YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

Your First Period Cycle is 1 and lasts until age 34

The first part of your life, through your late 20's or early 30's, is a period of much intensity. When the 1 dominates, it requires fortitude, courage, and flexibility. You are forced to use every one of your talents to achieve individuality and independence. This is a period of integration and focusing on your life's dreams.

Your ability to stay the course is repeatedly challenged, but adequate resources become available to assist you. Resilience, independence, and fortitude are required. As you strengthen these characteristics, they become an integral part of your personality and help you to emerge stronger for it. This cycle marks a time of progress in your development.

YOUR SECOND PERIOD CYCLE

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

John, your Second Period Cycle is 1 and lasts until age 61

The middle years of your life (approximately ages 30 to 60) find you on an intense path of personal growth. You are required to adapt frequently to the many ups and downs in your life.

When 1 rules the second Period Cycle it focuses on self-empowerment. To facilitate this, situations occur that force you to dig deep to find the courage required to face your challenges. You have love and support, but circumstances will often demand that you rely heavily on your own strengths.

Fortunately, throughout this approximately thirty-year period, you often have confirmation that your gut feelings are correct and feel you are moving in the right direction. You will likely find yourself in

a leadership position, strengthening your self-confidence even more.

YOUR THIRD PERIOD CYCLE

The Third Cycle represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.

John, your Third Period Cycle is 9 and lasts for the rest of your life

The later part of your life finds you increasingly idealistic and concerned with the betterment of humankind. You become more broadminded and reach out to people from all walks of life. You offer your time and resources to causes you believe in. Your interests are increasingly directed toward other cultures and societies. Your sense of justice and your interest in political and humanitarian issues becomes more finely tuned. Whereas most people "mellow out" with age, you find yourself becoming more passionate.

Your creativity increases during the latter part of your life, with a focus on design and large-scale projects. You may be inspired to study design, engineering, or architecture.

YOUR FIRST PINNACLE CYCLE

Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's. This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.

John, your First Pinnacle Cycle is 2 and runs from birth until approximately age 34

John, this Pinnacle causes you to be extremely sensitive, intuitive, and full of insight. It is a period that requires patience and the development of inner awareness. You are being asked to use gentle power and persuasion to obtain your desired goals. Direct approaches, forceful displays, and confrontations will likely work against you. You will find the most satisfactory roles to be supportive.

You are now a gifted advisor, a diplomat and a peacemaker. Your insight into other people's feelings and motivations is so acute that you seem to be able to see right to the core of things. But rather than use these gifts to create differences between people, you must use them to create peace, to mend rifts, to harmonize.

Your challenge during this period is to bring balance to duality in every form, and at every level. You will recognize the value of both sides of an argument and be able to see the middle ground where peace can be made. You can create the atmosphere in which both sides can compromise and work harmoniously. You are the glue that keeps people and important projects together.

The weaknesses you must face and overcome are too much sensitivity. You may be tempted to indulge your feelings, to be too easily hurt. You may lack self-confidence, especially at the beginning of the Pinnacle when your heightened sensitivity and awareness make you conscious of your own shortcomings. You may succumb to fear and hesitation. All of this can lead to emotional turmoil. You need courage and the willingness to reach out for support.

Your sensitivity will make you acutely appreciative of beauty and harmonious environments. At the same time, you need beauty and harmony around you. You have an increased appetite for music

and the arts in general. You may find that your musical talents coming to the surface. If you do not already play an instrument, give in to any inclination to take one up.

A person in a 2 Pinnacle who uses his or her sensitivity, understanding, and insight is very appreciated by others. You may not fully realize just how much others appreciate and respect you. This may cause you to feel undervalued, or that you are not getting the recognition you deserve. You appear shy and humble, particularly if this is your first Pinnacle, but inside there is much pride that must be kept in check.

You may want to hide from the tumult of life, or from difficult situations. This may tempt you to color the facts in order to protect harmony. Be careful of this tendency, because it often backfires.

You have an eye for precision and detail. Your taste in all aspects of life is enhanced and you possess a certain class that others admire. If you make the most of these qualities, your appearance is considerably improved, making you both attractive and graceful.

YOUR SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

John, your Second Pinnacle Cycle is 1 and lasts until age 43 and runs from age 34 until age 43

This is a period requiring much independence, courage, resiliency, and initiative. You must bounce back after many difficult experiences. The challenge of this Pinnacle is to gain will power. There is not a lot of support from others or from family. You must draw from your own strength. You will have to guard against self-pity or surrender. Keep focused on your dreams. This Pinnacle will require an iron will to keep hold of your goals, and also the flexibility to maneuver around difficulties, and bend with the winds of adversity.

This is a period of rapid self-improvement and growth. You will be forced to use every talent and capability you possess. You will need to be resourceful. You must continually put out effort, but with it comes great reward. Without it, there is no accomplishment nor satisfaction, only a negative attitude toward life. Be careful not to become too self-centered, headstrong or self-important. Be strong but flexible. Be open to the counsel of others but make up your own mind.

The benefit of this Pinnacle number is a strong sense of your individuality and strength. You will know what you are made of. There are many hidden gifts in this period, perhaps the greatest of which is faith. Your Pinnacle provides you with the characteristics of leadership, boldness, and daring. You will have many unconventional ideas and the skill and courage to make them a reality.

Your abilities to manage and organize people and institutions are greatly enhanced. You have vision and confidence in the worth of your dreams.

These characteristics provide great opportunity for success and major accomplishments.

YOUR THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

John, your Third Pinnacle Cycle is 3 and lasts until age 52 and runs from age 43 until age 52

This is a highly creative period. Your self-expression is greatly enhanced. Your creative and artistic talents will peak. You should do everything possible to refine these abilities and make the most of them. Many under the 3 Pinnacle are drawn to writing, the theater, singing, and dance. Your chances of success are also heightened. Hard work in any artistic field that one has a talent for can result in much reward. This is also a highly social and emotional time. You attract friends and admirers with your charm and gregarious nature. You have the ability to inspire and motivate people. Your upbeat energy causes people to want to work with and for you.

This is a lucky period, as well. You can overcome problems with considerably less effort than in the past. All of this can lead to self-indulgence and lack of productivity. Life is a little easier, which can make you less vigilant. You need focus and discipline. Under the influence of this Pinnacle, hard work is the key and the challenge to making the most of your opportunities.

Be careful of impulsive behavior or doing things on a lark. You must know your limits during this period. Be careful of your money; balance your accounts. Guard against disorderly thinking and behavior. Otherwise, you may do things you regret or simply squander away so many opportunities.

Children born under this Pinnacle must be disciplined and kept from being spoiled. An early education in the arts will inspire the child to make the most of his or her artistic talents.

YOUR FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

John, You are repeating your Second Pinnacle Cycle

It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Your Essence for age 36 is 11

This is a time of enormous sensitivity and equally enormous change. Your intuition is galvanized. You are capable of even psychic experiences. But your awareness of the higher realms serves to throw a light upon all that is low and unenlightened in your own life. The contrast can be shocking. John, you are all-too aware of your shortcomings as a human being. This can drive you more deeply inward. You are extremely self-conscious. There may be feelings of failure and self-recrimination. These must be kept under control.

All of this stems from an element of shock present in your life. The very ground upon which your personality is based seems to have experienced an upheaval. This psychic quake can often be replicated by some event in your life. Consequently, your identity is shaken. It is a time to search within you. Are you happy with what you are doing? Is your work directly in line with your higher values and talents? This is a period of self-review in which you will have a great opportunity to set your life upon a more deeply spiritual and lasting foundation.

Consequently, you can make much progress and experience a great deal of future happiness as a result of this period. There is a realignment occurring that is putting you in touch with your deeper nature. The inner and the outer are now becoming one. It is a period of quickened psychological and spiritual growth.

Your intuition now will guide you safely from the storm. While your emotional life may be turbulent, your intuition gives you a sense that you are on the right track. In fact, you have not lost direction, but taken a quantum leap along your path. It can be a bit jarring, but altogether positive. Meditate, pray, seek out harmonious settings, take walks in the woods, and be close to nature. Let the inner self guide you to a greater happiness.

There can be many wonderful inner and even psychic experiences that reassure you of the love and support coming to you from the universe itself. It is a time of illumination on all levels. Make the most of it. Allow the higher forces to guide your rapid growth.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2029 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

Your Personal Year cycle for 2030 is 7

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level.

You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health.

It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, John, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Your Personal Year cycle for 2031 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength

and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large.

There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself clearer and more focused and able to pursue and reach your goals. Your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused.

There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know

your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Your Personal Year cycle for 2032 is 9

This is your year to finish up all unfinished business, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts.

On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with yourself. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Your creativity is higher than usual.

There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

Your Personal Year cycle for 2033 is 1

Be ready for major changes. You will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals. This is a time for vision and planning. Share your dream with others; make plans, get the necessary support, but, above all, rely on yourself as the driving force. Be decisive!

You are starting a new nine year Epicycle. Everything you do now will affect your future. Do not hold back the inner force of creation. Be direct, daring, and bold. You will have more confidence and determination this year, particularly in comparison with last year, which was a time of letting go. This year represents a time of birth. It's a time to take charge and to apply yourself to your dream.

This is also a good time to make the personal changes you have long wanted to make: Start a diet

and/or an exercise program, or begin a new course of study.

There may be some emotional turmoil, especially in the first two or three months. It takes a while to get the ball rolling. There are many changes you must make and much work to be done. Be open-minded, organized, and focused. Avoid distractions and procrastination. You are at a crossroads. You will need courage and a clear head to stay on the right track. This is a year of opportunities.

The key months in your year ahead are March, in which you are able to lay the foundation to your plans; April, in which changes take place such as a change of residence or career; July and August mark a time in which you will see the fruits of your labors begin to take place; October represents a major turn in events, often fraught with emotional turmoil; the fall marks a coalescing of your plans into more concrete form.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality after your birth day in 2026 is 1 and 3

Your 1 Essence will lend a bold, refreshing, ambitious state of mind, and your playful, creative 3 Personal Year has the potential to lighten things up. This is generally a positive combination, John, because when you are looking for a way to make a new start (consciously or subconsciously) having a more creative mindset can only help to expand the possibilities.

The challenge in this combination will likely be in choosing your goals carefully and keeping an eye on the details. Make sure your goal is achievable, as the scattered, somewhat irresponsible 3 can be impractical and unrealistic. Although you will be goal-oriented and striving for progress, actual success will require that you bring discipline and order into the mix. Without it, you could lose focus and manage your priorities poorly.

The 1 can be overly direct, even rude, and the 3 can be superficial. In combination, the influences have the potential to make you somewhat insensitive in your relationships. Additionally, you may find you would rather play, work, or pursue creative ideas than deal with emotions (your own and those of others). These distractions can make the 1 and 3 combination difficult for relationships,

particularly with friends and co-workers. Romance and family relationships are less likely to be negatively affected. Always important, try to take a gentler approach with personal relationships than you do in your career, and give time and attention to the needs of others.

Your Duality before your birth day in 2027 is 1 and 4

John, if reading about the progressive, dynamic energy of your 1 Essence, and your efficient, detail-oriented 4 Personal Year sounded promising for your career and other projects, you are correct. The traits of the 1 and 4 get along very well when handling practical, down-to-earth endeavors. However, other areas could be adversely affected by the combination.

Your 1 Essence directly affects your energy and state of mind. Its bold, aggressive nature will likely increase your desire to take charge, lead others, and tackle challenges. It is ambitious, independent, and courageous. You will likely find that co-workers and others in your professional life will support you. However, with its need to approach things carefully, the 4 in your Personal Year could dampen your drive.

Your Personal Year affects the external aspects of your life - events, your environment, and your circumstances. A 4 in this position demands a down-to-earth, detail-oriented approach. This could be frustrating, because you will not be in the mood to deal with particulars. Your bold 1 Essence could make you feel impatient and irritated by details you think are a waste of time and resources. During frustrating periods, it might be helpful to remember that "God is in the details," and deliberate attention to the little things will form the foundation for a favorable outcome. Discipline will be central to your success this year, and with your 1 Essence pushing for quick progress, there will be little room for procrastination.

If you are able to balance your highly motivated 1 attitude with proper organization and a persistent pursuit toward your goal, this could be one of your most successful years.

On a personal level, relationships with family, friends, and co-workers tend to be stable under this combination. Romance is less favored, as a 1 Essence can make you restless and quickly bored. If you are in a committed relationship, or interested in one, it may require extra effort and attention.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month for January-12 is 6

All during this month the focus is on your attitude towards friends, co-workers, and family members. You are in a position to improve relationships in all areas. You are warm, and more outgoing than usual. Others are attracted to your optimistic disposition, and several people close to you will come to you for advice and comfort. January may bring a turbulent new relationship into your life. The initial introduction may start off a little awkward, even cause some friction. You will need to be tolerant and understanding. Even if you feel sure that your point of view is correct, a hardheaded, stubborn approach is not beneficial. On the contrary, the true purpose of this conflict is an opportunity for you to reach out and earn the appreciation and respect of this person by freely demonstrating your own. Other, more practical changes are also in the picture. Many will make changes in their office, residence, or work routine.

You may get some strong signals that your career may receive a boost in the very near future, which only buoys your optimism.

If you are single, this is an excellent month to be social and meet new people.

Your Personal Month for February-12 is 7

February finds you more inwardly focused. Self-reflection and contemplation bring spiritual clarity and growth. At the same time, your career improves and you manage to impress important people. Doors that have been closed open and offer access to opportunities. Financially, this month may also show some progress but the emphasize is more on opportunities and your ability to take advantage of them.

Warnings are justified in two areas. Your dynamism and excitement may cause you to be somewhat insensitive at times. Also, you would rather plan and discuss future endeavors than to put forth the effort required to take full advantage of current opportunities. Key-words to make this month a success are caution and discipline.

If you are married or otherwise committed, you may feel a little distant from your partner. This is temporary and does not require any special attention. If you are single, romance is not a high priority. Minor health problems that have not been treated may come to the foreground. This is a good month to apply discipline to your eating habits and to step-up your exercise regimen.

Your Personal Month for March-12 is 8

Be careful in all financial matters this month. Issues involving money take center stage. More people go bankrupt or make a killing during this period than with almost any other number combination. Now, especially, you are required to balance the material and the spiritual. If you are considering a major purchase that

involves long-range financing -- such as buying a house or a car -- but you question whether you can fulfill the obligation, you would do well to wait until the second half of May before acting.

The worlds of work and personal relationships require an opposite approach this month. A certain amount of aggression in career and business matters is favorable. Promote your ideas. Put out effort. Work harder and longer than is required. On the other hand, your personal life requires patience and understanding -- both of others and yourself. You may want to clear the air between you and a loved one, but you have difficulty overcoming your fear of being misunderstood. Or perhaps you are not clear about what you feel. Try putting your thoughts on paper first to achieve a higher degree of clarity.

Your Personal Month for April-12 is 9

April brings a certain amount of completion in both your personal life and career. It is time to let go and prepare for new adventures. It is necessary to keep a close eye on the details, particularly those related to your finances. Check your bank balance regularly and make sure you save the receipts for deposits and other transactions. There are indications of up-coming changes in your work environment; you are in the unique position to move to the spotlight. Self-promotion is favorable. You are a little more emotional and vulnerable and may tend to make mountains out of molehills, however.

Someone you care about is leaving, being transferred, or going on a long trip.

Social events make this a hectic month and a certain amount of moderation and discipline is needed.

Your Personal Month for May-12 is 1

May brings a sense of freshness or a new beginning in your personal life and career. You are more energetic and decisive than last month; this will help you cope with the hectic pace this month brings. This is a time of opportunity and the need to adapt quickly. You have been selected to play an important role in some new endeavor. This is an opportunity to move your career forward but it requires courage and the willingness to sacrifice some short-term goals. Financially, this is a dangerous time because of the tendency to splurge.

If you are single, you may well be introduced to someone very interesting and attractive. If married, romance is rekindled. Still, new romantic relationships started under this number combination tend to burn out quickly. The attraction is physical and immediate but may falter as soon as it is put to the test. Even if you are already committed you may well find yourself eye to eye with someone very attractive, in which case you may have to show considerable restraint in order to avoid a situation you may later regret.

Your Personal Month for June-12 is 2

The 2 and 5 combination enhance your insight into the motivations and emotions of others. You play the role of counselor several times this month. Your intuitive powers are also enhanced, but this does not extend to money matters. It's not a good time to take financial risks. There are changes taking place in many areas of your life this year, and the general instability is felt strongly this month.

Study and reading are more favorable, especially when related to your career. The focus is on relationships at work and at home. You need to trust others enough to open up your heart and reveal your deeper feelings. This is a good time to release some bottled-up feelings.

Romance also plays an important role this month, particularly if you are involved in a relationship that originated fairly recent. Your enhanced sensitivity and intuition helps you to see the deeper meanings and values, which make the relationship stronger or . . . cause a permanent break. A critical issue here, is your ability to express your true feelings. Communicate!

An unexpected invitation to visit a friend or relative in some distant town may inspire you to pack your bags and go. This will turn out to be beneficial.

Your Personal Month for July-12 is 3

Money matters come to the foreground; debts are called in and close attention should be paid to your bank account.

Your ability to influence the ideas and opinions of others works in your favor and may create a new source of income. This is also a good time to promote yourself. If you have considered upgrading your resume or trying out for that new position you have been considering, now is the time to do it. A career change is also possible as a result of outside forces. You are more creative.

You feel somewhat restless and impulsive and are willing to take risks for the sole reason that you need a change. There is a tendency to be somewhat scattered and even a little irresponsible during this cycle.

Your domestic environment also becomes a source of restlessness and you may have to guard against irrational behavior from your side. At the same time, you reach out to old friends and relatives you have not been in touch with for some time.

Your emotional state is a little turbulent causing you to be moody. Try to maintain equilibrium. This is a month to be somewhat detached from the events and circumstances surrounding your life. Don't take yourself too seriously, and, if possible, take some time off for a vacation. It's a good

time to recharge your batteries.

Your Personal Month for August-12 is 4

Your career may be demanding and a bit frustrating this month. You need to attend to routine matters, some of which may be boring. This is not a time to slack. Don't procrastinate. Commit to your responsibilities and see projects through to completion.

This August could bring a welcome opportunity on the job front, but your success will depend upon your willingness to stand up for yourself, to take charge of circumstances, and refuse to be victimized by outside events. You need the courage to stand up for your beliefs, to "do the right thing. "

Make important changes in your life. Such as start a diet and/or exercise regimen, quit smoking, dedicate yourself to a good cause, and reconnect to your higher spiritual values. This is the month to make fundamental and positive long-term changes in your life.

It's important to demonstrate to those around you that you are dependable and can be relied upon. This affects both your work and love life. You will impress all of those around you with your sense of duty and trustworthiness.

Your Personal Month for September-12 is 5

The hectic pace of last month continues. However, the nature of activities is quite different. You are challenged to keep up with events and influences that, at times, appear out of your control. If you can be flexible and adaptable, you will cruise through this month comfortably and successfully. Let old plans, expectations, and concepts go. Otherwise, stress may take a physical toll. If you are willing to take the changes in stride and "go with the flow", you will find yourself in a better position in career as well as personal life by the end of this month.

This is an adventurous, dynamic, and progressive time, with less focus on details and routine stuff. Social events and romantic adventures highlight the month. The word "adventure" is the operative word: few romances that begin during this time have the emotional depth and substance needed to survive the test of time. However, any relationship begun now still has much to teach you about life and love, so be open to all the possibilities.

Be warned, however. You may have a tendency for over-indulging your senses this month. Moderation is wisdom.

Your health may cause you some concern. In most cases, this is the body reacting to changes that

have taken place during the course of this year and are only temporary. If problems persist, seek the advice of health counselor or physician.

Your Personal Month for October-12 is 6

October brings stability to the dynamic changes the year has presented. Expect increased responsibility, recognition, and perhaps a raise or promotion. This month shifts the focus to relationships with family and friends. You share greater closeness with loved ones and may find yourself giving and receiving comfort and advice. Loyalty and trust are fundamental to your wellbeing this month. If you are unwilling to trust or abuse the trust of someone else, you could experience the break-up of a relationship. Share your feelings.

If you are single, a new and lasting romance is possible. If you already have a relationship, this is the time to commit. All affairs of the heart are positively highlighted. Health problems will also take a turn for the better.

Your Personal Month for November-12 is 7

November, with the 7 playing such a major role, directs the focus to your inner self. Some people experience this month as lonely, but it doesn't have to be. You will be inspired to refine your understanding of your place in the universe. Spend time considering what you are going to do with the rest of your life. Search your soul, define your priorities, and plan your future. Study and read and think. You are observant and insightful.

Put romance, career, and financial matters on the back burner this month. There will be plenty of time for that later. If you direct all your effort toward honest self-confrontation, your future progress will be insured.

Your Personal Month for December-12 is 8

December will be rewarding in many areas of life. This is a good time for business and money matters. But don't indulge in spending money to impress others or flaunt your success.

The 8 Personal Month brings balance in all material matters. Expect some recognition in your working environment, perhaps a bonus or promotion. This is an excellent time to promote some of your ideas or any other input you have in relation to your career.

Romance is favorable too. Express your love.
