Relationship Compatibility Profile

JAMES WILSON & SARAH JONES

By Master Numerologist Hans Decoz | worldnumerology.com

ABOUT YOUR RELATIONSHIP PROFILE

This report analyzes the personalities of both individuals to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.

When you are in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.

Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report is more critical or even harsh compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage overall than a few honest remarks in a reading.

You will probably encounter some texts that state: "The compatibility aspect in this area of the chart is already included in other parts of this report." Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis on them.

James and Sarah, I hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.

Please note we use gender-neutral language when addressing individuals in our relationship readings. To some, using the singular "they," "them," and "their" may sound awkward, but we believe words matter. We aspire to include everyone.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

James, your Life Path number is 2

The key word in your nature is peacemaker. James, you have the soul of an artist. You are extremely sensitive, perceptive, and a bit shy. These qualities are both your strengths and weaknesses, for while you possess enormous sensitivity to your feelings and those of others, that same sensitivity can cause you to hold back and repress your considerable talents. Sensitivity and perceptiveness are among your many fine qualities.

Because you intuitively know what people want, or feel, you can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions.

You enjoy music and poetry and require a harmonious environment. You have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical therapy, and counseling. However, your sensitivity can also be your downfall.

Your delicate ego bruises easily and can make too much of someone else's thoughtless remarks or criticisms. Because you get hurt easily, you may tend to withhold your own thoughts and contributions to the matter at hand. This can cause you considerable resentment and anger. Too often, you run from confrontation to avoid a battle.

When you employ your considerable inner strength, you will discover your enormous power and abilities to direct difficult situations toward your own goals. It is the awareness of your inner strength that will give you the courage to use your own personal power when it is needed. You are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy.

However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively. Your awareness, diplomatic skills, and

organizational talents give you the ability to bring off difficult tasks. You willingly step out of the limelight to facilitate the success of your endeavor. In truth, you are often the power behind the throne. However, you do not always receive the credit you deserve for the fine work you've done, or your role is underestimated, and your accomplishments overlooked.

Rather than brood over your losses, you need to confront those who would make less of your contributions and stand up for your accomplishments. You need security and comfort, quiet settings, and the company of loved ones. You are a perfectionist when it comes to your home and work environment.

You have excellent taste which is obvious in your private surroundings. You are a fine companion and possess a good sense of humor. Friends seek you out for your calming and peaceful company. You are a safe haven to other sensitive people, who recognize your compassion and understanding. When you have found your niche in life, you have all the talents and intelligence for great success. Seek out work that allows your sensitive nature to flourish -- be the glue that binds others together.

Sarah, your Life Path number is 1

Sarah, you are a born leader. You insist on your right to make up your own mind; you demand freedom of thought and action. You are driven and determined. You don't let anything, or anyone stand in your way once you are committed to your goal. You assume the responsibility to be the protector and provider for those you love. You demand respect and attention and become irritated and even

domineering when important things do not go your way. You need to feel in command of important undertakings and resist supportive roles. You seek the forefront and the limelight. You are concerned with your status and foster the appearance of success and self-satisfaction. The need to appear well off propels you to strive for growth, success and the finer things of life.

You are exceptionally creative and original and possess a touch of the unusual. Your approach to problems is unique and you have the courage to wander from the beaten path. You can be impatient with your shortcomings and those of others.

You should watch out for selfishness, conceit and the over-concern with appearance. You must guard against overzealous behavior, anger and aggressiveness. If these qualities are not brought under control you could become excessively domineering, vindictive and even violent. You perform best when you are left to your own devices. Ideally you should own your own business and be your own boss. Hold fast to your life's dream and work with the determination you possess to realize it.

You can become overly stressed by your driven nature. Be careful about the food you eat and

maintain an exercise program you enjoy. Competition sports are often a healthy outlet for a person with your drive, particularly sports involving running and swimming. Don't let pride and overconfidence be your masters. Remember, your talents and abilities are a gift from a higher source, which should promote gratitude and humility, rather than pride and conceit.

More often than not a person with a 1 Life Path will achieve much in life as long as the drive, creativity, originality and pioneering spirit are fully employed!

HOW YOUR LIFE PATH NUMBERS COMPARE

Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.

James and Sarah, your Life Path Compatibility is 2 and 1

James and Sarah, you have a very promising combination although, interestingly, you have very little in common in this aspect of the chart. The core numbers show Sarah to be strong, driven, competitive, motivated, and perhaps somewhat domineering. James is by nature more the "power behind the throne", a more patient type who keeps the bigger picture in mind. Sensitive, intuitive, insightful, and supportive, you will (usually) allow Sarah to assume the more assertive role, while unobtrusively making sure the job gets done. The fact that you do not vie for power is key in this relationship. Both of you know your wants and needs and, in your own way, can express them to each other. Being comfortable in the roles you have chosen helps you to complement each other well.

James is the peacemaker, Sarah the driving, ambitious force. However, it is important to look at other compatible aspects in your number combination to keep this in perspective. Sarah needs to be careful with James's sensitive nature; their strength is like a strong stick - it will not break easily and is not concerned about getting damaged. James's strength is more flexible, but also more vulnerable; they will surrender more easily but is also more sensitive to harsh words and criticism. Sarah can shrug off judgment from others without much damage to their ego. Interestingly, it is precisely because James can bend with the breeze that they will likely be the survivor if a serious storm hits, whereas, if the wind is strong enough, Sarah's strength may snap.

In this aspect of the chart, the key to a healthy relationship is mutual respect and sincerity. Sarah needs to understand that James's willingness to compromise or surrender does not indicate weakness or an indecisive nature. They should also be aware that James is not easily fooled. Although James may accept an explanation or situation without confrontation, it is due to their insight and perspective rather than cowardice; they recognize insincerity and dishonestly more

quickly than Sarah and should not be underestimated. And James should keep in mind that showing strength and bravado does not mean that Sarah is not susceptible to hurt feelings. In fact, behind that facade of strength and courage is someone who experiences matters of the heart very deeply.

THE HEART'S DESIRE (A.K.A. SOUL URGE)

The Expression number described above points to a more productive side of your life. Your Heart's Desire, also called Soul Urge number, reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

James, your Heart's Desire number is 3

You love a good time. You are generally happy, friendly, and outgoing. You have a gift for gab. You are very witty, creative, and playful. You inspire and entertain people. You are considered by many a great companion. Many outstanding comedians have this Heart's Desire. You have a good mental and emotional balance and there is little that gets you down.

You have a gift for self-expression and are drawn to the verbal arts -- writing, acting, singing, and poetry. You may have a great talent in one of these areas. If your creativity is blocked or suppressed, you tend to daydream and fantasize. Your imagination needs a constructive outlet; otherwise, it may run away with you.

At the same time, you may have great difficulty expressing your deeper feelings and important personal thoughts. You prefer to stay on the surface, entertaining people with your wit. If you fail to deal honestly with your inner nature, you may succumb to compulsive talking. Such behavior may be merely a way of siphoning off emotional energy that is building beneath your surface. Your deeply felt emotional life cannot be avoided or suppressed. But you possess the talent to channel these feelings into highly creative and artistic form. Art and self-expression are your outlets.

You need discipline to make full use of your abilities. Too often, you may scatter your energies in many directions, beginning projects that are never finished and never really succeeding in anything. Your success depends on your ability to commit to your work and to see it through to completion. You have so much creativity and inspiring upward energy that you are in desperate need of an anchor. Hard work and discipline serve this purpose and bring out the best in you.

Because you are gifted with such a sparkling personality, you are tempted to stay on the surface and play with life. You are confident and love the attention others give you, but these characteristics can lead to vanity and self-absorption.

You have the potential to live a very full and successful life thanks to your talent for artistic self-expression. The key to your success is a balance between the creative forces and self-disclose.

Sarah, your Heart's Desire number is 5

Freedom is essential for your happiness. You love change, new experiences, meeting new people, adventure and travel. You love the exotic, faraway places. Variety is more than mere spice of life -- you thrive on it. You are extremely flexible and adaptable. You have more curiosity than the proverbial cat. You have a sharp mind and a natural ability with words. You are a born communicator, clear, fluent, and imaginative in every area that interests you -- which are many!

Your Heart's Desire makes you very well equipped for life. Change -- the only constant in life -- doesn't threaten you, as it does other people. You are highly resourceful. Generally, you can think clearly in a crisis; you have good mental and physical reflexes. Whenever you fall, you tend to land on your feet.

You are highly enthusiastic. You get excited easily over a new idea or opportunity. Your nature is unconventional. You are a bit of a gambler, taking risks whenever you think the rewards are worth it.

You are very socially oriented and rarely, if ever, dull or boring. You are, of course, drawn to those people who, like yourself, are original thinkers and have exciting personalities.

You enjoy being involved in several projects at the same time. You need continual stimulation by the new and fascinating. You tend to discard boring pastimes quickly. Your love of freedom and change can have numerous consequences. You can be irresponsible, especially when it comes to finishing tasks. You have a hard time persevering at a given project and bringing it to completion.

You must be careful that your love of sensory pleasure doesn't lead you to excessive indulgence in

alcohol, food, sex, and even drugs.

You are a bit of a hero and want to save the world. This causes you to make promises you often cannot keep. Down deep, you long to please everyone, an impossible goal. Many 5s can be emotionally superficial. They feel love passionately, but fear making deep and lasting commitments. As a result, they resist the depths of emotional attachments and remain on the surface where it is safe.

You will experience many changes and unusual events, but you learn best through experience. Therefore, your life will be full, and you will make great strides in personal growth.

HOW YOUR HEART'S DESIRE NUMBERS COMPARE

Compatibility of the Heart's Desire number is very important in a relationship. Few relationships last beyond the initial stage if these numbers are not harmonious.

James and Sarah, your Heart's Desire Compatibility is 3 and 5

This is an excellent combination, but because the partners are so compatible, they sometimes enhance each other's less-desirable traits. James is upbeat, expressive, creative, and playful, but not always focused or practical. Sarah is dynamic, social, and adventurous, with a tendency to overindulge. If you share a home, you will have little trouble creating a living environment and a lifestyle suitable to both of you.

You both communicate well, and your verbal skills make you a popular couple. In fact, one of the things that could trip you up is your popular, social nature. Either of you (especially Sarah) could become jealous of the other. You both thrive on taking center stage and enjoy the spotlight; this has the potential to create a competitive atmosphere.

James, Sarah may tend to say impulsive things that are hurtful or might suddenly allude to a problem you were unaware of. You may need to read between the lines, however, because they may not address it directly. A similar issue could arise from James's susceptibility to skim over deeper issues, especially those that are emotional. Sarah needs to be aware that, even after years together, James may not easily reveal their deeper feelings. If you are not observant, either of you could be experiencing inner turmoil without your partner being aware of it.

Generally, the 3 (James) and the 5 (Sarah) get along very well. James is drawn to Sarah's dynamic, exciting personality; Sarah enjoys James's wacky sense of humor and upbeat nature. This is a good combination that can last a lifetime. If problems arise that jeopardize the relationship, it will likely be due to the lack of deep, personal communication. Both the 3 and 5 tend to keep emotional issues on the back burner instead of dealing with them directly. Once the

turbulence eventually reaches the surface, it is often too late to heal the discord that has festered.

James and Sarah is it essential that you confide in and pay attention to each other. Watch for subtle signs of unease or anger and deal with it immediately in an open, direct, and compassionate way. It is the key to sharing an inspiring, creative, lively, happy life.
