodletting - figuratively speaking. Many things you attempt could be more difficult than expected, and there may be times you feel as if you are slogging through mud. During these periods, try to recognize that it is precisely this plodding effort and determination that will help you

achieve your goal.

With a double 4 as your duality, your willpower and efficiency should be at an all-time high, increasing your likelihood for success. However, because the traits of the 4 affect both cycles, their influence can become extreme. The negative side of the 4 might cause you to feel overwhelmed or stuck in a rut of routine tasks. Your biggest complaint during this period will probably be the shortage of "me" time.

Your greatest challenge this year will be getting past the temptation to cut corners or choose the easy option. This period requires you to apply yourself and commit fully to your endeavors. Your greatest asset will be your physical and mental strength and stability.

If there are times you find the tediousness nature of the 4 a bit too stable, you may find solace in the knowledge that next year will bring all the change and variety you could ask for. This year use the efficient 4 to its full capacity, to build the solid foundation that will serve you well for some time to come.

Your Duality in 2027 is 4 and 5

Emily, some numbers are each other's opposite and compete for attention, which can cause turmoil. When numbers follow each other (as the 4 and 5 do) they always have opposing traits. Where the numbers appear in your chart also determines the influence they will have.

Your Personal Year number affects the world around you - the events and changing circumstances you will encounter. With a 5 in this position, you can count on ever-changing events and unplanned opportunities that will require adaptability and quick thinking.

Your 4 Essence, on the other hand, prefers to take a deliberate, focused, disciplined approach to the events you face. Clearly, the two cycles have different plans. The challenge lies in your desire for stability being unsettled by the stream of changes you are apt to encounter throughout the year.

You can help bridge the discordant aspects of this Duality by staying open to the unexpected. To take advantage of the year's opportunities you will need to be as flexible and adaptable as possible. This may be a challenge, as your mindset is likely to be more rigid than it would be if you had a different number influencing your Essence). Try not to get flustered when things don't go as planned; a little commotion shaking things up could make your priorities clearer.

On the plus side, you have the attributes you need to stay focused and headed in the right direction, even with the year's disruptions. (Taking an efficient, disciplined approach will help keep you on track).

Your greatest challenge could be maintaining a clear perspective, while your most valuable assets lie in your personal strength, courage, and purpose. Drawn by your dedication and abilities, these qualities will likely inspire others to help you achieve your goals.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month for August-2026 is 3

August is a good time for some relaxation. You will find your workload a little less demanding and may want to take some time off. You are upbeat and optimistic and able to inspire and uplift others. Do not take matters so seriously this month.

It's a time of enhanced creativity and practical application. You are original in your approach to problem-solving. You receive inspiring ideas and can turn some of them into reality. You impress others with your deep understanding of the issues.

This month also brings spiritual realizations and insights. You are more aware of the underlying forces that are at play in your life and in the world around you.

The challenge of this month is in overcoming fear. You may find yourself confronting some injustice. It may be necessary to meet that injustice alone. Stand up for yourself!

Be wise, but do not seek to avoid the issues.

Your Personal Month for September-2026 is 4

Six months or a year from now, you will look back at this month and realize that in some way it represented a turning point on your path to success. However, you may feel frustrated during this month and wonder why everything is moving so slow. In a way, it seems that life has you in a straight-jacket, but in fact you are

being protected from yourself. The emphasize is on the irritating and seemingly unnecessarily details. You are forced to deal with things you consider a waste of time. These loose ends can no longer be ignored, but you feel frustrated by the limitations of time and the massive amount of work.

The situation is, in fact, two-sided: One side is effort, the other reward. You are being prepared to take full advantage of a string of opportunities that will begin next month, and will continue all next year. The challenge for you is to keep up. For that reason, you must finish the work in front of you now, to make room for the opportunities to come.

Meanwhile, guard your health, especially against the effects of stress and frustration. You would do well to eat healthy foods and in a regular and orderly fashion. Go to bed early; read to widen your view and escape. Do not dwell on the negative. Leave affairs of the heart to themselves for a while, until this intense period passes. Late this month, you will start to see the light at the end of the tunnel. However, looking back you will be grateful and relieved that you took on this process of re-organizing the basics in both your work, and your personal life.

Your Personal Month for October-2026 is 5

October brings opportunity and change. You may be asked to go on a trip related to work or business. This trip is unexpected but will bring very positive results. Another possibility is that you will be offered a transfer and promotion. Either way, there will be changes in your environment.

Now is the time to take some chances, to promote yourself unabashed, and to reach out to other possible sources of income. If you are in sales or business, this is one of the most promising times of your life.

If your work is service-oriented, you may receive a long-awaited promotion. Friends and family members are supportive. Romance is exciting. It is a dynamic month in all respects and will wipe away the frustrations of last month. However, a warning is in place: You may tend to make impulsive decisions, to be a little irresponsible, and to put your foot in your mouth.

This hectic and dynamic month brings with it some chaos, and restraint is needed to maintain some control over the events.

Your Personal Month for November-2026 is 6

November offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that.

Financially, this could be a good month with an unexpected reward coming sometime during the last week. In many ways, this month brings blessings and can be very satisfying. Your workload is considerable but doesn't burden you as much as it did during other times of this year.

You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Your friends and family members display strong signs of loyalty and feelings are expressed more freely. One or more of your friends or relatives needs a boost and comes to you for help. You are happy with the opportunity to help out in a practical way as well as with moral support. You play

the role of (m)patriarch.

The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker and can no longer be ignored. Tension may come to a head, but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

Your Personal Month for December-2026 is 7

December is a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end. December is a more comfortable time for such an inward journey and expansion of your consciousness. There will be plenty of opportunities to withdraw, to seek the quiet. Whether you enjoy this time depends on whether you value such an experience.

It's been a year of hard work and, at times, frustration, but the work will pay off. You are more aware of that now, and you are probably well aware that the year was well-spent.

Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically. It allows for deep inner contentment and a fuller awareness of the love and goodwill of others.

Your Personal Month for January-2027 is 6

All during this month the focus is on your attitude towards friends, co-workers, and family members. You are in a position to improve relationships in all areas. You are warm, and more outgoing than usual. Others are attracted to your optimistic disposition, and several people close to you will come to you for advice and comfort. January may bring a turbulent new relationship into your life. The initial introduction may start off a little awkward, even cause some friction. You will need to be tolerant and understanding. Even if you feel sure that your point of view is correct, a hardheaded, stubborn approach is not beneficial. On the contrary, the true purpose of this conflict is an opportunity for you to reach out and earn the appreciation and respect of this person by freely demonstrating your own. Other, more practical changes are also in the picture. Many will make changes in their office, residence, or work routine.

You may get some strong signals that your career may receive a boost in the very near future, which only buoys your optimism.

If you are single, this is an excellent month to be social and meet new people.

Your Personal Month for February-2027 is 7

February finds you more inwardly focused. Self-reflection and contemplation bring spiritual clarity and growth. At the same time, your career improves and you manage to impress important people. Doors that have been closed open and offer access to opportunities. Financially, this month may also show some progress but the emphasize is more on opportunities and your ability to take advantage of them.

Warnings are justified in two areas. Your dynamism and excitement may cause you to be somewhat insensitive at times. Also, you would rather plan and discuss future endeavors than to put forth the effort required to take full advantage of current opportunities. Key-words to make this month a success are caution and discipline.

If you are married or otherwise committed, you may feel a little distant from your partner. This is temporary and does not require any special attention. If you are single, romance is not a high priority. Minor health problems that have not been treated may come to the foreground. This is a good month to apply discipline to your eating habits and to step-up your exercise regimen.

Your Personal Month for March-2027 is 8

Be careful in all financial matters this month. Issues involving money take center stage. More people go bankrupt or make a killing during this period than with almost any other number combination. Now, especially, you are required to balance the material and the spiritual. The worlds of work and personal relationships require an opposite approach this month. A certain amount of aggression in career and business matters is favorable. Promote your ideas. Put out effort. You may want to clear the air between you and a loved one, but you have difficulty overcoming your fear of being misunderstood. Or perhaps you are not clear about what you feel. Try putting your thoughts on paper first to achieve a higher degree of clarity.
