YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

Your First Period Cycle is 8 and lasts until age 34

An 8 during your first Period Cycle puts the focus on accomplishment at an early age. You likely grow up under some pressure, perhaps from an overbearing adult. Some children may experience this in a boarding school, foster care, religious organization or institutional environment.

A search for balance is the dominant influence when the 8 is present. Due to its focus on personal growth, extreme circumstances are often part of this cycle. You likely grow up in either a wealthy environment or hardship; part of a large family or as an only child; in a major city or somewhat isolated area. You have a need to modify extreme circumstances in your environment.

YOUR SECOND PERIOD CYCLE

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

Michael, your Second Period Cycle is 2 and lasts until age 61

The middle part of your life is a period for learning to tune into your sensitive, intuitive side. You are drawn to interact with people on a personal level. You recognize the subtle signs that reveal what others are experiencing, and your ability to influence people improves. You become more diplomatic and tactful and are able to diffuse potentially troubling situations.

However, you may also feel you are growing more fragile. Emotions play a large role during a 2 Period. It is your challenge to maintain a realistic perspective, and to stay grounded. Devoting time to the arts, especially music, ballet, theater, and other performing arts, helps you feel connected and involved.

YOUR THIRD PERIOD CYCLE

The Third Cycle represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.

Michael, your Third Period Cycle is 1 and lasts for the rest of your life

The latter part of your life will likely find you in a position of leadership. You act rather than react; you are an instigator, a self-starter. You may move in a new direction during this period. You will need to be proactive to overcome obstacles. Courage, self-confidence, and perseverance (more than the support of others) will be required to reach your goals.

Many people become less active or involved when they reach their later years; you experience renewed energy and drive. This is a period of integrating different aspects of who you are and focusing on your life's dream. The people who are close to you may suggest slowing down, but you are meant to make your greatest advancement later in life.

YOUR FIRST PINNACLE CYCLE

Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's. This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.

Michael, your First Pinnacle Cycle is 1 and runs from birth until approximately age 34

This is a period requiring much independence, courage, resiliency, and initiative. You must bounce back after many difficult experiences. The challenge of this Pinnacle is to gain will power. There is not a lot of support from others or from family. You must draw from your own strength. You will have to guard against self-pity or surrender. Keep focused on your dreams. This Pinnacle will require an iron will to keep hold of your goals, and also the flexibility to maneuver around difficulties, and bend with the winds of adversity.

This is a period of rapid self-improvement and growth. You will be forced to use every talent and capability you possess. You will need to be resourceful. You must continually put out effort, but with it comes great reward. Without it, there is no accomplishment nor satisfaction, only a negative attitude toward life. Be careful not to become too self-centered, headstrong or self-important. Be strong but flexible. Be open to the counsel of others but make up your own mind.

The benefit of this Pinnacle number is a strong sense of your individuality and strength. You will know what you are made of. There are many hidden gifts in this period, perhaps the greatest of which is faith. Your Pinnacle provides you with the characteristics of leadership, boldness, and daring. You will have many unconventional ideas and the skill and courage to make them a reality. Your abilities to manage and organize people and institutions are greatly enhanced. You have vision and confidence in the worth of your dreams.

These characteristics provide great opportunity for success and major accomplishments.

YOUR SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

Michael, your Second Pinnacle Cycle is 3 and lasts until age 43 and runs from age 34 until age 43

This is a highly creative period. Your self-expression is greatly enhanced. Your creative and artistic talents will peak. You should do everything possible to refine these abilities and make the most of them. Many under the 3 Pinnacle are drawn to writing, the theater, singing, and dance. Your chances of success are also heightened. Hard work in any artistic field that one has a talent for can result in much reward. This is also a highly social and emotional time. You attract friends and admirers with your charm and gregarious nature. You have the ability to inspire and motivate people. Your upbeat energy causes people to want to work with and for you.

This is a lucky period, as well. You can overcome problems with considerably less effort than in the past. All of this can lead to self-indulgence and lack of productivity. Life is a little easier, which can make you less vigilant. You need focus and discipline. Under the influence of this Pinnacle, hard work is the key and the challenge to making the most of your opportunities.

Be careful of impulsive behavior or doing things on a lark. You must know your limits during this period. Be careful of your money; balance your accounts. Guard against disorderly thinking and behavior. Otherwise, you may do things you regret or simply squander away so many opportunities.

Children born under this Pinnacle must be disciplined and kept from being spoiled. An early education in the arts will inspire the child to make the most of his or her artistic talents.

YOUR THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

Michael, your Third Pinnacle Cycle is 4 and lasts until age 52 and runs from age 43 until age 52

This is a Pinnacle of hard work and many rewards. You have the opportunity to build a foundation that will last. Your ability as an organizer, manager, or simply the rock of any institution is greatly increased. You are dependable and reliable. Your ability to fulfill responsibilities is likewise enhanced. As a result of your

industry and perseverance, success is well within your reach. It is a step-by-step process in which you build something by small bricks laid one after another.

You will find yourself caring for others in a very material way. Family and in-laws can be burdensome, since you are seen as the cornerstone of the foundation.

Your life is preoccupied with details and responsibilities that must be taken care of. You have set in motion projects that are your children, demanding your constant attention. While there are many rewards, there are also many frustrations. Your sense of your own limits and the consuming nature of details may at times seem overwhelming. You must remember that things that last require slow growth. You may mistakenly believe that your progress should be faster or happen with greater ease. The need for efficiency, orderliness, and methodical systems limit your creativity. Your challenge is to be flexible and adaptable. Learn to play more and allow yourself to be more spontaneous.

Children born under this Pinnacle will tend to be serious and affected by the financial limitations of their parents. The child may feel the need to leave home early and start a family of his own. He or she must be encouraged to be more farsighted and flexible. The child should avoid jumping into the harsh realities of life too soon.

YOUR FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

Michael, your Fourth Pinnacle Cycle is 9 and runs from age 52 until age death.

This is a period in which you must identify with some larger project or goal that is bigger than you, Michael. Your greatest satisfaction will be in providing for others, as well as for yourself. Those in business will draw much personal gratification in knowing that they are helping their employees support their families. Those involved in social activism -- a particularly appealing choice of careers during the 9 Pinnacle -- will feel themselves strengthened by the knowledge that they are advancing the safety and well-being of society. The 9 Pinnacle is a time in which you apply your energies to the good of the larger community. As a result, there is an element of self-sacrifice present. To some degree, you must subordinate your personal priorities to those of a larger cause. We are not suggesting martyrdom but making a conscious effort on your part to strike a balance between the good of your milieu and your own personal desires.

This is a good time for financial growth and progress in business affairs. It is a period in which you face a large challenge and must give yourself entirely to it.

The 9 Pinnacle also promises much reward in drama, writing and art. You have a heightened

esthetic sense, and any latent artistic talent you already possess will be enhanced and brought to the surface. If you have been in business, you may suddenly be drawn to the arts as a benefactor or patron, supplying support for theater productions or artists.

You will feel an increased sense of social responsibility and compassion for the many. You will want to help those less fortunate than yourself and will likely apply yourself to some social cause or philanthropy. This is a period in which you feel a greater love for the good of your community, country, and the world. Interestingly, you are not restricted by prejudice or boundaries of class or country. You see humanity as a whole. Your love is not personal, however, but for the many.

Many under the 9 Pinnacle are drawn to religion or philosophy and have the capacity to spread some doctrine or teaching. In short, you are highly idealistic. You will likely travel extensively during this period and meet people from many walks of life.

No matter what your area of expertise, you have a chance not only for success but for fame.

YOUR PHYSICAL TRANSIT

The individual letters of your name are used to find your Transits.

Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.

Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

Your Physical Transit for age 35 and 36 is M

35 for This is a time for hard work and a practical approach. You may appear reticent or remote which can create distance between you and those you are close to you; try to express your feelings. Relationships may be demanding and require more sacrifice.

Think carefully before making important decisions. Try not being impulsive and don't let your changing moods influence your direction. Take your time!

Your Physical Transit for age 37 is I

37 for This could be a particularly emotional time with many ups and downs. The I Transit can make you feel high-strung and vulnerable to stress - and somewhat accident prone. This period requires calmness, centeredness, and an acceptance of life. Do your best to control your moods and try not to slip into feelings of self-pity or insecurity. This year should also find you quite competitive, with opportunities to achieve success and financial reward.

YOUR SPIRITUAL TRANSIT

Your Spiritual Transit is based on your last name.

Your Spiritual Transit for age 35 and 36 and 37 is O

This is a time of strong emotional experiences, which can affect your health if you are not mindful. You may find yourself worrying unduly. It is likely that more responsibility will be placed on your shoulders, with sensitive, emotional issues involved. You will find yourself more interested in religious, philosophical, and physical studies. Your leadership abilities will be heightened during this transit.

YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Your Essence for age 35 and 36 is 1

You will now begin an entirely new phase of your life. You are on the threshold of a new beginning. Not only will fresh ideas come into your life, but you will accept and even embrace them. It is a time of radical change, and in all likelihood, you are ready for it. Now is the time to advance the new and let go of the old. All inefficient methods will have to be eliminated from your life. In the same way, you must let go of relationships that no longer serve your future. Discard habits and liabilities that you have been holding on to. A new identity is emerging, one that is efficient, innovative, highly creative, and courageous.

Your leadership qualities will rush to the surface. Your environment will demand that you stand up to challenges, and face difficulties head on. You can no longer hide from the truths of your life. The facts are now blatantly clear. Michael, you must make a stand. Change is a given. But you possess the power to make those changes. All you need is the will and the energy to enact your plan.

This is a period of struggle and great reward. You have the chance to achieve independence. But it will not be handed to you. You must wrest from old habits and inertia of the past.

As with all beginnings, this one will be marked by false starts and blind alleys. You will be forced to start again and again. You are like a baby learning to walk. There will be falls. You will have to persevere. This is a period in which your willpower will be tested. You are, in fact, forging your own determination. You must not give up. But the rewards are great. The general influences are raising you to new heights of independence, courage, and self-esteem. At the conclusion of this 1 Essence, your self- knowledge and self-respect will be greatly increased, as will your capacity to stand on your own two feet.

Your Essence for age 37 is 6

This is a time of responsibility, duty, family matters, and high ideals. Michael, you will be called upon to support others and maintain a high life condition while you do it. Others look to you as an inspiration and a source of guidance. There is an element of self-sacrifice present in that you must serve those closest to you.

Unselfishness and a willingness to be of help to others are the keys to your success.

You will likely experience advancement in business, career, and financial matters. Progress comes more easily during this period, as new opportunities open up to you. At the same time, your achievements bring added responsibility and new demands. You will have to devote yourself entirely to the task at hand to realize your goals.

This can be an emotional period, as family members may be demanding. The whole issue of love comes to the forefront. Your ability to love and be loved will become starkly clear. This is an essence during which many marriages and divorces take place. People discover how much they truly love their partner, or how little love they have in their lives.

Protect your family relationships. Work to maintain harmony in your home. Especially stay focused on the needs of children.

There can be a domineering figure in your life who can oppress you during this time. The key is to be balanced and centered when dealing with all authority figures. Refuse to act rashly or emotionally. Remain focused and in harmony with your long-term goals.

If you keep a strong hold on your ideals, you will gain many supporters and admirers. This brings many great rewards and much appreciation. New and lasting friends come into your life now, and many seek to advance you along the lines of your abilities.

There is a strong artistic urge present. Those with artistic talent, or already working in the arts, will find their abilities greatly enhanced, with many new and rewarding chances for advancement. Most people under the 6 Essence will improve their lives and experience growth in their career goals.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2026 is 2

This is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined. You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal. You may also experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans. This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared

for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even lifelong relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Your Personal Year cycle for 2027 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality for 2026 is 1 and 2

After reading your 1 Essence and 2 Personal Year chapters, Michael, you probably noticed the two cycles seem to conflict. However, although the 1 and 2 have opposing traits, the combination is not necessarily negative. At their best, these influences balance and supplement each other, not unlike a partnership where one partner is pushy and the other tactful. It is a marriage between uncompromising force and diplomacy.

But there will also be moments when the two clash. Your 1 Essence state of mind will feel bold, ambitious, and goal-oriented during a period when your 2 Personal Year will often demand cooperation and a sensitive, diplomatic approach. This will require a balancing act. When you feel impatient or realize you are forcing an issue, consider taking a slower, more considered approach and be open to the opinions of others. Keep in mind that forgoing immediate gratification in the interest of reaching long-term goals is usually a prerequisite for success.

Your willpower and ability to blow past obstacles can make you a force to be reckoned with this year. Your main challenge will most likely be controlling your impatient, audacious attitude in favor

of a more harmonious approach.

Although not always the case, you will find that the gentle approach works most successfully in your personal life, while your career benefits from a driven, goal-oriented attitude. When you deal with practical and professional matters, take a no-nonsense, direct approach (let your 1 Essence rule). When relationships are involved, especially in your personal life, employ the 2's cooperative, tactful demeanor.

To highlight the conflicting nature of these cycles, consider this: your main challenge under this Duality is to strengthen your independence and individuality; it is the purpose of a 1 Essence. However, the events and circumstances that commonly take place during a 2 year have the potential to leave you emotionally vulnerable and manipulated by others. Knowing this, you can take steps to protect yourself during a period when you will likely feel more sensitive than usual.

Your greatest assets this year will be your ability to relentlessly pursue your goals, and your talent for gaining the trust and support of others.

Your Duality before your birth day in 2027 is 1 and 3

Your 1 Essence will lend a bold, refreshing, ambitious state of mind, and your playful, creative 3 Personal Year has the potential to lighten things up. This is generally a positive combination, Michael, because when you are looking for a way to make a new start (consciously or subconsciously) having a more creative mindset can only help to expand the possibilities.

The challenge in this combination will likely be in choosing your goals carefully and keeping an eye on the details. Make sure your goal is achievable, as the scattered, somewhat irresponsible 3 can be impractical and unrealistic. Although you will be goal-oriented and striving for progress, actual success will require that you bring discipline and order into the mix. Without it, you could lose focus and manage your priorities poorly.

The 1 can be overly direct, even rude, and the 3 can be superficial. In combination, the influences have the potential to make you somewhat insensitive in your relationships. Additionally, you may find you would rather play, work, or pursue creative ideas than deal with emotions (your own and those of others). These distractions can make the 1 and 3 combination difficult for relationships, particularly with friends and co-workers. Romance and family relationships are less likely to be negatively affected. Always important, try to take a gentler approach with personal relationships than you do in your career, and give time and attention to the needs of others.

Your Duality after your birth day in 2027 is 6 and 3

Michael, a 6 Essence inspires a warm, caring state of mind and the willingness to take on more responsibility. It is a pragmatic, harmonious influence for your career as well as personal

relationships. The 6 helps you feel more stable and comfortable with your emotions, which attracts others seeking support, comfort, and advice.

The chapter on your Personal Year talked about creativity, communication, optimism, and inspiration. It also mentioned the lack of focus and light-hearted (if not frivolous) attitude common to the 3. It is easy to see where the responsible, caring traits of the 6 might conflict with the playful, sometimes superficial manner of the 3.

The 3, although generally a good communicator, often flounders when dealing with serious emotionally charged matters (the opposite way a 6 would respond). Being aware of this incompatibility can help you devote added attention to important personal relationships and inspire you to communicate more intimately.

The 3/6 combination is good for business, career, and other productive endeavors, especially if your job requires personal interaction and creativity. Artists, lawyers, skilled artisans, entrepreneurs, and retailers are well supported. This team is not as well suited for those who deal with personal issues on a deeper level (psychologists, social workers, educators, and healers). Although therapeutic and instructional careers suit the 6 Essence, it does not fit as well when the 6 is present in a 3 Personal Year.

On the upside, your creativity will be enhanced by both cycles, a double windfall for your imagination, originality, and ability to view challenges from a fresh and unique perspective. This aspect is especially helpful for people in highly creative careers and work that requires innovative ideas. Additionally, the 6 Essence is often offered more responsibility, which could expand your range of duties and involvement and make promotion and progress more likely.

This team is also favorable for the early stages of romance when fun, humor, and charisma are important. The 3 easily delivers these upbeat qualities, and the generous, loving 6 is its perfect complement.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month for August-2026 is 1

August brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last month's bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm. Well, that's what this

month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

You will be introduced to new people and, if you are not already involved, one may turn into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

Your Personal Month for September-2026 is 2

This is an 11/2 Month. The number 11 (referred to in numerology as a Master number), is highly charged, sensitive and intuitive. You are extremely perceptive. Dreams are full of insight and seemingly irrational, and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of molehills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Your Personal Month for October-2026 is 3

You need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts and ideas that

you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure but avoid stressful situations this month. Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions in the area of romance.

Your Personal Month for November-2026 is 4

November is time to get down to business, to focus on work, and finish anything left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture? You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success. The best way to balance such determination is to get in touch with nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Your Personal Month for December-2026 is 5

December brings changes and restlessness. You feel a need to be with others, to be social, to laugh and talk and enjoy yourself. You receive opportunities to travel and will meet a new and exciting person on a trip away from home. This person inspires and motivates you to try something new, to get off the beaten path and

take a chance.

This is a month that could bring quite a few surprises, most of which invigorate you. It is a dynamic time that brings information and knowledge from unexpected sources. You want change. You are ready to try a new direction, which causes you to see your career with new eyes. You are in an adventurous mode and willing to take a risk.

This month requires courage and flexibility. There are new opportunities awaiting you and it is up

to you to prevent them from slipping by.

Your love relationship is in a vulnerable state, and some suppressed anxieties need to be released. You are somewhat impulsive and may need to force yourself to slow down. You experience a bit of self-indulgence. There is a need for self-discipline.

Your Personal Month for January-2027 is 4

January offers opportunities for progress in your career. You are inspiring and motivating to yourself and others and know how to express your ideas. Your creativity is enhanced. You find original solutions and manage to implement them.

Your co-workers and superiors are impressed. You are optimistic and light-hearted this month, which further enhances your work situation. However, you will tend to be impulsive and may find yourself with your foot in your mouth. Make sure you have the information to back up any claims. You also may tend to procrastinate, which can spoil opportunities and damage your career.

January is a month to be on your toes and take full advantage of a favorable combination of cycles. If you have considered remodeling or redecorating your house or starting a gardening project, now is the time to get started.

Marriage or a romantic relationship takes on more depth.

Your Personal Month for February-2027 is 5

February brings changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected trip. Carefully prepared plans confront the unexpected: events and people you had not expected. If you are flexible and not afraid of changes will enjoy this month. However, if you rigidly try to stick to

expectations and refuse to adapt, you may experience a difficult time in which almost nothing works out, no matter how hard you try.

February is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. You are open and childlike and for that reason very attractive to others. A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and

control your appetite for whatever excesses tempt you.

Your Personal Month for March-2027 is 6

March brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible since the theme of this month is to be committed to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships. Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

Your Personal Month for April-2027 is 7

April represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within.

Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer insight into your life's direction.

Your Personal Month for May-2027 is 8

May brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year. May is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are. For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt. You are in a generous mode and feel blessed with so many good friends, but when it comes to commitment, you may want to wait a couple of months, when you are more realistic in these matters.

If you are not involved in a relationship, a coincidental meeting with a person from the past sparks a romance.

Your Personal Month for June-2027 is 9

June brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot put your finger on. It is a time to let go of many old things and prepare for the new.

You have had some good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period. The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is worth holding on to will stay. The rest will go.

Your Personal Month for July-2027 is 1

July is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

There is a distinct possibility that you will be able to break out of unrewarding patterns. You may even consider a career change or start your businesses. It is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved you may meet someone, but the relationship, while intense and passionate, may not be a lasting one.

July is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts that will help your career and other endeavors.

Your Personal Month for August-2027 is 2

August requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month, but an anticipated reward or recognition may go to someone else, much to your dismay.

Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month. You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is favorable, your feelings run deep and your ability to communicate them is enhanced. A good month to spend extra time with your lover.
