YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

Your First Period Cycle is 11 and lasts until age 31

The first part of your life is a period of slow and patient development. You are acutely sensitive to your surroundings and highly intuitive. You possess a gift for peacemaking, and early on discover the power of gentle persuasion. This is a time to cultivate your talents for tact, diplomacy, and cooperation with others.

Musical and other artistic talents are developed. Partnerships become important, requiring understanding and compromise. Patience and flexibility are essential for success. Your gentle, cooperative attitude attracts others who are happy to support you. Seeking beauty, harmonious environments, nature, and close companionship brings contentment. This is a period of slow but steady progress.

YOUR SECOND PERIOD CYCLE

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

Teddy, your Second Period Cycle is 8 and lasts until age 58

The 8 Period Cycle usually bodes well for work, career, and financial reward. This is a time when power falls to you but must be used wisely and with purpose. You likely find yourself in a position of authority and leadership. Vision and a willingness to take risks are necessary to advance your career or business. However, there is a danger of being duped by get-rich-quick schemes.

With balance as its most essential quality, the statement "You reap what you sow" applies to the 8 more than to any other number. With effort and diligence, financial reward is almost guaranteed. However, if cutting corners or opportunism is the driving force behind your professional life, financial ruin could just as likely be the result. The 8 is rarely neutral regarding punishment or

reward.

YOUR THIRD PERIOD CYCLE

The Third Cycle represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.

Teddy, your Third Period Cycle is 22 and lasts for the rest of your life

This cycle carries enormous potential for establishing a lasting institution or teaching that will greatly benefit others. You have the ability to manifest a concept, dream, or invention. Your talents as a builder, organizer, and visionary are at their peak.

You discern the needs of others and create constructive and practical plans to fulfill those needs. You commit yourself entirely to the work at hand. For many, this dream lasts a lifetime and requires every ounce of energy and talent. An all-consuming role beckons but provides a great sense of personal accomplishment and reward. You possess an ability to make a lasting contribution to the well-being of humanity.

YOUR FIRST PINNACLE CYCLE

Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's. This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.

Teddy, your First Pinnacle Cycle is 1 and runs from birth until approximately age 31

This is a period requiring much independence, courage, resiliency, and initiative. You must bounce back after many difficult experiences. The challenge of this Pinnacle is to gain will power. There is not a lot of support from others or from family. You must draw from your own strength. You will have to guard against self-pity or surrender. Keep focused on your dreams. This Pinnacle will require an iron will to keep hold of your goals, and also the flexibility to maneuver around difficulties, and bend with the winds of adversity.

This is a period of rapid self-improvement and growth. You will be forced to use every talent and capability you possess. You will need to be resourceful. You must continually put out effort, but with it comes great reward. Without it, there is no accomplishment nor satisfaction, only a negative attitude toward life. Be careful not to become too self-centered, headstrong or self-important. Be strong but flexible. Be open to the counsel of others but make up your own mind.

The benefit of this Pinnacle number is a strong sense of your individuality and strength. You will know what you are made of. There are many hidden gifts in this period, perhaps the greatest of which is faith. Your Pinnacle provides you with the characteristics of leadership, boldness, and daring. You will have many unconventional ideas and the skill and courage to make them a reality. Your abilities to manage and organize people and institutions are greatly enhanced. You have vision and confidence in the worth of your dreams.

These characteristics provide great opportunity for success and major accomplishments.

YOUR SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

Teddy, your Second Pinnacle Cycle is 3 and lasts until age 40 and runs from age 31 until age 40

This is a highly creative period. Your self-expression is greatly enhanced. Your creative and artistic talents will peak. You should do everything possible to refine these abilities and make the most of them. Many under the 3 Pinnacle are drawn to writing, the theater, singing, and dance. Your chances of success are also heightened. Hard work in any artistic field that one has a talent for can result in much reward. This is also a highly social and emotional time. You attract friends and admirers with your charm and gregarious nature. You have the ability to inspire and motivate people. Your upbeat energy causes people to want to work with and for you.

This is a lucky period, as well. You can overcome problems with considerably less effort than in the past. All of this can lead to self-indulgence and lack of productivity. Life is a little easier, which can make you less vigilant. You need focus and discipline. Under the influence of this Pinnacle, hard work is the key and the challenge to making the most of your opportunities.

Be careful of impulsive behavior or doing things on a lark. You must know your limits during this period. Be careful of your money; balance your accounts. Guard against disorderly thinking and behavior. Otherwise, you may do things you regret or simply squander away so many opportunities.

Children born under this Pinnacle must be disciplined and kept from being spoiled. An early education in the arts will inspire the child to make the most of his or her artistic talents.

YOUR THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

Teddy, your Third Pinnacle Cycle is 4 and lasts until age 49 and runs from age 40 until age 49

This is a Pinnacle of hard work and many rewards. You have the opportunity to build a foundation that will last. Your ability as an organizer, manager, or simply the rock of any institution is greatly increased. You are dependable and reliable. Your ability to fulfill responsibilities is likewise enhanced. As a result of your

industry and perseverance, success is well within your reach. It is a step-by-step process in which you build something by small bricks laid one after another.

You will find yourself caring for others in a very material way. Family and in-laws can be burdensome, since you are seen as the cornerstone of the foundation.

Your life is preoccupied with details and responsibilities that must be taken care of. You have set in motion projects that are your children, demanding your constant attention. While there are many rewards, there are also many frustrations. Your sense of your own limits and the consuming nature of details may at times seem overwhelming. You must remember that things that last require slow growth. You may mistakenly believe that your progress should be faster or happen with greater ease. The need for efficiency, orderliness, and methodical systems limit your creativity. Your challenge is to be flexible and adaptable. Learn to play more and allow yourself to be more spontaneous.

Children born under this Pinnacle will tend to be serious and affected by the financial limitations of their parents. The child may feel the need to leave home early and start a family of his own. He or she must be encouraged to be more farsighted and flexible. The child should avoid jumping into the harsh realities of life too soon.

YOUR FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

Teddy, your Fourth Pinnacle Cycle is 33 and runs from age 49 until age death.

Under this Pinnacle you will be very involved with family, friends, and your community. You will face an increase in responsibilities and duties, but you have a greatly enhanced sense of balance and perspective that allows you to handle emotional issues well. Your family demands much of your attention. Matters involving spouse and children require much security, love, and sacrifice. You are the centerpiece of your family, the one people come to for solace and understanding. You may feel an increased burden, as you carry the cares of many. You will experience a deep sense of being needed.

This Pinnacle is full of love, closeness, and warmth, but you must rise to the challenges that close relationships bring. You must settle and bring harmony to personal conflicts between others. You are often the only one with perspective in a conflict. It is as if you are the keeper of justice, bringing understanding and compromise to situations that are polarized. Under the influences of this Pinnacle -- especially at its outset -- people are often married or start families. Children are born, in-laws come into your life. You are the nucleus of a little world.

You must maintain your dignity. This is a period that makes it easier to sacrifice, but you can overdo it, becoming a doormat for others to step on simply to maintain a degree of peace. Know your limits and maintain healthy relationships.

This is a fine period for growth in business and financial matters. You attract people with resources who can help to further your personal goals. Moreover, you are balanced in your approach to business affairs. This can bring many rewards.

Your heightened sense of harmony and your genuine compassion makes you an excellent counselor and healer, especially if you already have native talent in any of these areas. Personal health matters can also surface, causing you to reflect on diet, exercise, and other health habits. Your desire to help others is also increased. But this can lead you to poke yourself into situations where you do not belong or delve too deeply into other people's personal affairs. Be careful not to meddle or interfere.

The 33/6 Pinnacle is a time of progress and growth as a full human being. You are capable of developing yourself in many different directions -- as a loving mate and parent; a sound businessperson; and as a pillar of your community. The time requires the balance you possess, since you can easily stretch yourself in too many directions and ultimately feel burned out by the demands in your milieu.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2026 is 2

This is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined. You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal. You may also experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans. This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared

for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even lifelong relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Your Personal Year cycle for 2027 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Your Personal Year cycle for 2028 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

Your Personal Year cycle for 2029 is 5

This is a year of dynamic change. Many surprises will come your way. Be open and ready to embrace new opportunities. Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you

will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you. There will be increased opportunity to travel and possibly a change of residence. You will have some unexpected adventures and lucky breaks this year.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

Your Personal Year cycle for 2030 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality in 2026 is 3 and 2

Teddy, after reading your 3 Essence and 2 Personal Year cycles, you may be concerned about the influence of this team. The 3's potential for mood swings, combined with the sensitive, emotional aspect of the 2 sounds taxing. Not to worry, the 2 and 3 are generally well balanced and harmonious - as long as each gets to play its role without too much interference from the other.

The 2 focuses on relationships, and the 3 is easygoing and social. This combination often introduces new people and strengthens existing relationships. This is due, in part, to the heightened sensitivity and intuition of the 2, which can enhance your ability to read facial expressions and body language. You may not be able to explain how you know what someone is feeling - you just know. Additionally, your intuition and increased sensitivity can help you to act more instinctually.

Your 3 Essence lends a positive, upbeat outlook that should be helpful in personal matters and well as your career. However, this lighthearted influence also produces challenges, with its tendency to be unfocused and impulsive. Although the 2 brings a practical, realistic energy (as all

even numbers do) the 3 won't make it easy. Without a determined effort to stay focused, you may find yourself easily distracted and tempted to leave projects unfinished. Procrastination and the ability to keep track of details could be additional concerns. Pay close attention to your finances and think twice before committing to long-term obligations. The combination of optimism and unfocused energy can lead to poor decision making.

What is missing in this combination is a willingness to stand up and be counted. Between the good natured, somewhat mischievous 3 and the tactful, non-confrontational 2, you might feel others are running the show. It would serve you to remember that it is up to you, and no one else, to be an active participant in your life.

Your Duality in 2027 is 6 and 3

Teddy, a 6 Essence inspires a warm, caring state of mind and the willingness to take on more responsibility. It is a pragmatic, harmonious influence for your career as well as personal relationships. The 6 helps you feel more stable and comfortable with your emotions, which attracts others seeking support, comfort, and advice.

The chapter on your Personal Year talked about creativity, communication, optimism, and inspiration. It also mentioned the lack of focus and light-hearted (if not frivolous) attitude common to the 3. It is easy to see where the responsible, caring traits of the 6 might conflict with the playful, sometimes superficial manner of the 3.

The 3, although generally a good communicator, often flounders when dealing with serious emotionally charged matters (the opposite way a 6 would respond). Being aware of this incompatibility can help you devote added attention to important personal relationships and inspire you to communicate more intimately.

The 3/6 combination is good for business, career, and other productive endeavors, especially if your job requires personal interaction and creativity. Artists, lawyers, skilled artisans, entrepreneurs, and retailers are well supported. This team is not as well suited for those who deal with personal issues on a deeper level (psychologists, social workers, educators, and healers). Although therapeutic and instructional careers suit the 6 Essence, it does not fit as well when the 6 is present in a 3 Personal Year.

On the upside, your creativity will be enhanced by both cycles, a double windfall for your imagination, originality, and ability to view challenges from a fresh and unique perspective. This aspect is especially helpful for people in highly creative careers and work that requires innovative ideas. Additionally, the 6 Essence is often offered more responsibility, which could expand your range of duties and involvement and make promotion and progress more likely.

This team is also favorable for the early stages of romance when fun, humor, and charisma are important. The 3 easily delivers these upbeat qualities, and the generous, loving 6 is its perfect complement.

Your Duality in 2028 is 6 and 4

Teddy, having a 6 Essence during a 4 Personal Year is fortunate in a number of ways. Both are even numbers (making them realistic and practical) which can help business, career, and projects thrive. This well-matched team helps improve negotiating skills, time management, and efficiency. It also lends support for your personal and work-related relationships.

Your 4 Personal Year affects the events and circumstances around you. Its focus is on steady progress and getting things done. With its eye for detail, it is positive for legal matters and finances as well.

Your Essence number influences your feelings and state of mind during this period. The practical, realistic mindset of the 6 will be welcome support for the disciplined 4. It also lends a warm, caring demeanor to balance the 4's detail-oriented focus.

The 4 and 6 team make this a good year for home improvement projects, lifestyle changes - you should find it easier to be more disciplined - and managing health issues.

A drawback of having both cycles ruled by practical numbers is their tendency to be rigid. This can inhibit your creativity, making you less inclined to think outside the box or view problems from a fresh perspective. Still, it has the potential to produce considerable progress in many areas of your life.

There are a few things to watch out for. Although your relationships will generally fare well, you might be more sensitive than usual during this period. This could lead to being overly dramatic, and possibly prone to jealousy or gossip.

Your Duality in 2029 is 3 and 5

After reading your 3 Essence and 5 Personal Year texts, you may have felt the influences had much in common. However, although both are outgoing, social, and dynamic numbers, they are not an ideal pairing.

Teddy, this year's cycle combines the adventurous, dynamic, freewheeling 5 with the creative, playful, innovative 3. Although these are all promising traits, they require stability and focus to materialize their energy and creativity. Both cycles stem from odd numbers that lack the practical traits needed to make this an easy prospect. It will be your job to bring stability and efficiency to

the table.

The 5 will bring considerable change and unexpected turns of events in both your professional and personal lives. The combination can also affect personal habits - you might lose or gain weight, quit smoking, or begin exercising. More often than not the changes are positive. This is surprising when you consider discipline and self-control do not come easily to either the 3 or 5. A decision to make changes in your lifestyle will mainly stem from your desire to experience new things and the general sense of "fun" these influences inspire.

Relationships are sometimes challenged under the 3 and 5. The 3 could make you seem irresponsible or superficial. And since the 5 desires freedom from constraint, you may be less willing than usual to sacrifice for others. Romance, however, is favored by this combination, especially when it involves brief, exciting connections. If you are a committed partner, you may need to make extra effort to nurture your relationship. If you are single and meet someone new, you would be wise to guard against making promises you may not be able to keep.

Since the practical, grounded traits common to even numbers will be missing during this period, you will need to fill those gaps yourself. This is a period when you could easily fritter away your days on trivialities, and emerge a year later wondering what you did with all that time. It will require extra effort to realize your dreams, but this year's creative, energetic influences should give you much to work with.

Your Duality in 2030 is 3 and 6

Teddy, when a 3 Essence takes place during a 6 Year, it bodes well for business, career, and project-related activities, but is not as favorable for personal relationships. After reading about your people-oriented 6 Year, and your light-hearted, cheerful 3 Essence cycles, this may surprise you, because both numbers have a positive, socially well-adjusted nature. However, in combination, these influences have the potential to affect relationships negatively.

The challenge stems, in part, from the 3's tendency to misread the motivations and needs of others. Although the 3 is charismatic and generally has enviable verbal skills, it is often at a loss when discussing matters of depth and intimacy. Although this could be difficult for your romantic relationships, dealings with clients, neighbors, and co-workers generally fare well, as they require little depth and no emotional ties. Your deeper relationships demand more, and that same jovial, surface approach can affect them negatively.

Most years, a 3 Essence would be relatively harmless, but this is a 6 Year, which is rarely a normal year for matters of the heart. Basically, it is not the most favorable time to deal with relationship issues - and a 6 Personal Year promises plenty of that. Being aware of this can prevent hurt feelings and emotional upsets. Listen carefully, think before you act, and most of all,

take the feelings of those you care about seriously.

Fortunately, the opposite is true for your professional and productive life. When it comes to practical matters and creative ideas you should excel. You are equally adept at promoting yourself (and your ideas) and garnering support. In addition, with your energy, enthusiasm, and creative potential, you will likely be asking for more responsibility or to expand your range of duties. This makes promotion and progress more likely.

Your Duality before your birth day in 2026 is 2 and 2

Teddy, when the two most important yearly cycles are ruled by the same number, both their advantages and disadvantages tend to have a stronger effect. When you read your Essence and Personal Year cycles, you may have noticed the influences are fairly similar. This is precisely why the positive and negative effects are more pronounced - a double number concentrates their traits, unbalancing the scales.

Combined, the cycles carry a double dose of over sensitivity and emotionality. This can make you feel more vulnerable, subjectively focused, and emotional in your romantic and personal relationships. Additionally, you may find it more difficult to differentiate between what is good for you and what is not, which could lead to poor choices. The lack of pragmatic, realistic numbers (and their characteristics) is one reason you could find this more challenging. You will benefit considerably from trying to apply common sense and objectivity to emotional issues. Also, try not to take life too seriously - things may feel more stressful than they really are. A double 2 Duality can make us more sensitive to physical issues as well. Make it a point to adopt healthy habits this year.

Your professional life should be affected more positively, especially if your career involves considerable interaction with others. The 2's enhanced intuition can help you persuade others to your cause, and your enhanced cooperative nature will likely gather support. However, you might not be as decisive as you could (and should) be. Try to focus on your goals without getting sidetracked by minor issues. Strengthening your motivation, ambition, and personal power are the main ingredients for making this combination as successful as it can be.

Your Duality after your birth day in 2026 is 3 and 2

Teddy, after reading your 3 Essence and 2 Personal Year cycles, you may be concerned about the influence of this team. The 3's potential for mood swings, combined with the sensitive, emotional aspect of the 2 sounds taxing. Not to worry, the 2 and 3 are generally well balanced and harmonious - as long as each gets to play its role without too much interference from the other.

The 2 focuses on relationships, and the 3 is easygoing and social. This combination often introduces new people and strengthens existing relationships. This is due, in part, to the

heightened sensitivity and intuition of the 2, which can enhance your ability to read facial expressions and body language. You may not be able to explain how you know what someone is feeling - you just know. Additionally, your intuition and increased sensitivity can help you to act more instinctually.

Your 3 Essence lends a positive, upbeat outlook that should be helpful in personal matters and well as your career. However, this lighthearted influence also produces challenges, with its tendency to be unfocused and impulsive. Although the 2 brings a practical, realistic energy (as all even numbers do) the 3 won't make it easy. Without a determined effort to stay focused, you may find yourself easily distracted and tempted to leave projects unfinished. Procrastination and the ability to keep track of details could be additional concerns. Pay close attention to your finances and think twice before committing to long-term obligations. The combination of optimism and unfocused energy can lead to poor decision making.

What is missing in this combination is a willingness to stand up and be counted. Between the good natured, somewhat mischievous 3 and the tactful, non-confrontational 2, you might feel others are running the show. It would serve you to remember that it is up to you, and no one else, to be an active participant in your life.

Your Duality before your birth day in 2027 is 3 and 3

Teddy, after reading your Essence and Personal year cycles, you probably sensed this could be a fun, creative year - and you're right. However, when both cycles stem from the same number (and, therefore, the same traits and influences) they have the potential to create imbalance. Having a doubled influence can concentrate too much time and attention to a limited area of your life.

The playful, creative, optimistic 3 could make it difficult for you to maintain focus and follow through on plans. If you are unable to bring discipline and order to your endeavors, you could find you are often a little too slow or too distracted to take advantage of opportunities or reach your goals.

As inefficient and disorganized as these cycles can be, their upside is the inspiration, imagination, and creativity they deliver. The charismatic 3 should enhance your ability to communicate, persuade, and inspire. But again, if you do not take care of practical necessities and day-to-day responsibilities, you may not be able to materialize those unique and potentially lucrative ideas.

Your challenge this year is to stay grounded and rational. Make a concerted effort to plan carefully and follow through. This can be a very fertile period, especially if your career requires creativity and thinking outside the box (artists, entrepreneurs, etc.) but it will also require focus and determination to be successful.

This could be a tricky time for relationships. The combination is favorable for a new vibrant romance, but less favorable for long-term unions. Keep in mind that, mentally and emotionally, you may not feel especially grounded during this period. This can make situations having to do with the "foundation" of your life (including long-term relationships, career, and even your home environment) more challenging than usual. The best approach for balancing disproportionate 3 energy is through realistic, efficient, and productive effort. Your playful, creative side will come easily - staying focused and disciplined will render this time exciting and fruitful.

YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Your Essence for age 41 is 11

This is a time of enormous sensitivity and equally enormous change. Your intuition is galvanized. You are capable of even psychic experiences. But your awareness of the higher realms serves to throw a light upon all that is low and unenlightened in your own life. The contrast can be shocking. Teddy, you are all-too aware of your shortcomings as a human being. This can drive you more deeply inward. You are extremely self-conscious. There may be feelings of failure and self-recrimination. These must be kept under control.

All of this stems from an element of shock present in your life. The very ground upon which your personality is based seems to have experienced an upheaval. This psychic quake can often be replicated by some event in your life. Consequently, your identity is shaken. It is a time to search within you. Are you happy with what you are doing? Is your work directly in line with your higher values and talents? This is a period of self-review in which you will have a great opportunity to set your life upon a more deeply spiritual and lasting foundation.

Consequently, you can make much progress and experience a great deal of future happiness as a result of this period. There is a realignment occurring that is putting you in touch with your deeper nature. The inner and the outer are now becoming one. It is a period of quickened psychological and spiritual growth.

Your intuition now will guide you safely from the storm. While your emotional life may be turbulent,

your intuition gives you a sense that you are on the right track. In fact, you have not lost direction, but taken a quantum leap along your path. It can be a bit jarring, but altogether positive. Meditate, pray, seek out harmonious settings, take walks in the woods, and be close to nature. Let the inner self guide you to a greater happiness.

There can be many wonderful inner and even psychic experiences that reassure you of the love and support coming to you from the universe itself. It is a time of illumination on all levels. Make the most of it. Allow the higher forces to guide your rapid growth.

Your Essence for age 42 is 3

Your ability to express your self will reach an all-time high. Any talent you possess in the arts -- especially in writing, acting, or other performing arts -- will be greatly enhanced. This is a period of success through personal creativity. You have much opportunity to advance yourself and career through your own personal expression, charm, and creative talent. This is a social time, filled with much fun and friendship. You will feel lighter, fresher, and more alive than in previous years. It is as if life has relieved you of a burden, allowing the more creative, upward, and joyful energies to flow more freely.

People are naturally attracted to you. They sense your joie de vivre, your spirit, and creativity. Your challenge is to focus your heightened creativity on a worthwhile task. Discipline is essential. Choose a goal worth reaching. Pour your energies into something that will last. In this way, you will emerge from this period having accomplished something worthwhile, and learned to harness your creative abilities. If you fail to focus, you will likely spend your opportunity and creative urges on loose talk, superficiality, and socializing.

This is an emotional period. The upward, heart-centered energies are peaking, bringing with them many old emotional issues. You can easily exaggerate the importance of an unkind word, or react too emotionally to a troubling situation. In short, you need perspective now.

Teddy, you are in a highly volatile period, making you highly creative, sensitive, and given to emotional mood swings.

You are highly romantic and given to fantasy. There can be many wonderfully romantic times; however, it is important to avoid being swept away by your fantasies. Do not fail to see people for what they are.

This is a time when you will learn the value of your personal expression, and your own uniqueness. It is a time of personal accomplishment and advancement.

Your Essence for age 43 is 6

This is a time of responsibility, duty, family matters, and high ideals. Teddy, you will be called upon to support others and maintain a high life condition while you do it. Others look to you as an inspiration and a source of guidance. There is an element of self-sacrifice present in that you must serve those closest to you.

Unselfishness and a willingness to be of help to others are the keys to your success.

You will likely experience advancement in business, career, and financial matters. Progress comes more easily during this period, as new opportunities open up to you. At the same time, your achievements bring added responsibility and new demands. You will have to devote yourself entirely to the task at hand to realize your goals.

This can be an emotional period, as family members may be demanding. The whole issue of love comes to the forefront. Your ability to love and be loved will become starkly clear. This is an essence during which many marriages and divorces take place. People discover how much they truly love their partner, or how little love they have in their lives.

Protect your family relationships. Work to maintain harmony in your home. Especially stay focused on the needs of children.

There can be a domineering figure in your life who can oppress you during this time. The key is to be balanced and centered when dealing with all authority figures. Refuse to act rashly or emotionally. Remain focused and in harmony with your long-term goals.

If you keep a strong hold on your ideals, you will gain many supporters and admirers. This brings many great rewards and much appreciation. New and lasting friends come into your life now, and many seek to advance you along the lines of your abilities.

There is a strong artistic urge present. Those with artistic talent, or already working in the arts, will find their abilities greatly enhanced, with many new and rewarding chances for advancement. Most people under the 6 Essence will improve their lives and experience growth in their career goals.

Your Essence for age 44 is 6

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month for January-2026 is 3

January brings you optimism and energy. The drive and enthusiasm that emerged during the second half of last year is still with you, along with a caution born of inner change and the emotional ups and downs that arose during the previous 18 months. You're aware of your need for support, cooperation, and advice. And this month, you find yourself establishing closer ties and better communication among those with whom you live and work.

You are also reflective and relaxed. Take the time to play and laugh. Reach out to friends and loved ones. Communicate your ideas freely. You and your plans will be supported, which will heighten your optimism about the future.

Romance is an important part of this months' experiences, and the chances are good that you may meet someone special.

Your Personal Month for February-2026 is 4

You realize early this month that progress depends on your willingness to work diligently and remain focused on details. You feel capable and confident, but as your effort increases -- and the hours pile up -- you may become frustrated with the slow response of others. Keep your nose to the grindstone, and if necessary put in overtime. Don't try to dodge the bullet; bite down on it and keep going. Meanwhile, be willing to cooperate, listen to others, and tactfully communicate your convictions, as well as your doubts.

February is an excellent month to improve your financial position, particularly through better management. Due to consistent and patient effort, a raise or profitable business deal is in the cards.

Relationships tend to be a little shaky for most of this month. Teddy, you may be somewhat irritable and lack patience as a result of stress and emotional turmoil in your work-environment.

Maintaining a well-ordered environment and avoiding procrastination will help you bypass much emotional stress.

Your Personal Month for March-2026 is 5

March brings some relief from last months' frustrating efforts to persuade others and to keep track of the details. This month will be hectic with some unexpected changes. Don't try to plan everything down to its final detail. Instead, be flexible and adapt to whatever comes your way. The expression "being in the flow", is instructive for most of this month, and you will be astonished by coincidences in which timing is crucial. Don't make financially risky decisions, especially involving business. Checking and double-check all your facts before going forward with your plans. Be skeptical! However, your ability to promote yourself, your plans, or a product is enhanced.

There will be many social events and opportunities. Take advantage of them. The chances of meeting new people who can support you in your endeavors are especially good. A letter or phone call from someone you haven't heard from in a long time may surprise you.

It's high noon for romance but be warned. You may not be as discriminating and cautious as you should be. Allow your rational mind to take a critical look at flattering admirer(s).

Your Personal Month for April-2026 is 6

Matters of the heart come to the foreground. Romance is now at the top of your list of opportunities. On the other hand, the month brings instability to outdated relationships, and some may end. You become aware of the need to let go of certain people, although final good-byes may not occur until July or early August of this year.

Your family and friends need more attention. You may find yourself playing the roles of mediator, comforter, and counselor. You'll be the one to offer the proverbial shoulder to cry on this month. A younger person, particularly, needs your love and attention.

There is an increase in your workload and responsibilities due to a promotion - or one that may be in the offing. The change may well bring financial rewards. April is a good time for finances, particularly those related to real-estate.

Your Personal Month for May-2026 is 7

May leads to powerful self-discoveries and intuitive perceptions. It is a highly spiritual time, causing you to withdraw from the hustle and bustle of daily life. Your focus is inward. You find yourself contemplating the mystery of your existence, your purpose in life, and your direction. You find yourself taking time off to read or meditate. It's an excellent time to take a vacation, but you may want to avoid group activities.

Social demands will make you irritable and out of sorts. Be with yourself or enjoy meaningful

discussions with someone close to you. In this way, you may deepen your marriage or romantic relationship.

It is a time for wisdom and insights, even premonitions and revelations that have little to do with intellectual effort but are the result of heightened awareness and a free-flowing channel between your sub-conscious and your conscious. Be particularly alert to your dreams and the direction and insight they offer.

Your Personal Month for June-2026 is 8

The time is ripe to reach out and receive some of the fruits of your labors. It is a harvesting time, but the rewards are still dependent upon good relations with co-workers. Ask for a promotion, or a raise. Let those in the right positions know that you value the recognition and respect they bestow upon you.

You are in the right state of mind to deal with some tricky personality-clashes; solve communication problems; turn enemies into friends, and in many ways manipulate events through gentle persuasion. The numbers 2 and 8 allow you to handle sensitive issues with tact and diplomacy, as well as with authority and decisiveness. It is a good time for negotiations in every area of your life, personal as well as professional.

Romance is very favorable but can be spoiled by money issues. On the other hand, domestic affairs can be troublesome and can leave you feeling powerless unless you are willing to cooperate. Leave such issues alone for now. The domestic scene is better handled in July, when dealing with relatives is easier and goes more smoothly.

Your Personal Month for July-2026 is 9

July is both emotional and demanding. It is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. This is a testing period for relationships in all areas of your life. The 9 and 2 combination -- diplomatic, sensitive, and service oriented numbers -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have out-grown. This month is your opportunity to avoid becoming an emotional and material packrat. July is a time to empty your cup and make room for new gifts coming your way. It is a transition period. You will likely experience deep emotions, even nostalgia, and melancholy. At times, you may feel exhausted. Such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level. You are not entirely

conscious of all that is happening, and consequently you may have difficulty expressing your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself, and your sacrifice will help you achieve stability and inner strength. This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

July is a month that requires balance: you are feeling emotional, but at the same time you must also focus on the needs of others. If you indulge too much in your feelings, especially self-pity, you will suffer more self-doubt than if you remain balanced between your needs and service to others.

Your Personal Month for August-2026 is 1

August brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last month's bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm. Well, that's what this month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

You will be introduced to new people and, if you are not already involved, one may turn into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

Your Personal Month for September-2026 is 2

This is an 11/2 Month. The number 11 (referred to in numerology as a Master number), is highly charged, sensitive and intuitive. You are extremely perceptive. Dreams are full of insight and seemingly irrational, and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity.

Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of molehills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Your Personal Month for October-2026 is 3

You need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts and ideas that you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure but avoid stressful situations this month. Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions in the area of romance.

Your Personal Month for November-2026 is 4

November is time to get down to business, to focus on work, and finish anything left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture? You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success. The best way to balance such determination is to get in touch with nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Your Personal Month for December-2026 is 5

December brings changes and restlessness. You feel a need to be with others, to be social, to laugh and talk and enjoy yourself. You receive opportunities to travel and will meet a new and exciting person on a trip away from home. This person inspires and motivates you to try something new, to get off the beaten path and take a chance.

This is a month that could bring quite a few surprises, most of which invigorate you. It is a dynamic time that brings information and knowledge from unexpected sources. You want change. You are ready to try a new direction, which causes you to see your career with new eyes. You are in an adventurous mode and willing to take a risk.

This month requires courage and flexibility. There are new opportunities awaiting you and it is up to you to prevent them from slipping by.

Your love relationship is in a vulnerable state, and some suppressed anxieties need to be released. You are somewhat impulsive and may need to force yourself to slow down. You experience a bit of self-indulgence. There is a need for self-discipline.

YOUR PERSONAL DAYS

The following daily forecasts cover the date range selected in Set Cycles.

January 1, 2026 — BALANCE - A 4 DAY

Hello Teddy, today's numbers are 4, 3, 1

Conflicting energies are present, so your challenge today is to find a balance between them. The 4's discipline and attention to detail is crucial for a successful day, but the upbeat, highly creative attitude of the 3 can also be a valuable asset. The conflict stems from the 4's desire to be focused and efficient, while the playful, imaginative 3 can be somewhat scattered.

The 4 dominates, which means you should have the support necessary to channel your projects and ideas into something worthwhile. It will probably take a little more effort to access the enhanced creativity provided by the 3. Distractions may feel more annoying than usual, as your irritation threshold could be low today. People requesting your time might also cause frustration.

On the upside, you have an opportunity to overcome a persistent obstacle that has been an annoyance for some time, probably in your work life.

Try not to allow the potential push-and- pull of the day to distract you from your goals.

January 2, 2026 — SPINNING THROUGH SPACE - A 5 DAY

Hello Teddy, today's numbers are 5, 3, 2

Odd numbers have the floor today, bringing with them a lack of direction, instability, and little in the way of predictability. On the plus side, it increases your power of self-expression and delivers inventive energy, inspiration, motivation, and creativity. Making those traits work for you, however, will require effort and willpower - traits that are weak in both numbers. The 3 and 5 are like performers on stage with plenty of enthusiasm, but without a script or choreography. Finding purpose and staying grounded could be a challenge all month, but especially in the first two weeks.

You have three additional days ruled by the 5 this month, but they each have at least one even number to help balance its somewhat chaotic energy. Today, the only even number is 2, but its role is weak. Consequently, important business and financial decisions might be better handled another day.

Alternatively, consider implementing healthy lifestyle choices. Paying extra attention to your health could help you stay focused and productive.

January 3, 2026 — KNOW WHO TO TRUST - A 6 DAY

Hello Teddy, today's numbers are 6, 3, 3

You may not feel particularly energetic early in the day. This could be due, in part, to yesterday's restless, unfocused energy. If you feel a little low, it should pass as the day progresses.

Opportunity often emerges on a 6 day and today's combination suggests it could include dealing with personality issues and/or making some sort of sacrifice on your part. An offer of support is possible today. If so, much will depend on your willingness to trust and accept the source. You might also find yourself caught in a battle of wills. In this case, sticking to your position will likely be your best approach. You may be somewhat gullible today, so watch for that in either scenario.

Romance is another area where blind trust is not recommended today.

January 4, 2026 — LOOK INSIDE, AND FIND A MIRROR - A 7 DAY

Hello Teddy, today's numbers are 7, 3, 4

A 7 day tends to move your focus inside. This can be highly beneficial, but it sometimes brings up feelings of doubt about yourself or your circumstances. It can also make you feel detached from others. You may not be in the mood to let them in today.

Although much of the month may feel spiritually and intellectually somewhat superficial (in trade for enhanced creativity and optimism) today is an exception. A little soul-searching could be of benefit.

Today's combination suggests you may sense you have lost touch with important basic elements in your life, or goals you have had for many years. You might feel a little lonely, or perhaps just alone. If so, it is likely due more to your inwardly focused state of mind, than an actual lack of people you love and who love you.

The influence today could find you with your head in the proverbial clouds, so exercise caution when dealing with anything mechanical. If possible, avoid long-term commitments and money issues, and put romance on the back burner.

January 5, 2026 — MAKE SOME \$\$\$ - AN 8 DAY

Hello Teddy, today's numbers are 8, 3, 5

Today is a good day for finance and business. This is the first 8 day of an otherwise playful,

somewhat aimless month. An aggressive, decisive approach will support this ambitious influence.

There is also a negative side to the 8. This number, more than any other, pushes us to right old wrongs (our wrongs). It often does this by revealing the consequences of our previous actions.

As for the heart, you may feel you are being misunderstood or misjudged. If so, it could be a result of yesterday's sense of isolation, coupled with today's focus on the pragmatic, materialistic side of life. Neither scenario is favorable for romance. No worries. The feeling will pass.

Make it a social evening; find a way to relax and have fun.

January 6, 2026 — TRUE FRIENDS - A 9 DAY

Hello Teddy, today's numbers are 9, 3, 6

Today is about letting go, and shifting priorities can affect your relationships. If changes are afoot, or you are having doubts about a friendship or other relationship, try to approach it with forethought and compassion. Today's influences could make you feel a little disconnected, which can affect your outlook and decisions. Be cautious and make an effort to avoid outcomes you might regret.

The combination of a 3 month and a 9 day can have a strange emotional effect - one moment you might be upbeat and engaging, and the next feel withdrawn and distant from your friends or co-workers. No worries, mood swings should pass with the day.

All numbers in play today are creative, making this a good day for finding innovative solutions and thinking outside the box. However, important financial or business decisions, and promising long-term commitments might be better handled another day.

January 7, 2026 — A DECISIVE DAY - A 1 DAY

Hello Teddy, today's numbers are 1, 10, 3, 2

The combination of 3 and 1, like yesterday's 3 and 9, should help you think outside the box and find unique solutions. However, where yesterday's energy was relatively gentle, today's 1 brings a more aggressive, decisive attitude. This has the potential to help with important decisions. However, it also creates a tendency to generate unrealistic plans. Bounce your ideas off others and listen to their feedback, but don't let it temper your enthusiasm too much.

Overall, this is a combination that works well in almost any career or business, except medicine and finance. These highly structured environments generally need a more controlled influence

than today's numbers provide.

It's a good day for socializing and romance. However, you may need to guard against allowing any simmering domestic issues to escalate.

January 8, 2026 — RELATIONSHIPS COME FIRST - A 2 DAY

Hello Teddy, today's numbers are 2, 11, 3, 1

Today, light shines on relationships and your ability to communicate clearly. There is a heightened opportunity to resolve personality issues - yours as well as others. You may also find opportunities to improve relationships in your work environment today.

A downside of this combination is that it can make you more sensitive to criticism and other interactions you perceive as hurtful, interactions that would not bother you as much on other days.

A 2 based on 11 enhances your intuition, so premonitions should be heeded. If you had vivid dreams last night, they also deserve reflection.

It's a good day for decorating, gardening, and home repair. Romance is favorable; pay attention to someone special.

January 9, 2026 — A CLEAR VIEW - A 3 DAY

Hello Teddy, today's numbers are 3, 12, 3, 0

Today should have a very different feel compared to yesterday. Although it may lack focus, it carries a positive, upbeat feel. The downside could be a tendency to waste time, burning energy with little to show for it. Not to worry, your focus and effort should return soon enough (tomorrow, in fact).

The main influence today lends the ability to view things differently, with fresh eyes. A change in perspective can sharpen your understanding and bring renewed clarity.

Serious decisions in finance, business, and career would likely be better handled another day. The clarity mentioned above applies to ideas and concepts. It favors creativity and the world of the imagination, rather than practical concerns. Handle important responsibilities, but this is one day when procrastination might be forgiven.

The 3 enhances charisma so romance is highly favored, especially if you are single.

January 10, 2026 — STRENGTHEN YOUR FOUNDATION - A 4 DAY

Hello Teddy, today's numbers are 4, 13, 3, 1

You may be asked to commit to something you do not have the time or inclination for. Think twice before saying yes; it is probably a better day to focus on the duties and responsibilities you already have. Put your nose to the grindstone and slog through whatever is on your desk or at the top of your to-do list. Today's theme is accomplishment.

Yesterday was not a favorable day for practical matters, so a little procrastination allowed more time for creative endeavors. Today is the exact opposite. The 13 is the enemy of laziness and delays; it often reveals results from a time when we failed to take action, particularly if we lacked the discipline required to move forward. On the upside, when we complete our tasks, we gain the satisfaction of a job finally completed.

Opportunities for improving your financial situation will be based on research, due diligence, and effort. It is not a favorable day to gamble or take chances.

If possible, relationship issues are better avoided. This is a day for practical and material concerns.

January 11, 2026 — A RESTLESS DAY - A 5 DAY

Hello Teddy, today's numbers are 5, 12, 3, 2

Today's 5 could deliver changes in your work or home environment, alter your schedule, or require unplanned travel. Fortunately, its energy is versatile which should help you adapt to changing circumstances. To gain the most from the day, you will need to be flexible and think on your feet.

People who are in a position of influence could help further your cause or project. The day may feel chaotic, but it has the potential to move you in the right direction. This will be especially true if you do not resist the unexpected.

You should do well if you are in a people-oriented career, such as sales or marketing. If your work is more structured you might experience bouts of boredom or dissatisfaction instead. If this is the case, try to find an outlet for your restlessness.

January 12, 2026 — FAMILY MATTERS - A 6 DAY

Hello Teddy, today's numbers are 6, 15, 3, 3

Issues with family members or close friends could take center stage today, demanding your time and attention. A 6 day in a 3 month can produce misunderstandings and unfulfilled expectations

(mainly with personal relationships).

The outlook is more favorable for career and finance, especially if you are in banking, accounting, or a similar business. A windfall or a breakthrough is possible. However, there is a downside to this combination too. If you recently postponed or ignored legal or government obligations, they could come to the forefront today. Double-check deadlines for taxes, payments, and other things that could adversely affect your good name and credit.

Your sense of timing might be a little off tonight. Also, unexpected demands or disruptions could put a damper on your evening plans.

January 13, 2026 — BALANCING FORCES - A 7 DAY

Hello Teddy, today's numbers are 7, 16, 3, 4

The upbeat, imaginative 3 and the thoughtful, introverted 7 create a special kind of beauty when their traits are combined. Part childlike joy, part mature wisdom, the influence is almost always positive.

Today, your 7 is based on 16, bringing a spiritual or philosophical quality to the fore which in turn could produce knowledge and insight. However, this inwardly directed energy could be easily missed or ignored if you are too focused on the external demands of the day.

If possible, take yourself out of the rat race and enjoy a long walk, or sit on the porch doing nothing. A quiet evening alone could be beneficial to your health and your state of mind.

January 14, 2026 — ATTITUDE IS HALF THE JOB - AN 8 DAY

Hello Teddy, today's numbers are 8, 17, 3, 5

A day that combines imagination and originality with business and financial opportunity is today's positive match. Your challenge is to apply your vision and enhanced self-expression in a focused manner. If you are in a position to negotiate, your heightened communication skills should help you do so easily.

The proof of success will probably not be instantaneous, however. The result of your efforts will more likely come nine days from now when your 8 returns, this time based on the 26.

Career and business is usually impacted favorably when the 8 and 3 team up. Sometimes, however, their combined energy is too unpredictable. Think of this as being behind the wheel of a boat with a very powerful motor - if you cannot control that power, you might find yourself in the water.

January 15, 2026 — WRAP THINGS UP - A 9 DAY

Hello Teddy, today's numbers are 9, 18, 3, 6

Somewhat similar to nine days ago (the 6th), today's combination could bring shifting priorities. It has the potential to cause upheaval, and can affect relationships. You may find that you are a little impatient and irritable. Be careful not to cause a rift you might regret later.

The 9 represents completion of some kind. With the 18 hiding behind this 9, it is a time for personal issues, business, and financial matters to finalize (rather than begin). It is rarely the best time to start things or make long-term commitments. This includes signing contracts.

This number sequence often points to an old issue, possibly involving a relationship where someone's overbearing attitude made you uncomfortable. If that rings true, today may give you some insight that could resolve it, and leave you feeling relieved.

January 16, 2026 — FRICTION AND PROGRESS - A 1 DAY

Hello Teddy, today's numbers are 1, 19, 3, 2

This should be a good day to take on issues or projects you have been avoiding. The 1 is helpful with financial and business decisions, especially when a creative, original, or daring approach is called for. When the 1 enters the picture (particularly when it is based on 19) the wind is at your back.

There could also be confrontations today. Someone or something may challenge you, slowing you down. If so, stick to your guns but avoid getting angry.

Relationship issues are less favorable due to the 1's aggressive undertone; you may not be at your most tactful or diplomatic today. Loved ones might complain about the lack of attention. It is a good night to spend time with them and acknowledge their needs.

January 17, 2026 — TAKE A BREATHER - A 2 DAY

Hello Teddy, today's numbers are 2, 20, 3, 1

You may find you are not brimming with confidence today. The 2 based on 20 can bring doubt, particularly with decisions related to love and romance. It can also heighten your sensitivity a little too much, which can make you more vulnerable to emotional overload or nervousness. On the plus side, your intuition should be more on target than usual.

The result might be having clear insight into the problems of others, but uncertainty as to the roots

of your own. If this is your experience, being active and creative (less thinking and more doing) might improve your clarity.

Spend time with someone you are close to tonight, and turn what may be a somewhat cloudy day into a fun, social evening.

January 18, 2026 — CREATIVE AND CHARISMATIC - A 3 DAY

Hello Teddy, today's numbers are 3, 21, 3, 0

During a 3 month, your creativity has the potential to manifest in every area of your life. Today brings an additional 3, which could heighten your creativity even more. It can also positively affect your charisma, sense of humor, and imagination.

The 3 delivers an upbeat energy to your daily routine, but will likely feel unfocused. This could make it more difficult than usual to complete any one project.

Your enhanced communication skills should help you compel others to see things your way. This translates into support, so progress is likely even if the day lacks focus.

Business and financial decisions are not as supported, so you may want to leave that for another day. Romance and socializing are both favorable, however - perfect for the charismatic 3.

January 19, 2026 — BE PRACTICAL - A 4 DAY

Hello Teddy, today's numbers are 4, 22, 3, 1

Today is a good day to show others you are dependable and your word is as good as gold. The 4 is a rock-solid number. When it is based on 22, it lends the support you need to make things manifest.

Apply yourself. Use this day to your advantage by concentrating on practical and financial matters. Today's energy is decidedly yang, that is to say focused, contracting, binding, and solidifying.

It is not a favorable day for fantasies, cutting corners, or unrealistic schemes. Also, try not to procrastinate or ask others to handle your responsibilities - it is a day to show what you can do.

At the end of such a productive day you might find yourself low on energy. Make it a quiet, relaxing evening.

January 20, 2026 — DYNAMIC AND ADVENTUROUS - A 5 DAY

Hello Teddy, today's numbers are 5, 23, 3, 2

It is a great day to exercise freedom in all areas of your life. This particular combination of 5 and 3 is interested in expansion (yin, as opposed to yesterday's contracting yang). This is especially true when the 5 is based on 23. It is definitely a day to try something new.

There is an underlying energetic energy today, but it might also feel somewhat chaotic. This could create some anxiety, a little like a carnival ride - exciting and unnerving at the same time.

Sales and self-promotion are favored under this combination. The influence of the 5 helps you to be quick-thinking and versatile, which can be useful in your work and projects (if you can stay focused). Important long-term decisions might be better handled another day.

This number sequence is less focused on relationships than on having fun, so it may not be the best night for a heart-to-heart discussion. It is a good night to be social. Be mindful, though, you might have an urge to overindulge.

January 21, 2026 — LEAN TOWARD THE POSITIVE - A 6 DAY

Hello Teddy, today's numbers are 6, 24, 3, 3

You may feel like you are operating at a slower speed today, with less momentum and drive. If so, guard against moodiness or irritability by surrounding yourself with people you enjoy.

The 3 combined with 6 (based on 24), can bring communication issues to the surface. Today's combination suggests it would most likely involve people you are close to. Jealousy, envy, or a perceived lack of responsibility or sharing could be issues. There could also be a temptation to indulge in gossip or blame.

On the positive side, this combination brings healing and teaching opportunities. Its loving, sacrificing nature obtains satisfaction from helping others. Focusing on the positive aspects of these caring, creative numbers can help you avoid the (potential) pitfalls in communication mentioned earlier.

The 24 is almost always favorable for career and business, especially for increasing your sphere of influence and control. This is especially true if you work in the legal field or law enforcement.

January 22, 2026 — THE BIG QUESTIONS - A 7 DAY

Hello Teddy, today's numbers are 7, 25, 3, 4

The idea of making a bucket list later in life is understandable, but it is important to add meaning to your life at every age. The highly internal and spiritual 25/7 joins the creative, original 3 today, supporting contemplation on what you want from life. This exercise does not always deliver insight relating to your practical life, but it can help you reach a fuller understanding of what you feel is important for true happiness.

If possible, take time to analyze your circumstances or reflect on your goals. Although self-reflection can bring insight, doubt or melancholy sometimes follows. If so, try to stay focused on the present. If you find yourself dwelling on regrets about what might have been, you could miss the opportunity to make a tiny inroad into this inner quest.

Career, business, finance, and romance are less supported today. If possible, devote time to yourself tonight.

January 23, 2026 — RELATIONSHIPS AND REWARD - AN 8 DAY

Hello Teddy, today's numbers are 8, 26, 3, 5

This is the third 8 day this month. Today's 8 hides a 2 and a 6, a positive combination for opportunity. Success, however, could hinge on your ability to deal with subtle personality issues. Tolerance, fairness, and openness will be necessary ingredients.

Relationships and money matters are usually connected when the 26/8 rules. Consequently, today's opportunities will likely revolve around relationships rather than tangible business or financial prospects.

It is a day of favors and rewards. However, the seeds planted today may take a few days to materialize.

Romance is supported, but so is the danger of getting into hot water with someone you love (due to the potential for personality issues mentioned above). Even so, don't be afraid to show your vulnerable side.

January 24, 2026 — TIME IS ON YOUR SIDE - A 9 DAY

Hello Teddy, today's numbers are 9, 27, 3, 6

The 9 brings a noble bearing that can impress others. Combining poise with business can bring positive results. The highly creative 3 and 9 combination enhances your imagination and your originality. It inspires others to work with you - to be a part of your project and creative energy.

On the downside, today's number sequence can exaggerate fears and limitations, generally a

result of an overly active imagination. Consequently, you may find yourself worrying about the future more than usual. Also, today's 9 is based on 27, which lends philosophical or spiritual overtones to the way you view your relationships.

It is a good night to spend with friends.

January 25, 2026 — MOVING FORWARD - A 1 DAY

Hello Teddy, today's numbers are 1, 28, 3, 2

Today's combination asks you to rely on yourself instead of the advice and support of others. A favorable outcome may require courage and a willingness to sacrifice a short-term goal or reward in trade for a long-term objective. Criticism or confrontation is also possible; don't be afraid to stand up for yourself. Today's forceful, independent 1 and verbally gifted 3 should help.

In addition, the 28 might call attention to money matters, most likely involving personality issues. This is where we find a contradiction. If a financial matter does not require an immediate decision, consider postponing it for at least three days, when the practical, methodical 4 rules the day.

This combination is favorable for romance, especially if you are single.

January 26, 2026 — EMOTION AND INTUITION - A 2 DAY

Hello Teddy, today's numbers are 2, 29, 11, 3, 1

You may feel more sensitive and intuitive than usual today. Vivid dreams are common under this combination, and premonitions are possible, especially during the period when you drift between sleep and wakefulness. Contemplate the dreams you had last night; they could be a source of insight.

Your third 2 day of the month, this one is based on 29 and 11, which can help you gain emotional clarity. However, this instinct-driven combination also has a dark side that sometimes engages in white lies, gossip, and jealousy.

Love and romance could have an amplified effect on you today, as you are more sensitive and vulnerable than normal. With the focus on emotional rather than practical concerns, it is not the most favorable day for important business or financial decisions.

January 27, 2026 — LET YOUR HAIR DOWN - A 3 DAY

Hello Teddy, today's numbers are 3, 30, 3, 0

Enhanced charisma, optimism, and a sense of humor are part of today's number sequence. You may find you are more communicative than usual today, perhaps even a little chatty. This type of energy can help you influence others, even those not easily swayed.

However, you could also feel a little scattered and unfocused. This can make it difficult to complete projects, or keep track of minor issues like getting to appointments on time.

With a double 3 ruling today's cycles, you may feel hemmed in by responsibilities and commitments. If possible, move non-essential matters to another day and focus on things that just can't wait.

Romance is highly favored and it is a good night to socialize. But be aware a little restraint might be wise. There is a saying that children and drunks have powerful guardian angels. The same could be said about the double 3. Still, it's best not to push your luck.

January 28, 2026 — EFFORT AND SUCCESS GO HAND IN HAND - A 4 DAY

Hello Teddy, today's numbers are 4, 31, 3, 1

The 4 is in charge today. This can strengthen your foundation by motivating you to take care of details, including basic tasks such as renewing your car registration or updating your insurance policy.

In addition, the 3 and 4 combination is excellent for career and business, especially for projects that require both an eye for detail and a creative approach. Take advantage of the progress this team inspires - methodic traits and imaginative traits are not often found at the same time, and certainly not in a balanced, harmonious matter. Still, as always when the 4 is present, the key to success will be your effort.

Romance is unpredictable under this number sequence. Relatively new relationships tend to receive a boost, while long-term relationships might be tested. If you are single, be social tonight.

January 29, 2026 — CONTRAST & VARIETY- A 5 DAY

Hello Teddy, today's numbers are 5, 32, 3, 2

Diplomatic and confrontational, feminine and masculine, yin and yang, these opposites exist in each of us, and they are particularly pronounced today. You may have a tendency to swing from one extreme to the other. The key is to find a good balance.

The positive aspect of today's opposing energy is its ability to lend a dynamic and intellectual prowess that could help you view things in a new and unique light. This could help you find

solutions not previously considered.

It is a good day to promote yourself. Today's influence can help you attract the attention of someone who could be influential in your career or project.

New romantic relationships tend to do well under this combination. It is also a good night to be social.

January 30, 2026 — BRIDGING THE GAPS - A 6 DAY

Hello Teddy, today's numbers are 6, 33, 3, 3

In most areas of a numerology chart, the number 33 elevates and inspires us to push harder and reach farther. As a daily cycle, the influence is too short-lived to have as strong an effect. However, the combination can positively influence, and help heal, relationships, family issues, and discord in other areas of your life. Even finances handled today will likely have a positive outcome. This Master Number often brings career and business opportunities as well, so keep your eyes open.

The challenging aspect of the 33 is its potential to bring fears and phobias to the forefront, especially those that have no basis in reality. If you experience doubt or anxiety, question its origin - you are likely to find they are unfounded.

This is a good night to spend with family and close friends.

January 31, 2026 — POSITIVE HEALING - A 7 DAY

Hello Teddy, today's numbers are 7, 34, 3, 4

A 7 day often provides situations that can move us closer to ourselves. Or, viewed another way, we can say the 7 brings us closer to ourselves, so we choose situations that fit our essence.

Today's 7 is based on 34. Additionally, this is the last day of a 3 month. This combination is the perfect blend of spiritual/intellectual insight, original ideas, and the healing power of laughter. The introverted 7 is not usually this lighthearted, but today it feels like the shy kid being drawn out by his extroverted friends.

Still, the day is probably best spent in a quiet environment. Business and financial matters are not particularly favored, nor is romance. Take time for yourself instead. Try to spend part of your time today daydreaming, watching the sunset, or in self-reflection.

February 1, 2026 — CONFLICTING ENERGY - PROGRESS THROUGH FRICTION - A 5 DAY

Hello Teddy, today's numbers are 5, 4, 1

This 5 day in a 4 month could herald a change in your responsibilities. Be ready for the unexpected, stay flexible, and adapt where needed. Feel free to shake things up a bit - it's a good day to show some attitude and make a few moves of your own. Respect your instincts and don't be inhibited by the expectations of others.

A 5 day can bring progress and growth, if you are supple and quick enough to take advantage of its seemingly random energy. You may encounter resistance though, possibly from an institution or corporation. If so, use this friction to motivate you to increase your efforts.

A social evening may tempt you to overindulge, so be mindful.

February 2, 2026 — DON'T CARRY THE WORLD UPON YOUR SHOULDERS - A 6 DAY

Hello Teddy, today's numbers are 6, 4, 2

No matter how hard you try, you are not Atlas. A 6 day in a 4 month already adds more responsibility to your day, there is no need to go looking for more.

On the upside, your effort could lead to a financial opportunity. This could arrive through a personal connection, friend, or family member. However, it might involve a battle; you may not be the only one looking to cash in. Fortunately, support is likely from an unexpected source.

Compassion and tolerance play a major role when the 4 and 6 team up, so your heart could be touched more than once today. Domestic issues figure prominently. Make yourself available to family and friends, but be careful where romance is concerned - you might be more gullible and trusting than usual.

February 3, 2026 — SEEKING SILENCE - A 7 DAY

Hello Teddy, today's numbers are 7, 4, 3

The fusion of 4 and 7 could help you resolve a long-standing dilemma or obstacle (not necessarily due to something you created). If there is something you want to address and you did play a part, it will be up to you to broach the issue.

Today's combination helps you organize your life. Working with long-term projects and investments, and managing business issues is supported.

This sequence can also help you discover valuable insight or inspiration - if you are not too

distracted by external events. Try to find a quiet spot for contemplation or to reassess your circumstances later in the day. The influence of the 7 is suited for solitary, internal, analytical pursuits, so you may want to handle romantic and other relationship concerns another day.

February 4, 2026 — EFFORT, VISION - AND MORE EFFORT - AN 8 DAY

Hello Teddy, today's numbers are 8, 4, 4

The 4 and 8 combine forces today, carrying an increased opportunity for progress and financial reward, as both are practical, goal-oriented numbers. This is an excellent lineup for business, career, and projects. The 4 urges you to make determined effort, and the 8 supplies just rewards in response to that effort.

Seize the day. Be observant and decisive - opportunity frequently follows the 8, although with a 4 in the picture effort and discipline will be required. Keep your nose to the grindstone and follow through. Cutting corners and procrastinating are guaranteed to cause frustration, which could spoil a promising day.

Today's combination supports work and project-related matters - relationship issues and romance are not favored (you may not be as sensitive or attentive as usual).

February 5, 2026 — A TRUE FRIEND, IN DISGUISE - A 9 DAY

Hello Teddy, today's numbers are 9, 4, 5

You may feel vaguely self-consciousness or vulnerable early in the day. A 9 in this position has a tendency to create insecurity. With the practical 4 frustrated by today's idealistic 9, clarity of thought may not be your strongest asset either. If things feel a little unbalanced, trust your instincts - this is likely just a passing mood.

Progress is possible in spite of the indecisive energy that could permeate the day. You may even run into a stroke of luck, possibly financial. If a friend or associate offers advice you need to hear, be open to their guidance.

Save the evening for romance and sharing your feelings.

February 6, 2026 — MAINTAIN YOUR FOCUS- A 1 DAY

Hello Teddy, today's numbers are 1, 10, 4, 1

The day brings dynamic, goal-oriented energy. Take charge, rely on yourself, stay focused, and make effort toward practical, tangible goals. You will likely find yourself in demand and may need

to take a leadership role in an area that is not entirely comfortable.

A relationship issue could become an unwelcome diversion, distracting you from a potential opportunity. Even then, you should be able to make considerable progress in your career or other practical endeavor today.

That same single-minded focus could make you forgetful in other areas, leading you to mislay something - even make you a little accident-prone. Make a point to remember your keys, wallet, and important papers.

Tonight, try to relax or enjoy time with someone close to you, especially if the day was demanding.

February 7, 2026 — THE ART OF LISTENING - A 2 DAY

Hello Teddy, today's numbers are 2, 11, 4, 2

The gentle, tactful 2 tends to frustrate the down-to-earth 4, who just wants to get things done. This friction could affect your relationships today. If so, work on finding a compromise and don't let the pushy 4 ruin things. Listen to others, meet them halfway, and avoid assigning blame. Compliments and gratitude usually yield better results.

Fortunately, a 2 based on 11 enhances your intuition and increases your ability to sense other people's needs. Still, these numbers produce conflicting energies, keep your focus on practical matters and you should be fine.

Love is in the air and may be carrying serious overtones, which could require sacrifice and commitment on your end.

February 8, 2026 — CREATIVITY FUEL'S THE DAY - A 3 DAY

Hello Teddy, today's numbers are 3, 12, 4, 1

Today's energy is best applied to creative projects - or fun and play. If possible, give time to something that inspires you, or enjoy a little time off. You should be at your most creative today, and a think-outside-the-box problem solver.

People in creative fields, especially artists, thrive under the imaginative, expressive 3. Business, finance, and long-term planning are not usually favored, with one exception. If you have been on the fence about an important career or business matter that centers on your relationship with a friend or co-worker, today should be a good day to address it. Despite its somewhat superficial energy, this combination can inspire you to move forward (precise planning and details could be

handled later).

Relationships feature highly, but emotional issues should be taken lightly, especially your own.

February 9, 2026 — PERSIST AND HAVE PATIENCE - A 4 DAY

Hello Teddy, today's numbers are 4, 13, 4, 0

The 4 dominates the monthly cycle as well as today's cycle. This could produce a day of routine, plodding effort and possibly boredom. Also, the 13 is famous for pursuing dead ends.

Paradoxically, the keys to making it an unexpectedly successful day come from patience, diligence, and persistence. This may be easier said than done, as the day could easily bring irritation if things move too slowly for your liking.

Financial matters are favored. You could have positive news in this area today, or possibly nine days from now when the double 4 dominates again (but without the presence of today's Karmic13, which sometimes unfurls its negative side).

It is a good night for a quiet evening at home; social events are less favored.

February 10, 2026 — A LITTLE CHAOS - A 5 DAY

Hello Teddy, today's numbers are 5, 14, 4, 1

If the demanding, restrictive 4 kept things a little too stable and stagnant yesterday, today the dynamic 5 could make you feel as if you are caught in a whirlwind. Little may go according to plan, and unexpected changes could play havoc with your schedule.

Channel today's restless energy into something productive. Things may appear to move more quickly than usual, so be flexible, adaptable, and ready to seize the moment. If you meet the day's requirements, the inventive, clever 5 could set you on the path to a promising payday.

Yesterday, the Karmic 13 may have affected your energy. Today the 14, another Karmic Debt number, suggests you might feel restricted by a situation that threatens your independence and freedom.

Romance and social interaction are highly favored today. But keep an eye on your willpower, the 5 has a tendency to overindulge.

February 11, 2026 — INVEST IN YOUR HEART - A 6 DAY

Hello Teddy, today's numbers are 6, 15, 4, 2

Today's influence should help you feel capable, realistic, and especially good at planning. This makes it an excellent day for business, finance, and career opportunities. When the 4 and 6 team up, they boost the potential to expand your circle of influence. This is especially true if your career is in law, medicine, or education.

The sympathetic, caring 6 can lend a hand when making amends. If there is a relationship you feel you have been insensitive to, this could be a good day to reach out. It may seem everyone wants your attention today. Use your loving, nurturing energy to strengthen those around you; you will benefit as well.

If possible, set the evening aside for love, romance, and intimacy.

February 12, 2026 — CELEBRATE YOUR LIFE - A 7 DAY

Hello Teddy, today's numbers are 7, 16, 4, 3

Today's influence sometimes brings self-criticism or doubt. This 7 day hides a 16, which by nature is highly insightful and analytical, but it can also make you question everything, including yourself. It draws you within and puts you in a philosophical frame of mind.

If the day feels less active than usual, it's just temporary - things will be hectic again soon enough. Enjoy the opportunity to be reflective and to consider your options. Most importantly take time to appreciate the simple fact that you exist.

You may be presented with a choice that could be the beginning of something new and promising (although it might appear to be destructive and impulsive to people around you). Trust your instincts, the craziest ideas sometimes return the greatest results.

Make it a quiet evening. The inward focused 7 is not typically drawn to social settings.

February 13, 2026 — SOMETIMES SUCCESS COMES IN INCREMENTS - AN 8 DAY

Hello Teddy, today's numbers are 8, 17, 4, 4

An 8 day brings the goal-oriented energy that makes progress likely, but only if your efforts match your ambition. Don't cut corners or expect a reward before it is due. Either option could create discomfort and lessen your chance of success.

On the plus side, signs of advancement will likely appear gradually, becoming more obvious over the course of the month. Today's 8 is based on the 1 and 7, which suggests progress will be tied to

detachment from material gain. Successful business people are often motivated by a desire to accomplish something, rather than just the financial outcome.

Personally, a less than harmonious (probably non-romantic) relationship could improve. Being social tonight could bring opportunity.

February 14, 2026 — BE DECISIVE- A 9 DAY

Hello Teddy, today's numbers are 9, 18, 4, 5

This is the second 9 day in a 4 month, which could leave you feeling a little distant or low on energy. It can also produce internal conflict.

The combination of 1 and 8 is somewhat unique. It often places you in situations where you have to choose between right or wrong, sacrifice or selfishness, generosity or greed - similar to the cliché of a little devil whispering in one ear and an angel in the other.

The influence of the 4 in your monthly cycle suggests you might be tempted to neglect responsibilities (or pass them on to someone else) to take time for yourself. If so, the choice between loyalty and selfishness will likely relate to your work environment.

If you can gather the energy, it is a good day to handle finances. Less favorable are contracts, legal issues, and starting new projects.

February 15, 2026 — FEED YOUR AMBITION - A 1 DAY

Hello Teddy, today's numbers are 1, 19, 4, 3

The first 1 day of the month occurred nine days ago, and was based on 10. Today's 1 is based on the Karmic 19. Although there are differences in their specific focus, the days are similar in the way they require standing up for yourself (usually in an uncomfortable or challenging way). It could be a case of you against... (fill in the gap).

You may be required to take a leadership role or face a confrontation with someone, without support from others. Determination and ambition are the keys to progress. Trust your ability to handle today's concerns.

If possible, consider saving romance and relationship issues for another day.

February 16, 2026 — SENSITIVITY & CLARITY - A 2 DAY

Hello Teddy, today's numbers are 2, 20, 4, 2

Today the down-to-earth, dependable 4 teams up with the sensitive 2. A 2 based on 20 increases your sensitivity and lends intellectual and emotional clarity, especially for relationships. It focuses on understanding the true nature and underlying motivations of others. Healing old wounds is possible, support from others may be more evident, and romance is highly favored.

This is also a good combination for career and business, especially if you are in a people-oriented occupation such as real estate, retail, counseling, or entertainment. Today's numbers enhance your ability to combine personal interaction with business and other practical matters. Your sense of timing should also be finely tuned today, which could put you in the right place at the right time.

It's a good night to relax and enjoy yourself.

February 17, 2026 — PUSH AND PULL - A 3 DAY

Hello Teddy, today's numbers are 3, 21, 4, 1

Today, the 4 and 3 compete with opposing priorities - trustworthy and reliable versus playful and irresponsible. This could lead to a situation where you must choose between being self-centered, or honoring a commitment that requires effort and sacrifice. Fortunately, or unfortunately depending on the consequences, the imaginative, childlike 3 usually wins.

Try to find a balance between staying focused on important responsibilities, and honoring your creative, playful side. Even then, it is probably not the best day to make important career, financial, or business decisions.

If you are single, today is favorable for meeting someone new who may touch your heart. If you are in a relatively new relationship, this could be the day to find out if it has staying power.

February 18, 2026 — DISCARD OLD HABITS - A 4 DAY

Hello Teddy, today's numbers are 4, 22, 4, 0

Today's energy could feel constricting, as if there is little room for creativity or play. Although this might cause frustration, it has the potential to create much-needed focus and discipline.

Today's 4, based on the Master number 22, carries great promise. It is called the Master Builder because it has the potential to create something larger than life. Although it is in a relatively minor position today, its energy is still present. Keep your eyes and ears open for a breakthrough or an offer to be part of something important.

If possible, save relationship issues for the day after tomorrow when the 6 returns, bringing harmony to matters of the heart.

February 19, 2026 — NO ONE IS AN ISLAND - A 5 DAY

Hello Teddy, today's numbers are 5, 23, 4, 1

Sharing your feelings, possessions, and ideas is the focus of this offbeat, chaotic day. Early in the day, you may have an experience that reminds you that your happiness depends in large part on others. This recognition can bring into focus the important role family, friends and co-workers play in your sense of security and stability.

This month has several days when opposing numbers struggled for dominance. They appear again today, albeit in a different form. Although you may sense a whirlwind of change moving around you, you should manage to remain less ruffled than others. Today, you can be the person caught in a storm with a strong grip on a sturdy post.

It's a good night for social interaction.

February 20, 2026 — EMPATHY AND HARMONY - A 6 DAY

Hello Teddy, today's numbers are 6, 24, 4, 2

The 6 based on 2 and 4 dominates your daily cycle today. Since this is also a 4 month for you, the even numbers have the floor. Practical, realistic, and aimed at restoring balance, this combination is favorable for all things personal and business related.

Your influence on others should be enhanced too, so it's a good day to talk to someone who needs convincing. An increase in responsibilities might be the only drawback. By the end of the day you may feel you've made commitments you wish you hadn't - largely due to the self-sacrificing nature of the 6.

Healthy changes to diet and other habits have a better chance of sticking when the responsible 6 and the disciplined 4 are present. It is a good day to commit to a diet or exercise program if they aren't already part of your routine.

February 21, 2026 — DON'T UNDERESTIMATE YOURSELF - A 7 DAY

Hello Teddy, today's numbers are 7, 25, 4, 3

This is the third 7 day this month, which may feel similar to the 7 day that happened on the 12th - and to some extent it is. Both are internal in nature and inspire a more abstract and philosophical

outlook, but there are also striking differences.

The previous 7 carried a deep, reflective, and more self-oriented influence. Today, it will mainly affect the way you view your relationship with others and your commitment to those close to you (possibly in a contrary way).

Today's combination indicates a feeling of restriction. Perhaps you are lamenting missed opportunities, or feel your freedom is restricted. The 7 based on 2 and 5 tends to be pessimistic, so try not to take yourself too seriously. It is not a good day to make impulsive decisions for the same reason.

On the upside, you should be more insightful and in top form intellectually making this a good day to consider strategies, plan projects, and solve problems.

With the introspective energy of the day, you may not feel like dealing with romance or relationship issues.

February 22, 2026 — A PAWN CAN FORCE A KING - AN 8 DAY

Hello Teddy, today's numbers are 8, 26, 4, 4

The 8 brings drive, ambition, and determination, making this a good day for career, business, and finance. Less fitting are legal and law enforcement issues.

Be deliberate, decisive, and plan your moves like a chess player using strategy and forethought. Conversely, it is not a good day to gamble. Today has a karmic side, suggesting you should not spend money you don't have or make promises you can't keep.

Today's combination lends added confidence and strength. This can help you meet a confrontation or disagreement in an assertive, self-assured manner (where at another time you might have compromised or walked away). When a day cycle is dominated by a double 8 and a double 4 your self-reliance and authority is second to none.

February 23, 2026 — KEEP A LOW PROFILE - A 9 DAY

Hello Teddy, today's numbers are 9, 27, 4, 5

With the month dominated by the number 4, you are likely making an impression as someone who is willing to put forth effort. This is a month of slow but steady progress, but the influence of today's 9 could make it feel like things are moving even slower. You may have less energy and motivation than usual, with a need for a little quiet time.

A 9 based on 27 suggests relationship issues could arise, possibly related to hurt feelings. Regardless of the issue, resolution will require tact and diplomacy. Keeping a low profile may help too.

You may want to make it an early night; your energy will need to be at full throttle tomorrow.

February 24, 2026 — COURAGE AND OPPORTUNITY - A 1 DAY

Hello Teddy, today's numbers are 1, 28, 4, 3

With the 1 in play you should feel more energized than you did yesterday.

Today's 1 is based on 28 which suggests work and personal issues could merge. Perhaps you will be confronted by peer pressure, or a popular ideology you don't agree with. Whatever the issue, a confrontation could leave you upset - especially if you feel you are standing alone. Although you may not be aware of it today, the upside could be the respect you garner from taking a stand.

Today's 8 behind the 1, combined with the current 4 month makes it a good day to finalize deals. Handling financial affairs is also favorable.

February 25, 2026 — RELATIONSHIPS REQUIRE EFFORT - A 2 DAY

Hello Teddy, today's numbers are 2, 29, 11, 4, 1

A 2 based on 29 can bring relationship issues to a head, resulting in some form of finality or closure (usually concerning relationships you recognize are no longer in your best interest). Today's sensitive energy can make you feel emotionally vulnerable. It can also lead to exaggerating issues and unnecessary drama, so think twice before making irreversible decisions.

Your intuition should be sharper than usual. Business and financial affairs will benefit from a personal touch.

Love and romance are strongly favored, as is sharing and communicating with friends and family members. However, be wary of participating in gossip, as you may not be getting the full story. It's a good night to be social - share your sense of humor, and keep things light.

February 26, 2026 — ALL WORK AND NO PLAY - A 3 DAY

Hello Teddy, today's numbers are 3, 30, 4, 1

Love and romance rule the day. Your attractive and charismatic attributes are magnified by the optimistic influence of the uncomplicated, candid 3. This is true particularly when it's based on the

high-octave 30. This combination delivers enhanced creativity and verbal expression, and a witty sense of humor.

However, there is a danger of being superficial or sarcastic at the wrong time or with the wrong person. Especially today, think before you speak and address issues with sincerity. You could be an asset to someone you encounter who could use your help or a dose of your optimistic outlook.

When the 4 and 3 team up, they sometimes produce a sense of underlying conflict, as one helps you feel grounded and disciplined, but the other would rather play. Find a balance to make this a joyful and productive day.

February 27, 2026 — TAKING CARE OF PRACTICAL MATTERS - A 4 DAY

Hello Teddy, today's numbers are 4, 31, 4, 0

Today is a 4 day in a 4 month. With a double 4 influence, effort and an eye for detail are the keys to a successful day. Today's organized, methodical influence could be helpful in a deal or project you have been working on or considering. Business and financial affairs are also typically favored under this combination.

Devote yourself to practical matters, chances are your intuition may not be up to par for emotional concerns. Personal relationships will be better supported the day after tomorrow when the loving 6 dominates.

February 28, 2026 — ORDER VERSUS CHAOS - A 5 DAY

Hello Teddy, today's numbers are 5, 32, 4, 1

This 5 day in a 4 month conceals a 2 and 3 (as it did nine days ago). Today, however, the positions of the 2 and 3 are reversed. Although both days may feel as if little goes according to plan, your ability to adapt and respond should be less emotionally taxing this time around.

There is potential for conflict between the 4 and 5. The shape of the 5 reflects its whirlwind nature, while the square form of the 4 symbolizes stability. Traits of the 5 (open, versatile, adaptable, experimental) help you find opportunity in a dynamic, unpredictable day. In contrast, the cautious, practical 4 prefers to take a slow, methodical approach. Their conflicting natures have the potential to bring either balance or frustration to the mix.

If you have difficulty making decisions today, postpone them if possible. It may not be the best day for serious matters such as finance, business or making long-term plans.

March 1, 2026 — CARING FOR RELATIONSHIPS - A 6 DAY

Hello Teddy, today's numbers are 6, 5, 1

The loving 6 is often occupied with caring for family and friends. Someone in your circle may look to you for support or guidance today. However, the 5 and 6 in combination can create conflicting energies and bring turbulence to otherwise stable relationships. This is because they make you less sensitive, as well as a little impatient and restless. Do your best to avoid arguments today.

On the upside, this number sequence is favorable for business, finances, legal issues, and long-term commitments, as long as they do not require negotiation. You might be too impulsive or too trusting to negotiate a profitable outcome.

It is a good night to spend with people close to you.

March 2, 2026 — A MIRROR FOR YOUR THOUGHTS - A 7 DAY

Hello Teddy, today's numbers are 7, 5, 2

It is a good day for contemplation, meditation, or sitting on the porch to watch the sunset. When the dynamic 5 and the thoughtful 7 team up, deeper aspects of who you are call out for attention. If you woke up questioning the direction your life is taking, a little soul searching might help.

You may find that you are more forgetful or inattentive today. If so, it is likely due to the inward focus of the day. However, your somewhat abstract state of mind can help you reassess circumstances and contemplate new ideas. This can lead to a firmer sense of stability and confidence.

You may not be in a social mood today - even people you normally get along with might rub you the wrong way. It is also not the best day for practical matters, finance, or business. Nor is it favorable for relationship issues.

This is your day. Attend to important responsibilities, but also take time for yourself - time to find your center.

March 3, 2026 — AN EXCITING DAY - AN 8 DAY

Hello Teddy, today's numbers are 8, 5, 3

The combination of the 5 and 8 can be powerful and successful, but it requires caution. Like a fast car it can put you in front of the pack, but if you can't control it, you might crash. In addition, this somewhat risky combination is karmic, which means a long-forgotten issue might surface.

Trust your mental reflexes - think and move quickly. Today is about seizing the moment. Your thinking should be sharper than usual, and vague ideas could become more defined. The past two or three months may have uncovered thoughts about needing to make a change in your lifestyle or circumstances. If so, it is a good day to commit to that change. If you do, it might be most advantageous to make the decision today, but not take action until the day after tomorrow. On that day, the 5 and 10 combination could help you change direction, and help make it stick.

It is a good night for socializing, and romance is favored.

March 4, 2026 — A RIPPLE EFFECT - A 9 DAY

Hello Teddy, today's numbers are 9, 5, 4

Today's numbers combine the 9 and 5. The 9 brings closure and completion while the 5 lends its unique brand of cleverness.

If there is a problem that has vexed you for some time, today's team could inspire a solution that delivers resolution. Alternately, you could receive information that compels you to alter your direction on a project or business plan. It could be a subtle change that seems minor now, but has the potential to affect the future. Think of it as the ripple effect of a pebble tossed in a lake - a seemingly minor action, but one with far reaching effects.

A 9 day supports discarding things you no longer need - get rid of clutter or donate clothes you no longer wear. This is a day for letting go, which can give you a much needed sense of freedom and relief.

March 5, 2026 — A DYNAMIC DAY - A 1 DAY

Hello Teddy, today's numbers are 1, 10, 5, 4

If you put your mind to it today, you should be unstoppable. The current 5 month will likely be a hectic period full of unexpected twists and turns. Today, however, the 1 based on 10 offers an opportunity to channel that dynamic energy toward a productive goal.

There are potential pitfalls, however. This number sequence can make you impulsive, tossing caution and restraint to the wind. Being mindful of this can help direct this tendency to more constructive goals.

Courage is often tested in some way under the bold, forceful 1, especially when it is based on 10. This could produce a situation where you are challenged to trust your own judgment in the face of confusing circumstances.

Relationships tend to be positively affected under this combination. Both friendship and romance can find deeper meaning.

March 6, 2026 — INSTINCT & PERCEPTION - A 2 DAY

Hello Teddy, today's numbers are 2, 11, 5, 3

Today's 11/2 highlights your connection to others - whether friends, family or strangers. It is a favorable day to share your feelings and experiences openly. It also enhances your intuition, which can help you avoid making mistakes and misjudgments. However, that same increased sensitive can make you more vulnerable emotionally.

As for romance, if you are interested in someone and think it is mutual, consider taking the initiative. Don't let the fear of rejection stop you. If you are in currently in a relationship, your partner might be asking you to make a decision concerning long-term future plans. In either case, you may have been sitting on the fence long enough.

It is a good night to spend with someone close to you.

March 7, 2026 — A CREATIVE, PLAYFUL DAY - A 3 DAY

Hello Teddy, today's numbers are 3, 12, 5, 2

The 3 and 5 combination is creative, daring, active, playful, and communicative. However, it can also be irresponsible and has difficulty staying focused. Consequently, unless you are an artist, this may not be your most productive day. Likewise, financial and business decisions might be better handled tomorrow when the grounded, detail oriented 4 rules.

Your ability to express yourself should be heightened today. This can help you promote yourself and your ideas. Enhanced charisma could also work in your favor, especially in love and romance.

Overall, today's influence has the potential to deliver a playful, creative day that can boost your sense of wellbeing. Take care of important responsibilities, but leave room for a little fun.

March 8, 2026 — ONE STEP AT A TIME - A 4 DAY

Hello Teddy, today's numbers are 4, 13, 5, 1

This is a favorable for conducting business and working with finances. Determination and an eye for detail are the keys to a successful day. The 5 and 4 combination might produce a challenge, however, as the numbers carry opposing traits. One number is dynamic and adventurous and the other is stable, restrained, and somewhat fearful of change. There is opportunity for steady

progress, but you are likely to feel frustrated if the pace seems too slow.

Today's 4 is based on 13, a Karmic number that prods you to apply yourself beyond what is required. Keep your eyes open for a chance to make an impression that could affect your future favorably.

Social events and relationship issues are less favored. If possible, postpone them until the day after tomorrow, when the caring 6 rules. Practical matters are better supported today.

March 9, 2026 — ADAPT AND ADJUST - A 5 DAY

Hello Teddy, today's numbers are 5, 14, 5, 0

This 5 day in a 5 month might push the boundaries of your comfort zone. The day will probably feel a little chaotic, but that is the nature of change, and change is the essence of this combination.

Since today's 5 is based on 1 and 4, changes might be connected to your car or home - something that fundamentally affects your security and your comfort.

Love and emotion also play roles today, and both could be equally unpredictable. Your perception of others can be a little off under this combination, leading to misunderstandings. Make an extra effort to listen with an open mind and heart.

March 10, 2026 — ORDER FROM DISORDER - A 6 DAY

Hello Teddy, today's numbers are 6, 15, 5, 1

A 6 day in a 5 month can bring legal or government issues to the forefront. If so, try to address them without delay.

Chaos and disarray have been recurrent themes all month. However, people close to you will likely help things stabilize today. In turn, you may be required to respond to someone in need. Healing and teaching are today's keywords.

Business and financial decisions might be better handled the day after tomorrow when the clever 8 rules the day.

The evening is perfect for social interaction, especially with friends and family. Romance, love, and commitment are favored.

March 11, 2026 — INTERNAL CHANGE - A 7 DAY

Hello Teddy, today's numbers are 7, 16, 5, 2

Today's 7 is based on the Karmic 16. Additionally, it falls close to the midpoint of your 5 month, which means the 5 energy is at its peak. This combination creates an influence that people respond to very differently. By its nature the 16 can be self-destructive, but, paradoxically, in a positive way. For some it is the Phoenix rising. However, others may find the day slides by offering little except boredom and perhaps a moment of introspection.

The author of this forecast considers the 5 and 16/7 combination to be one of the most auspicious, but not in a material way. Instead, it offers an opportunity to break out of our habitual self. Or, seen from the opposite angle, the potential to move us closer to our true self.

Due to the internal focus of the day, business, finance, and relationship issues are less supported.

March 12, 2026 — FINDING BALANCE - AN 8 DAY

Hello Teddy, today's numbers are 8, 17, 5, 3

"You reap what you sow" is today's motto. If you experience a financial disappointment today, try to think of it as your payment toward a debt, rather than a loss (even if it doesn't seem to relate). If you receive a pleasant financial surprise, consider it payment toward a debt owed to you. The 8 based on 17 tends to right old wrongs.

In addition, the 17 has the unique quality of removing illusions. Recognition and clarity might come through a dream, a passage in a book, or a chance overheard remark.

In career and business, be cautious and deliberate. Plan your moves like a chess player. Today's influence is positive for calculated action, not risk-taking.

You may want to watch the way you approach people today; try not to throw your weight around. The heart plays a big role too, so emotional ups and downs are possible. It is probably best to stick to practical matters and leave relationship issues for another day.

March 13, 2026 — FROM RESTRAINT TO RELEASE - A 9 DAY

Hello Teddy, today's numbers are 9, 18, 5, 4

The 18 is hiding behind the 9 today. This can play havoc with your sense of independence and individuality. That aspect is even more pronounced than usual due to the rebellious, freedom-loving 5 present today, and for the rest of the month.

A dominant personality or an institution may be trying to control you in some way. This may have been an issue since the beginning of this month, leading to the point where you need to take a stand.

If so, the experience you gain from this, and similar difficulties, can help you find clarity and purpose. It is a classic example of hardship shaping character. Having faith in yourself is the key to overcoming today's conflicts.

March 14, 2026 — FAVORABLE, BUT WITH A CAVEAT - A 1 DAY

Hello Teddy, today's numbers are 1, 19, 5, 4

The last few days may have been emotional and challenging, sapping your energy. If so, today's bold, positive energy should bring welcome relief.

The 1 is ambitious and goal oriented - use it to further your agenda. Issues around management, organization, or business could occupy much of your time. Consequently, loved ones might complain about a lack of attention. Try to acknowledge them with a little extra care tonight.

There could be tension with someone you know due to gossip or envy. If so, although the rumors will pass, you may want to ask yourself if there is some truth to them.

Romance is favored, but be mindful; the 5 and 1 combination can lead to temptation and over indulgence.

March 15, 2026 — ATTRACT MORE BEES WITH HONEY - A 2 DAY

Hello Teddy, today's numbers are 2, 20, 5, 3

Compared to yesterday's momentum, you may be operating at a slower speed today. This could make you feel a little moody or insecure.

Humility and diplomacy are your tools today. The 2 based on 20 brings sensitivity and cooperation to relationships. Take the example of bees and honey. One afternoon, bees began to circle a family picnic. One guest aggressively swat at the bees in an attempt to shoo them away. Another grabbed a jar of honey and placed it ten yards away - such a simple solution. A more nuanced approach often produces a better result than a combative action.

Today's combination heightens intuition, which can help you more quickly recognize what is expected of you. Career and business matters also benefit from this enhanced awareness.

Financial decisions might be better supported six days from now, when the 5 and 8 combine their

favorable traits.

If you plan a social evening, keep in mind that you may feel more emotional and vulnerable than usual. If you are single, be open to a romantic encounter.

March 16, 2026 — SPARKS FLY - A 3 DAY

Hello Teddy, today's numbers are 3, 21, 5, 2

The 5 and 3 team is usually an excellent combination. Additionally, the 3 based on 21 puts the day's focus on relationship issues; its positive influence has the potential to improve relationships in all areas of your life.

On the downside, these quick-witted, impractical, and impulsive numbers might tempt you to indulge in gossip, or focus on personal matters that do not concern you. This could cause good intentions to backfire.

Odd numbers are often less efficient and practical than even numbers. This combination is no different and looks for fun and creativity rather than more serious activities. Consequently, it may take more effort to stay focused, and to follow through on projects today.

Romance is highly favored due to your enhanced charisma. Make it a social evening - relax and enjoy the company of friends.

March 17, 2026 — FOCUS IS KEY - A 4 DAY

Hello Teddy, today's numbers are 4, 22, 5, 1

The focused energy of the 4 and the dynamic enthusiasm of the 5 deliver the potential for a breakthrough in career and project-related endeavors. The presence of the Master number 22 increases this potential for progress even further. However, while promising, all Master numbers (11, 22, and 33) are extremely demanding. They tend to affect the nervous system in particular. A few moments of meditation or a quiet break could help you get the most out of your day.

This is a favorable combination for taking care of financial matters. Projects requiring careful management and organization are also supported. Today's influences enhance your focus, efficiency and sense of timing.

However, this combination also tends to chip away at the scabs on your heart, opening old wounds, a bout of nostalgia, or regret.

Social events are not well supported. Your time might be better spent taking care of lingering

details.

March 18, 2026 — TURBULENT AND LIVELY - A 5 DAY

Hello Teddy, today's numbers are 5, 23, 5, 0

When the 5 is based on 23 and paired with an additional 5, things could get hectic. It is probably not the best day for routine activities, or issues that require careful deliberation, organization, or efficiency.

Instead, this combination is helpful with self-promotion, and impressing others with quick thinking and original ideas. Although a somewhat impractical, inefficient energy may drive you today, it is also vibrant, creative, and clever.

Beware of an overly active mind though - you may be a little impulsive, and quick to speak without thinking. This can be particularly important for personal relationships.

March 19, 2026 — MOVING FORWARD - A 6 DAY

Hello Teddy, today's numbers are 6, 24, 5, 1

Even though you are moving in the right direction, success over the next several days will likely depend in large part on your attitude.

When a 5 teams up with a 6 based on 24, the result is often the release of hidden fears, secrets, or feelings we are reluctant to reveal to others. If you are feeling a little low or vulnerable today, remember you have the ability to control your state of mind. Also consider, because this combination heightens your sensitivity, it has the potential to skew your perspective. If things aren't going your way, it might help to take a closer look, perhaps even make a quick pros and cons list.

On the positive side, today's combination is favorable for business and financial matters. The evening should bring a feeling of harmony. It is a good night to share with someone close to you.

March 20, 2026 — THE EYE OF THE STORM - A 7 DAY

Hello Teddy, today's numbers are 7, 25, 5, 2

The influence of today's 7 could make things appear more complicated than they are. Obligations might make you feel as if you are in the eye of a storm, or bring concern that you won't have the energy needed to take care of important responsibilities.

If so, consider a new approach. Step back, watch the sky long enough to see the clouds move,

recognize that your real assets are not material but intellectual and intangible. Enjoy the stillness first, then start moving.

The 7 reminds us that putting material success ahead of deeper needs is like putting the cart before the horse. (Tomorrow's ambitious 8 should be more focused on material gain.)

Today is about you, to increase your understanding of who you are, what you want, and where you want to go. Contemplation or meditation might be the best way to spend the evening.

March 21, 2026 — EFFORT IS REWARDED - AN 8 DAY

Hello Teddy, today's numbers are 8, 26, 5, 3

Today's combination should deliver a can-do attitude. But unless you continue to make purposeful effort it may not last beyond early afternoon.

Today's Karmic effect centers on the balancing energy of the 8 based on 26. It advises against impulsive or risky endeavors. The influence will likely focus on what happens in your career, finances, or an important project. This combination usually produces one of two extremes - highly rewarding, or disappointing. The results are almost never neutral. Either way, the scales should be more closely balanced by the end of the day.

The 26 often introduces new people. In combination with your 5 month, it carries a romantic edge as well. Otherwise, if a quiet night feels right, spend the evening pampering yourself. Mind-body healing, or just relaxing, might be just what you need.

March 22, 2026 — SURRENDER TO JOY - A 9 DAY

Hello Teddy, today's numbers are 9, 27, 5, 4

Today's influence revolves around surrender. The 5 linked to a 9 based on 27 reminds us that our ideal state is joy and contentment. With all of life's distractions, it is not easy to recognize this simple state of being. However, once we do, the desire to experience that inner contentment remains.

Others may feel you are a little distant today. If so, let others wait and take advantage of this opportunity for personal growth. On a more practical level, you have the opportunity to complete a project, make the last payment on a loan, or finally forgive a perceived injustice.

Romance is not particularly favored, but committed relationships are. It is a good night for an intimate talk, and sharing hopes and ideas.

March 23, 2026 — IDEAS & CONNECTIONS - A 1 DAY

Hello Teddy, today's numbers are 1, 28, 10, 5, 4

For the fourth time this month the 5 and 1 team up, but this time the 1 is based on 28. This combination usually relates to a connection between your career or financial circumstances and other people. You might run into someone who will be of help in this area, or hear a great suggestion from a friend or co-worker.

Today's influences are equally divided between the practical and the emotional. A change in your normal routine or environment is also likely. Additionally, this combination can lend a practical, efficient state of mind. It is a day to ponder smart money-saving (or money- making) ideas. It is also favorable for focusing on business plans and long-term vision.

March 24, 2026 — PERCEPTION & CLARITY - A 2 DAY

Hello Teddy, today's numbers are 2, 29, 11, 5, 3

The intuitive 11 has the potential to give unusual clarity and insight into your world and the people around you. However, the true benefit of today's numbers will likely be directed toward your career, business, or other project- related venture. The combination of 2, 11, and 5 delivers positive results through involving others in the decisions you seek.

Eliciting the support of others could be particularly helpful today, since the ability to express yourself may be somewhat limited by the presence of a negative 3. You might profit more by listening than by talking. This sequence could also make you a little accident prone, so be aware of your surroundings and your actions.

Today's sensitive, intuitive energy is favorable for relationship issues and romance. It can help us be more perceptive to the motivations and needs of others. If possible, relax and enjoy a social setting this evening.

March 25, 2026 — RECHARGE YOUR BATTERIES - A 3 DAY

Hello Teddy, today's numbers are 3, 30, 5, 2

This day should be devoted to play and creativity, but even if you can't take the day off, you would benefit from taking a little break.

Numerology views the 1 as a symbol of dominance, independence, and ambition. It views the 2 as sensitive, emotive, and cooperative. The 3, today's dominant influence, is the playful child, a result of the merging of 1 and 2.

Today's 3 is based on 30. Scattered energy, a lively imagination, and perhaps even some crazy ideas are part of what you can expect with today's combination. Consequently, planning, details, and routine duties are not ideally supported.

Don't play hooky, just take a break from some of the more routine or pressing matters in your life. Indulge your imagination, play music, or have fun with someone close to you.

March 26, 2026 — SLOW AND STEADY; PROGRESS - A 4 DAY

Hello Teddy, today's numbers are 4, 31, 5, 1

The grounded, steady, plodding, dependable 4 is in charge today. Although this generally means progress, it almost always feels slow moving, which can be frustrating. However, the vibrant, dynamic energy of the 5 counteracts some of that, and can even produce bursts of action and excitement. For that reason, you might actually be surprised at how much you accomplished by the end of the day.

Business, career, and financial matters tend to be favorable under this combination. Negotiation and contract issues are less favored (your communication skills might be somewhat diminished today). Addressing relationship and personality conflicts is best avoided for the same reason.

It is a good night to socialize and try something out of the ordinary.

March 27, 2026 — YOU GOT MOJO! - A 5 DAY

Hello Teddy, today's numbers are 5, 32, 5, 0

Yesterday's sluggish energy may linger early in the day, but it should quickly be replaced by the dynamic power of today's 5 based on 32. It is important to be flexible and ready for whatever comes your way. Today's combination often challenges your willingness to be open-minded and intellectually supple. It is a good day for people-oriented careers, such as sales and consulting.

This number sequence can elicit confrontation when faced with prejudice or injustice. It brings a greater awareness of these serious issues. Today, inequality and intolerance wave a red flag - and you are the bull.

Relationships are favored as long as you keep things light. Serious discussions, important decisions, and long-term commitments are better handled another day.

March 28, 2026 — DON'T SELL YOURSELF SHORT - A 6 DAY

Hello Teddy, today's numbers are 6, 33, 5, 1

If you have the urge to let go of something that has been weighing you down, take a moment to ensure you are acting for the right reasons. Beware of making excuses to yourself that evade the whole story.

Today's combination suggests you might face someone trying to take advantage of you. If so, it will likely be someone who holds authority or power over you, perhaps your boss (or your teenager?). When the giving 6 dominates, the prospect for others to prevail increases. However, today's 6 is based on 33, which puts your mental reflexes in top form. This can inspire you to respond with direct and uncompromising force, possibly to everyone's astonishment.

Relationship issues will probably be a top priority today, but focus on your health and healthy lifestyle choices as well. If there is room for improvement, this is a good day to take a critical look.

March 29, 2026 — A STILL, SMALL VOICE - A 7 DAY

Hello Teddy, today's numbers are 7, 34, 5, 2

If you feel a little out of sorts, perhaps unmotivated, remember that the probing, existential influence of the 7 can be a blessing in disguise. While the 8 (tomorrow's dominant influence) tends to be overrated as a money and power number, the 7 is consistently under estimated as a strategist and problem solver.

As a rule, the more willingly you absorb the intangible influences of this ethereal and delicate number, the more generous and rewarding the material rewards offered by the 8. (Hence, they stand side by side.)

Make it a quiet evening. Take time to reflect on what is important to you, or to analyze your current circumstances. If possible, romance and emotional issues are best left to another day.

March 30, 2026 — CHANGING STRATEGIES AND JUST REWARDS - AN 8 DAY

Hello Teddy, today's numbers are 8, 35, 5, 3

With an 8 based on 35 ruling the day, you should see plenty of action and sharing of ideas. Your plans could change in response to fresh information or a new contact.

A potential downside to this hectic, promising day is the inconvenient tendency of this combination to hold us accountable for past actions. This could involve a lie, an omission, or unfair treatment that comes back to bite you. Even then it would likely be a relief, as today's numbers are also

concerned with removing obstacles. Clearing up past misconduct clears the path ahead.

Romance could be front and center. If so, it likely carries a playful overtone.

March 31, 2026 — COMPLETION - A 9 DAY

Hello Teddy, today's numbers are 9, 36, 5, 4

A 5 month tends to throw a few surprises our way. It does not do much to make us feel secure. This month ends, quite appropriately, with a 9 day based on 36 - a number that reflects completion and a change of attitude. Be prepared to let go of an expectation, or perhaps a relationship you have outgrown. Whatever the circumstance, you may find that facing something you thought would be difficult is actually a relief.

Consider what is holding you back and take action to remove it. More often than not, it is something you no longer need. This might relate to a habit, possession, or relationship it is time to let go of.

You may be more willing to take chances and push your boundaries today. Romance is highlighted as well.

April 1, 2026 — LISTEN TO YOURSELF - A 7 DAY

Hello Teddy, today's numbers are 7, 6, 1

The early part of this month has several days when conflicting influences compete for attention. Today, it is the outgoing, people-loving 6 versus the introverted, secretive 7. Although the monthly cycle is generally warm and social, today's influence directs your attention inside. As a result, you might be looking for quiet "me" time to use for self-reflection.

This number sequence can elicit a heightened sense of purpose. It is a good day to analyze bottled-up feelings, although this is best done in private. Counseling and the feedback from friends and family are often helpful, but inner reflection can bring clarity as well. Although you have important responsibilities to attend to, try to shift as much attention as possible to your inner world and the intangible realm.

Romance and personal relationships are less favored on 7 days. However, sharing thoughts or philosophical discussions with someone close could be uplifting this evening.

April 2, 2026 — RESPONSIBILITY EQUALS REWARD - AN 8 DAY

Hello Teddy, today's numbers are 8, 6, 2

Today the numbers 6 and 8 team up to give your professional life a boost (although the effect may not be obvious immediately).

You should be in optimal form mentally, so sharpen your focus today. Be mindful, however, that this combination sometimes allows pride or jealousy to keep us from taking advantage of an opportunity. Don't allow your ego to get in the way.

Although success could be looming on the horizon, it may take time for you to recognize it. Continue to work toward your goals; it is through effort that we reap rewards. Be conscious of expectations, and allow success to come in whatever form it takes.

April 3, 2026 — NOT WHAT IT SEEMS - A 9 DAY

Hello Teddy, today's numbers are 9, 6, 3

Since both the 6 and the 9 are loving, altruistic influences you may find yourself in situations that tug at your heartstrings today. When these numbers share the limelight, your priorities tend to shift from people who are close to you to concerns that affect society at large. The 6 directs its nurturing traits toward family, friends, and the local community. The caring, idealistic 9 focuses on broad humanitarian concerns. Together, they are unrivaled in their willingness to help others.

On a personal level, this combination can bring changes or events that are different than they initially appear. Something that seems like misfortune at first could turn out to be a great opportunity.

The evening offers a creative, playful energy that has the potential to bring you closer to someone you care about.

April 4, 2026 — THE ART OF LISTENING - A 1 DAY

Hello Teddy, today's numbers are 1, 10, 6, 5

Overall, this month requires you to pay attention to family and friends and may be more socially demanding than usual. But today, with the 1 dominant, it is also a day to focus on yourself and forge ahead.

At the beginning of a cycle (here, the month's cycle), you may not have all the information or experience you need to fully understand upcoming events. Consequently, you might not be able to see the big picture. If you are beginning a new project or experiencing a change in your circumstances, take time to listen to your trusted advisors. This could be challenging; the

independent nature of today's numbers can make you too stubborn to accept advice. Assertiveness can work to your advantage, but being hardheaded will most likely work against you.

The afternoon or evening could bring a shift in expectations, producing clarity and a more realistic view of your prospects. The possibility of meeting someone new is also heightened.

April 5, 2026 — YOUR SENSITIVE SIDE - A 2 DAY

Hello Teddy, today's numbers are 2, 11, 6, 4

It's a good day to deal with personality issues and other conflicts. The 11/2 increases your intuition and makes you more aware of the needs and motivations of others. It also heightens your sensitivity, which could make you feel more vulnerable and emotional than usual.

The intuitive intelligence that comes with an 11/2 day in a 6 month can bring renewed clarity to your perspective regarding your goals and relationships. If possible, take time today to review your circumstances.

Find a way to relax and enjoy yourself this evening. Social events and romance are favored.

April 6, 2026 — CHARISMA & CREATIVITY - A 3 DAY

Hello Teddy, today's numbers are 3, 12, 6, 3

All numbers divisible by 3 are creative, although in very different ways. The 6 is visual, drawn to painting, sculpting, and ceramics. The 9 is also visual, but attracted to fields that combine color and materials such as fashion design, interior design, and architecture. The 3 is interested in self-expression and communication, writing, dancing, and poetry.

All 3 creative numbers are in place today, lending the opportunity to make improvements in your environment. Gardening, decor, and other creative projects are favored, and careers that are innovative and artistic are strongly supported.

Thanks to the influence of this number sequence, your charisma should be enhanced, drawing people to you. Keep your eyes open for a younger or less fortunate person who needs you right now; be generous with your time and attention.

April 7, 2026 — A FOCUS ON DETAILS - A 4 DAY

Hello Teddy, today's numbers are 4, 15, 6, 2

With even numbers ruling the day, you should be able to get things done efficiently and quickly.

Today's 4 tells you to be focused and diligent. Pay attention to details and follow through on your commitments; there is no room for procrastination or cutting corners. Today's numbers have practical traits that will help keep you on track.

With a 2 present relationship issues might be problematic. Do your best to avoid confrontation.

This combination can make you more aware of your limitations (and your mortality), sometimes causing a vague feeling of depression or nostalgia. If possible, plan for a social evening and keep things light. Save analyzing and contemplation for a more internal, reflective day.

April 8, 2026 — OPPOSING ENERGIES - A 5 DAY

Hello Teddy, today's numbers are 5, 14, 6, 1

The influences today are direct opposites. Although they have the potential to cause internal conflict, they can also complement one another, giving you the best of both energies.

When the stable, loving, sacrificing 6 and the adventurous, impulsive 5 team up, anything can happen. Unexpected changes are a given, and because today's 5 is based on 14, it suggests the effect will be felt mainly in your work environment.

The vacillating nature of this number is not the best support for important decisions or commitments, so you may want to postpone them to another day (perhaps 3 days from now on your next 8 day). At the same time - and here is the contradiction of the 5 and 6 - keep your eyes open for an opportunity that will benefit your personal as well as your professional life.

April 9, 2026 — MATTERS OF THE HEART - A 6 DAY

Hello Teddy, today's numbers are 6, 15, 6, 0

The harmonious 6, the number of love and caring, is the influence ruling both your month and day cycle. This combination puts relationships on the front burner, and helps you resolve conflicts with friends, family, and co-workers. Romance also fairs well.

However, there is an atypical discordant aspect clinging to today's number sequence. A 6 based on 15 can produce feelings of guilt (real or imagined) and an exaggerated sense of responsibility, which could leave you gullible. Be mindful about who you allow in today, and try not to make promises you might later regret.

On the upside, this is a good day for business and financial decisions.
