## YOUR RELATIONSHIP FORECAST MONTHLY

*People change, sometimes dramatically, sometimes subtly. When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.*

*Please, keep in mind that the core numbers in your profiles (your Life Path, Expression, Heart's Desire, Personality, and Birth Day number) tend to carry more weight than cycles do. However, cycles, like your Personal Year cycle, can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.*

## YOUR PERSONAL MONTH

*The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.*

### **Hafeez, your Personal Month for April-2026 is 7**

April represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within. Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer insight into your life's direction.

## YOUR MONTHLY COMPATIBILITY FORECAST

Hafeez and Test, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the

friction comes from, and this is a big step towards healing.

### **Your Personal Month's Compatibility for April is 7 and 7**

Hafeez and Test, this is a period when you should have a great deal of control over the way you experience your relationship. In most societies, the 7 cycle can be the most difficult to live up to - not because it is demanding, but because it asks you to back away from the daily grind. It is a time to give to yourself and your deeper spiritual and intellectual needs. The inner journey is not encouraged by most cultures; yet, without periods of self-examination, we can get lost in the day-to-day routine and forget to slow down and appreciate life's non-material pleasures and mysteries.

The way you choose to approach this cycle will be the deciding factor in how it affects you and your relationship. If you have learned how to coexist quietly without constantly demanding one another's attention you will have a big advantage, as that is precisely what this cycle asks from you. You are both experiencing a time when you need to be alone more than usual. You may find that you have little patience for those you perceive as intrusive, and this does not exclude each other.

Do your best to stay connected but try to support each other's need for solitude and individual pursuits. Taking time to learn more about yourself can be of benefit to your relationship as well.

### **Hafeez, your Personal Month for May-2026 is 8**

May brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year. May is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are. For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt. You are in a generous mode and feel blessed with so many good friends, but when it comes to commitment, you may want to wait a couple of months, when you are more realistic in these matters.

If you are not involved in a relationship, a coincidental meeting with a person from the past sparks a romance.

### **Test, your Personal Month for May-2026 is 8**

## Test, you have the same Personal Month as Hafeez

### Your Personal Month's Compatibility for May is 8 and 8

Hafeez and Test, you share the same cycle number. Since Personal Month and Personal Year cycles follow each other in a repeating sequence, you will always share the same personal cycle numbers, and consequently the same influences. (Personal cycles repeat every 9 months and 9 years.) Your Daily Forecast will also be the same.

Your 8 can bring the best or the worst of times - usually a bit of both. With help and effort, you can tip the balance favorably, but you should be prepared to experience challenges as well.

On the positive side, it should be a period of ambition and reward for both of you. This cycle brings strength, focus, the potential for progress, and possibly rewards from past efforts. In addition, you should find it easier than usual to support and strengthen those qualities in each other.

On the negative side, it might also intensify your less-desirable qualities. You could find you are both a bit more self-centered than usual, perhaps even ruthless in the pursuit of your goals. It is likely you will be mainly focused on yourself, and less interested in giving than in receiving.

If you both aim your energies at the external world, everything should be fine. However, should you find each other in the cross hairs, remember what is most important to you and be careful to prioritize your relationship. This cycle and its influences will move on - do not let its competitive tone get the better of your relationship.
