WHAT THE DIAMOND CHART REVEALS

The Diamond Spirit Guide is one of the oldest number-based methods of divination and perhaps the most powerful tool numerology has to offer. It reveals the chain of cause and effect that connects your physical and non-physical planes. It tells us how your experiences, choices, and priorities in the physical world affect your internal/spiritual growth, and how, in return, this affects the quality of your life on the physical plane.

An incomplete, rudimentary version of the Diamond was brought back from obscurity by the late Kevin Quinn Avery and later completed and re-birthed by Hans Decoz.

Each Diamond pattern consists of four numbers. The first is called the Challenge. Your Challenge is a lesson or test that, once learned, will benefit you for the rest of your life.

The second number is the Root or Cause and explains the underlying reason that lesson has emerged. The third number, the Recommended Action (also called Action Key), gives advice on the best approach for a successful outcome. The final number - aptly named the Outcome - reveals what the likely result of your efforts will be, and how it might affect your future.

Except for ages 0 through 7 and 75 through 81 we experience two Diamonds per year from birthday to birthday. These two Diamonds overlap and are equally important; they fit together as if working on one helps us understand the other.

Although most Diamonds are in place only for one year, it's not uncommon for one or both Diamonds to repeat the following year. Often one number - usually the Challenge number - lasts for more than one year, while the other three numbers change. Finally, a number that is the Cause one year becomes the Action Key for the next. The Diamond's structure is complex but also logical and beautiful.

A word of advice: getting the most out of your Diamond requires some measure of self-reflection, not unlike the I Ching. I recommend that you read it more than once, then let it simmer. You may be surprised at the amount of insight you gain.

Your report covers two years/ages from birthday to birthday. To avoid distraction, you may want to postpone reading the Diamonds for the second year until a couple of months before your next birthday, or if you do read them, go back to the two for your current age and focus on those.

THE FIRST DIAMOND

The first number in your Diamond is of a decidedly spiritual/inner nature. It's offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature. It reveals the true purpose of your struggle on the physical plane from a broad vantage point.

Your First Diamond Challenge for age 24 is 1

This common challenge is likely to repeat more than once during your life. It concerns confidence and self-empowerment. (The most commonly found challenges are 0, 1, and 2 - and almost always occur more than once in a lifetime. The lesson inherent in the 0 strengthens humanity as a whole; the 1 strengthens the individual; the 2 focuses on relationships).

This is a favorable time to learn more about your inner identity - the part you call "me" or "I". It helps you maintain your identity without feeling distant or apart from those around you. You have an opportunity to become more secure in your self-worth, and the acceptance of your true self, which in turn can lay the foundation for contentment. (We experience our reality as separate from other people which, in part, is what makes us individuals. Sometimes, however, events or circumstances amplify the distance we feel, creating a sense of separation and loneliness. Although it is not possible to merge fully with another person, we can experience a shared reality

and unbreakable bond, without losing ourselves in the process.)

YOUR FIRST DIAMOND CAUSE

The second number in your Diamond reflects the underlying cause of the challenge you face this year. It is the catalyst that sets things in motion, the root of the issues confronting you during this period.

The Cause for your First Diamond is 7

Your search for deeper understanding has moved to the foreground over the last few years. Some of this may have been only marginally conscious. You may not, for example, have been going to a place of worship more often, or been reading metaphysical or intellectual books on Life's Big Questions. On the contrary, if you are a religious person, it is possible you have been performing outward expressions of your faith less often yet have been pondering the issue of religion or spirituality more intensely.

How much of this transformation has taken place consciously may vary, but a 7 in this position points to an increasing desire to understand things on a deeper level.

THE RECOMMENDED ACTION FOR YOUR FIRST DIAMOND

The third number in the Diamond pattern suggests a possible course of action to resolve successfully the issues facing you during this period.

The Recommended Action for this Diamond is 13/4

Hafeez, this is a period when effort, restraint, responsibility, and discipline are needed: put your nose to the grindstone, fulfill your obligations, don't procrastinate, and keep your eye on your goal. It's a time to be grounded and practical in all your endeavors. While this sounds like all work and no play, the upside is there should be no shortage of satisfaction and appreciation. With effort, you create more opportunities to reach your goal, and increase the likelihood of looking back on this period of your life with gratitude.

Not only does this effort result in tangible reward, you will grow as a stronger and more self-confident individual. Think of it as boot camp difficult at times, but worth the effort.

The qualities required to successfully navigate this Diamond and upcoming opportunities are efficiency, focus, time management, and an eye for detail.

THE EXPECTED OUTCOME OF YOUR FIRST DIAMOND

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome

What it means to have an expected Outcome of 11/2

Hafeez, an 11 in this position suggests your social skills have improved and you relate to others more easily. Additionally, your sensitivity, perception, and intuition are likely more finely tuned. The 2 inspires cooperation, so you may find you work more smoothly with others - and consequently, others more willingly support your efforts.

With greater sensitivity, you may find it easier to read the body language and facial expressions of others, improving your ability to assess their needs. The 2 also brings flexibility mentally and physically (so even your reflexes may have improved).

THE SECOND DIAMOND

The first number in your second Diamond is again of a decidedly spiritual/inner nature, offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature.

YOUR SECOND DIAMOND CAUSE

The second number in your Second Diamond reflects the underlying cause of a distinct challenge you will face this year. It is the catalyst that sets things in motion, the cause of the issues confronting you during this period.

The Cause for your Second Diamond is 6

Hafeez, when the 6 appears as the second number in your Diamond pattern, it points to an issue with family, friends, or a romantic partner. (More often than not romance plays a role.)

There may have been a disconnect recently between what you felt and what you thought you should be feeling, or were expected to feel. The issue was probably not that love was absent, or not reciprocated, but a lack of clarity.

It is also not uncommon to find the issue of sexuality at the root of this Diamond, related to confusion over blurred lines between the emotional versus the physical expression of love.

THE RECOMMENDED ACTION FOR YOUR SECOND DIAMOND

The third number in the Second Diamond pattern suggests a possible course of action to resolve the issues facing you during this period.

The Recommended Action for this Diamond is 5

Think of this period as flying a kite, Hafeez. You need to keep your feet on the ground while your focus and ambition are roaming, swirling and diving without restraint. Your mind should be as free as that kite but held firmly by a string controlled by (only) you.

We often allow people or situations, as well as ourselves, to limit our potential. Sometimes we work hard because we feel pressured by money concerns or living up to other people's expectations. Other times, we are drawn by a dream or personal goal. Although no less effort is required, there is a big difference in the way each impetus feels.

This diamond suggests it's time to let go of old concepts and ideas, in order to be elevated by your own dreams. Nurture your untapped potential by allowing new ideas to emerge, let go of past

habits and worrying about what others may think.

Although it may not sound very practical, it may help to just watch the clouds go by, get out more, let go of old habits. There is no better way to get in touch with yourself and your dreams. Allowing your mind to wander and making room for the new are important aspects for recognizing and following your dreams.

Qualities that will help you navigate this Diamond and take advantage of approaching opportunities are flexibility, adaptability, having faith in yourself, and letting go of pointless restrictions.

THE EXPECTED OUTCOME OF YOUR FIRST DIAMOND

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome

What it means to have an expected Outcome of 3

Hafeez, a 3 in this position suggests you should feel less inhibited and more optimistic. The 3 brings a newly awakened creativity. This is one of the most strongly felt and desirable outcomes, because it seems to directly affect your ability to experience simple joy and happiness, as if the child in you has re-awakened. You may even recognize this in a change of style and taste; you might dress less conventionally or more colorfully or have a desire to change your environment.

Your sense of humor may be less reserved, and your health is more likely to improve, due to the positive, motivating outlook of the 3.

THE SECOND DIAMOND

The first number in your second Diamond is again of a decidedly spiritual/inner nature, offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature.

Your Second Diamond Challenge for age 25 is 3

The goal of this challenge is to enhance your self-expression through confidence and courage in all areas of your life, not just the creative or artistic avenues. It starts by understanding the magnitude of your potential, not the least of which is your imagination.

Your inner world should be a dynamic place, where realizations, feelings, hopes, dreams, discoveries, ideas, expectations, and yes, sometimes failures and disappointments, come and go, changing and enhancing you in the process. No supercomputer can hold a candle to the speed and reach of your mind, much less the power of your imagination. However, like a computer, it needs an operator to guide it to its full potential. That operator is you, and the more confident and comfortable you are at accessing and using your creativity, imagination, and analytical powers, the more successful you will be in life.

It takes courage to go against the grain, to make up your mind and follow your instincts - it's much easier to conform. But in order to be true to your unique potential you must, by definition, find YOUR voice. This challenge inspires you to expand your vision, find that voice, and express your individuality.

YOUR SECOND DIAMOND CAUSE

The second number in your Second Diamond reflects the underlying cause of a distinct challenge you will face this year. It is the catalyst that sets things in motion, the cause of the issues confronting you during this period.

The Cause for your Second Diamond is 9

You recently, over the last year or two, experienced several situations that upset your sense of justice and compassion. You may have witnessed - or been a part of - disturbingly unjust proceedings. You may be struggling with the question of whether you could have done something about it, and perhaps even feel guilt or regret that you held back when you might have helped. Whatever the circumstances, it is important that you find a way to set things right.

When the 9 is in the second place in a Diamond pattern, sacrifice is almost always an important part of rectifying or healing the concern.

THE RECOMMENDED ACTION FOR YOUR SECOND DIAMOND

The third number in the Second Diamond pattern suggests a possible course of action to resolve the issues facing you during this period.

The Recommended Action for this Diamond is 3

Hafeez, if you have ever watched children responding to adults, you have probably noticed they usually say exactly what they think. Although many of us could use at least some of that candor, this is generally not considered a healthy approach for adults (it can get one into a bit of trouble). A 3 in this position suggests you would benefit from being less inhibited and more expressive. The more you disclose your "true self" the better you can avoid obstacles and misconceptions. When you feel like laughing, laugh without reservation. When you feel anger, express it. When you feel like hugging, hug. Share your true feelings.

Becoming less inhibited is far from easy. In fact, it is quite difficult and requires great courage, but

it could help release blocked potential, whether conscious or subconscious.

The hardest part of becoming less inhibited, is that you also must be less self-conscious. It's a chain reaction; self-consciousness and ego go hand in hand. Try not to worry so much about what others think of you.

The main qualities required to successfully deal with this Diamond and to take advantage of the opportunities ahead are courage, honesty, self-expression, and altruism.
