JOHN DOE & JANE SMITH

YOUR RELATIONSHIP FORECAST MONTHLY

People change, sometimes dramatically, sometimes subtly. When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

Please, keep in mind that the core numbers in your profiles (your Life Path, Expression, Heart's Desire, Personality, and Birth Day number) tend to carry more weight than cycles do. However, cycles, like your Personal Year cycle, can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

John, your Personal Month for July-2026 is 1

July is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

There is a distinct possibility that you will be able to break out of unrewarding patterns. You may even consider a career change or start your businesses. It is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved you may meet someone, but the relationship, while intense and passionate, may not be a lasting one.

July is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts that will help your career and other endeavors.

YOUR MONTHLY COMPATIBILITY FORECAST

John and Jane, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

Your Personal Month's Compatibility for July is 1 and 1

John and Jane, you share the same cycle number.

This period promises to be one of new beginnings, new directions, and a greater understanding of each other. It is an exciting time full of energy and awakening to new goals and priorities. It can also bring renewed energy to the relationship, sparking a heightened level of maturity that makes it stronger and more stable.

A temporary disruption is common at the beginning of a new cycle, and the changes you go through will require adjustments to the relationship. Sharing your feelings, doubts, and questions will be more important than ever, so communication is key.

Try to devote time to each other away from your daily routines, allow for recent changes to be absorbed, and be open to each other's evolving priorities and goals. If you are unable to stay connected and current with each other's growth, you may end up feeling like you have been separated for some time and need to rediscover each other.

A word of caution: You are both experiencing a cycle of drive and determination, so there is an increased potential you might butt heads and be less compromising than usual when it comes to disagreements. The key is patience and tact; if you give each other an opportunity to express themselves and genuinely try to understand each other's viewpoints, you should be fine.

In short, this should be a good period for both of you, leaving you more confident and capable of handling obstacles and taking advantage of opportunities.

John, your Personal Month for August-2026 is 2

August requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month, but an anticipated reward or recognition may go to someone else, much to your dismay. Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month. You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is favorable, your feelings run deep and your ability to communicate them is enhanced. A good month to spend extra time with your lover.

Jane, your Personal Month for August-2026 is 2

Jane, you have the same Personal Month as John

Your Personal Month's Compatibility for August is 2 and 2

John and Jane, this is a period when emotions rule the day for both of you. After the changes you experienced during last cycle's dynamic energy, you are probably ready for things to slow down a bit. This cycle will bring support from others to help you further your goals in all areas of your life.

The main challenges and changes in this cycle will relate to the deeper aspects of your relationship. This period will find you more vulnerable and sensitive to anything related to the heart. Where a small argument may have made barely a dent before this cycle, a similar confrontation could easily become a major issue. You will need to be particularly sensitive to each other and take advantage of every opportunity to convey your love.

With advanced notice that this period could be particularly emotional, you can remind yourselves - and each other - not to let minor irritations fester. Take care when approaching critical issues you may not agree on.

Over the course of this cycle, you will likely find your love for each other is maturing and growing stronger (even if some outbursts occasionally cause turmoil). But this will only be true if you express your love as well as your need for each other's attention. The best way to move through this period is to prioritize your relationship without succumbing to extreme emotions.
