YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

Your First Period Cycle is 5 and lasts until age 29

This is a chaotic time full of unexpected events and changes. Entering life with a 5 first Period Cycle often means a less-than-stable family and/or school environment. This can give rise to an obstinate, rebellious streak. From an early age you may have trouble keeping reality and fantasy separate. As a child and young adult, you may be perceived as "different." You are drawn to social interaction, but there may be times you feel you do not fit in well.

You are adventurous and more than once attempt a feat that is clearly dangerous. You are easily bored, and perhaps find refuge in some form of overindulgence. It may take you longer than most to find stability and a goal.

YOUR SECOND PERIOD CYCLE

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

Jane, your Second Period Cycle is 6 and lasts until age 56

Your middle years are a time of responsibility and duty. The issues of commitment, marriage, and family come into sharp focus. If you honor your commitments with acceptance and love, this can be a period of harmony and support. You are needed by others; you are loved and appreciated. Reinforced by the loving, family-oriented 6, this is the best cycle for marriage and commitment.

In the same way, partnerships go well, and progress is made through joint effort. Conversely, commitments that are broken or not deeply made tend to end in separation or divorce more often during this period than others.

Artistic talents you possess may surface or heighten, and opportunities for self-expression present themselves. A commercial opportunity is supported, possibly your own business. This is a time of progress through flexibility, cooperation, and compromise.

YOUR THIRD PERIOD CYCLE

The Third Cycle represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.

Jane, your Third Period Cycle is 5 and lasts for the rest of your life

The latter period of your life finds you continuing to move through changing circumstances. There is an inherent restlessness associated with a 5 Period Cycle — one of the few cycles that encourages a more impulsive response to situations you encounter. You are drawn to travel, new people, and different cultures. This is a dynamic, somewhat chaotic cycle, where not much happens according to plan.

You do best when you are social, physically active, and involved — giving your heart and mind the experiences they crave.

During this period, you have a flair for successfully promoting yourself. You are drawn to all that is progressive and farsighted. This is a time to be quick and flexible, and to grasp opportunities as they come.

YOUR FIRST PINNACLE CYCLE

Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's. This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.

Jane, your First Pinnacle Cycle is 11 and runs from birth until approximately age 29

This is a challenging period in which you are at a high point of sensitivity and intuition. There is so much going on in your psyche that you can suffer much confusion over direction and identity. On the other hand, there is a wide-open channel between the personal consciousness and the higher realms of the unconscious. You are constantly being inspired and even assaulted by information and insight. Because of the intensity of these revelations, you must learn to ground your life in faith and a practical vocation that keeps your feet on the ground every day.

This is a period of enormous spiritual and personal growth. You will come out of it with a highly uncommon clarity and understanding of life. At the same time, it is a period of enormous demands, emotionally and spiritually. Any attachment you might have to specific identity traits -- who you think you are and why you are here, for example -- is constantly challenged. There is a desire to settle into some field or way of life to attain stability, but the energy of this Pinnacle is not allowing it. It is as if there is a destination, or destiny, to which you are being driven. You do not feel in control of this process. Instead, you are acutely aware of the forces that are shaping your life. You must surrender to them.

Meanwhile, you experience the emotional turmoil that can come with this highly charged period. There is a definite, even compelling, sense of being different. You are aware of a feeling of receiving special attention from spiritual forces. Your perception of life is somehow more acute than others; you see more clearly and more spiritually due to your high degree of sensitivity. It is as if you have a perfectly accurate peripheral vision, in which everything stands out in sharp relief. At times you may feel that you can see into the souls of things. At the same time, you may feel like

a foreigner to the earth. You are completely impractical. Sometimes you may feel that you do not understand the workings of the physical world. Practical things escape you. You feel awkward and clumsy at times and are aware perhaps how fluidly other lives are going. This increases your sense of being an outsider.

More important than all the awkwardness and feelings of being different is the overwhelming sense of having a purpose or a message to reveal that will make other people's lives happier, healthier, and more at peace. You want desperately to bring this out.

The challenge of the 11 Pinnacle is to remain grounded and attached to this dream. You must find practical and useful ways to be of service to others, at the same time developing yourself so that one day you may be able to bring forth that which is within you.

The influences of this period make you highly creative, innovative, and inventive. You have a completely unconventional approach to problems. Trust your intuition, seek harmonious settings to restore your sense of inner peace, and work hard to keep your feet on the ground. This period will bring great rewards on all levels, and with perseverance you will find your rightful place.

YOUR SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

Jane, You are repeating your First Pinnacle Cycle

YOUR THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

Jane, your Third Pinnacle Cycle is 22 and lasts until age 47 and runs from age 38 until age 47

This is a demanding time in which all your personal power comes to the surface and is made available to you. At the same time, you face an enormous challenge in which all that power is needed. This challenges are both physical and spiritual. The physical side is obvious in some large enterprise or dream that you are struggling to make manifest. The spiritual side is more hidden, but just as important, in that one must deliver the full wealth of his spiritual understanding and vision to create something great and lasting for the general wellbeing of society.

Your mental powers are greatly enhanced. At the same time, your determination and efficiency are

proportionately increased, making you the master builder. The 22 is a Master Number, which means that you must perceive something large in the archetypal world and materialize it. Everything you focus on is large -- your plans are big and cover long periods of time; you envision making an enormous and lasting impact on the world.

At the same time, your problems and challenges are equally large. You will have to devote yourself entirely to this dream. Without a full commitment to your largest ambitions, you will slip into frustrations and the world of broken dreams. This is why the 22 Pinnacle is so demanding -- nothing less than everything you've got is necessary to bring forth your full potential, and the gift you must give to the world. This is a Pinnacle of extremes.

You are not alone, however, in your struggle. There is much spiritual and material support to help you realize your plans. People are attracted to you who intuitively understand your larger purpose. You gain a close following of friends and supporters who feel enriched by participating in the dream you have articulated.

Courage is essential. You need confidence and faith to help you endure the challenges of the period and help you overcome the many obstacles in your path. You are eminently practical during this period. Your approach to problems is methodical but bold. You are careful of details, yet courageous in your attack on the problems at hand. It is a period in which you must dive in, never hesitating over the possible consequences. Your personal life will likely take a back seat to the excitement of the dream.

This is a Pinnacle of enormous potential requiring much effort. Your day has arrived. Now you must make the most of it.

YOUR FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

Jane, your Fourth Pinnacle Cycle is 1 and runs from age 47 until age death.

This is a period requiring much independence, courage, resiliency, and initiative. You must bounce back after many difficult experiences. The challenge of this Pinnacle is to gain will power. There is not a lot of support from others or from family. You must draw from your own strength. You will have to guard against self-pity or surrender. Keep focused on your dreams. This Pinnacle will require an iron will to keep hold of your goals, and also the flexibility to maneuver around difficulties, and bend with the winds of adversity.

This is a period of rapid self-improvement and growth. You will be forced to use every talent and capability you possess. You will need to be resourceful. You must continually put out effort, but

with it comes great reward. Without it, there is no accomplishment nor satisfaction, only a negative attitude toward life. Be careful not to become too self-centered, headstrong or self-important. Be strong but flexible. Be open to the counsel of others but make up your own mind.

The benefit of this Pinnacle number is a strong sense of your individuality and strength. You will know what you are made of. There are many hidden gifts in this period, perhaps the greatest of which is faith. Your Pinnacle provides you with the characteristics of leadership, boldness, and daring. You will have many unconventional ideas and the skill and courage to make them a reality. Your abilities to manage and organize people and institutions are greatly enhanced. You have vision and confidence in the worth of your dreams.

These characteristics provide great opportunity for success and major accomplishments.

YOUR PHYSICAL TRANSIT

The individual letters of your name are used to find your Transits.

Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.

Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

Your Physical Transit for age 40 and 41 and 42 is N

The N transit delivers opportunities to expand your horizon. It is an adventurous period, increasing the possibility of travel or a change in residence.

This is a dynamic time offering new activities and opportunities to make important social contacts. You seek love and fulfillment and are likely to feel more sensual than usual. Sacrifice, adaptability, and flexibility are called for. You will also be concerned with finances and may worry too much about these matters.

You may be more forgetful during this transit. Exercising your intuition is important during this period.

YOUR SPIRITUAL TRANSIT

Your Spiritual Transit is based on your last name.

Your Spiritual Transit for age 40 and 41 and 42 is H

Your mind will be quite active during this period. The H Transit brings thoughts and ideas that are unconventional, original, and inventive. This is an ambitious time and self-promotion should pay off. Advancement and success are possible. Self-discipline is heightened, and you possess a clear understanding of what you want. Emotionally you could feel a little vulnerable and in need of love and attention.

YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Jane, Your Essence for age 40 and 41 and 42 is 4

This a period of much work, attention to detail, and advancement in your career. Your rewards will be directly proportional to your effort. Much will be demanded of you, but you now have the opportunity to lay a sound foundation for your life. You must be orderly and disciplined. Attention to detail in all areas -- especially in personal finances and business -- is a necessity. Your workload will likely increase. Only through the correct management of time and resources will you be able to apportion your energies correctly to meet the increased demands made of you.

You are now being trained in the ways of the world, and only sound practical management will bring you the results you desire. Any flimsy or unsound business practices will likely bring trouble and increased work for you. Only by dealing with reality -- that is, by facing situations exactly as they are, and not how you might like them to be -- will you be able to find the correct path to success.

Avoid feelings of restriction or limitation. Be economical in all your expenditures. Be sure to care for your health. Maintain a healthy diet and follow a sound exercise routine. Pay attention to preventive health methods and get the rest you need. But know when to allow yourself some breathing room. Be moderate in all things, including moderation. Balance is the key to this period.

In-laws and family members can be demanding during this period. People see you as a rock of stability and are naturally attracted to you for support. Be helpful without allowing yourself to be used.

You are being called upon to work hard and establish a firm foundation upon which your life will rest for many years to come.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2026 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Your Personal Year cycle for 2027 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality in 2026 is 4 and 3

Jane, your 4 Essence and 3 Personal Year are as opposite and discordant as two numbers can be. Fortunately, they have an upside in the way they complement one another: what one lacks the other has in abundance. This is true for all numbers that carry opposite traits.

Your 3 Personal Year should bring optimism, self-expression, and creativity (although it may feel a little hectic and disorganized). Your 4 Essence lends a disciplined, efficient, and practical mindset. This pairing has the potential to be quite positive.

However, the influences can only complement each other if there is a healthy balance between them. This will take effort to achieve. You will probably have no trouble finding outlets for your creativity; but, in order to manifest your inspiration and ideas, you will need to make a concerted effort to stay focused and persistent. Your 3 Year will deliver ideas and opportunities, but they will not take you far without the discipline, realistic approach and attention to detail of the 4. If you are able to create this balance, there is real potential for success in this somewhat difficult

arrangement - especially in your professional life.

Your challenge is to enjoy the playful, expressive, optimistic 3, while staying disciplined enough to see your projects through. If you are unable to establish that equilibrium, your goals may feel as if they are always just outside your reach. Frustration is the hallmark of imbalance. If you become frustrated by a lack of progress or feel scattered and disorganized, focus on being more disciplined, pragmatic, efficient, and organized.

Your personal life fairs better under these cycles, especially if you give yourself time to play and smell the roses. Also, you will probably be more open to the ideas and opinions than others and find it easier to handle personality issues. The 3 could inspire you to pick up a hobby or express an increased interest in the performing arts.

Your Duality in 2027 is 4 and 4

When a 4 Essence cycle runs concurrent with a 4 Personal Year, Jane, it can lead to significant opportunity as well as considerable frustration. When you read the chapters on your 4 Essence and 4 Personal Year cycles, they probably sounded very much alike. However, although their traits are similar, they affect different areas of your life in distinct ways. Also, when both influences are the same, it can throw things off-balance by concentrating too heavily on one set of characteristics.

Your 4 Essence will lend a focused, disciplined, efficient state of mind; your 4 Year will deliver situations that require these practical aspects. This can be a good match, but it also has the potential to make you somewhat rigid and predictable (even boring).

The 4 is a demanding number concerned with making effort and slow but steady progress. There is little doubt you will overcome one or more major obstacles during this period, but not without some bloodletting - figuratively speaking. Many things you attempt could be more difficult than expected, and there may be times you feel as if you are slogging through mud. During these periods, try to recognize that it is precisely this plodding effort and determination that will help you achieve your goal.

With a double 4 as your duality, your willpower and efficiency should be at an all-time high, increasing your likelihood for success. However, because the traits of the 4 affect both cycles, their influence can become extreme. The negative side of the 4 might cause you to feel overwhelmed or stuck in a rut of routine tasks. Your biggest complaint during this period will probably be the shortage of "me" time.

Your greatest challenge this year will be getting past the temptation to cut corners or choose the easy option. This period requires you to apply yourself and commit fully to your endeavors. Your

greatest asset will be your physical and mental strength and stability.

If there are times you find the tediousness nature of the 4 a bit too stable, you may find solace in the knowledge that next year will bring all the change and variety you could ask for. This year use the efficient 4 to its full capacity, to build the solid foundation that will serve you well for some time to come.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month for July-2026 is 1

July is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

There is a distinct possibility that you will be able to break out of unrewarding patterns. You may even consider a career change or start your businesses. It is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved you may meet someone, but the relationship, while intense and passionate, may not be a lasting one.

July is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts that will help your career and other endeavors.

Your Personal Month for August-2026 is 2

August requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month, but an anticipated reward or recognition may go to someone else, much to your dismay.

Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month. You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is favorable, your feelings run deep and your ability to communicate them is enhanced.

A good month to spend extra time with your lover.

Your Personal Month for September-2026 is 3

Jane, your creativity is at an all-time high. You find solutions and discover new ways to improve old methods.

You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work.

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

Your Personal Month for October-2026 is 4

October requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations. Career is a high priority, and you will find yourself putting in overtime. Details will need to be taken care off. There is very little room for slacking, and everyone may be making demands of you. You may

feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands, and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well. There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, This month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Your Personal Month for November-2026 is 5

November brings change, excitement, and possibly a financial boost. It brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may tend to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Your Personal Month for December-2026 is 6

This monthly cycle stabilizes your work environment but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result. It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload. This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during this year, this is a good month to exchange vows.

Your Personal Month for January-2027 is 5

You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully, and your best approach is to persevere. Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Your family members demand a lot of attention, and much practical guidance is required from you.

They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

Your Personal Month for February-2027 is 6

February brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well. Perhaps even more important is the role friends and family play during the period.

Loyalty and a willingness to sacrifice time and energy to your loved ones are needed. In return, you receive comfort and satisfaction. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Your focus should be on being dependable and active. There is no room for procrastination.

Your health improves during this time.

Your Personal Month for March-2027 is 7

Jane, March should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life. You are aware that you are developing spiritually. It is not a good time to deny important issues in your life or be superficial about significant matters. Your dreams are vivid, and if you take some

time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time. It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

Your Personal Month for April-2027 is 8

April promises to be rewarding financially as well as in other areas of life. There is a catch: It is essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers (8 and 4) gives you ample support in all efforts at organization and management. Respect, recognition, financial reward come to those who are careful. Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Your attention should be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

Your Personal Month for May-2027 is 9

This month may introduce some emotional turmoil due to a relationship gone awry. A friend or co-worker has let you down. Your trust has been damaged, and you realize that this is not just a temporary disappointment but the conclusion of the relationship. While you have reason to be angry, you should avoid self-righteousness. You may want to remember that you are not without fault. It allows the anger and disappointment to turn into understanding and forgiveness, even if the situation cannot be saved. As a way of healing this type of wound, life may offer you the opportunity to become involved in a good cause. Sacrificing some of your time and energy will prove very rewarding and will deliver some benefits that are not immediately obvious.

Your health requires some special attention, particularly your digestive tract. Watch what you eat. Avoid excesses.

It is possible that your career is heading for a change of direction, which may be of some concern to you. Look to next month for some insight into that aspect of your life.

Your Personal Month for June-2027 is 1

June gives you a new start in some area of your life, perhaps career, or some new project or endeavor. This is a month of promise and opportunity. Your energy-level increases, as does your excitement for your new direction.

This period requires courage and flexibility. You should also be more verbal: Express your

thoughts and feelings; inspire and motivate others to follow your lead. You may have a difficult time relaxing or enjoying yourself outside working hours. But it's important that you do just that.

An attraction to someone at work may signal danger to you. Even if you are committed, this attraction will prove quite powerful. Be careful. It may damage your future in many ways, not least of which is your career. Consider postponing any action in this area.

Your Personal Month for July-2027 is 2

At this time, your relationship with the people in your work or business environment is extremely important. You will need to be sensitive to their needs and desires, and you will probably be called upon to play the role of mediator in a conflict between some of these people. Your success in that role will directly affect your future. You may be disturbed by these new challenges because they emerge at a time when your workload is considerable. However, you are more sensitive and better able to discern the true basis of the conflict this month.

Jane, your enhanced sensitivity also helps you in other areas of your life. Romance is strongly represented, but should be kept out of the work environment, which may not be an easy thing to do. You may have the opportunity to go to a concert or some other musical event and because of your enhanced sensitivity, such events will prove very therapeutic. Pamper yourself in healthful ways, such as massage, a new exercise, and dietary regime, or some time near the ocean, in the mountains, in the forest.
