YOUR YEARLY RELATIONSHIP FORECAST

People change, sometimes dramatically, sometimes subtly. When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

Please, keep in mind that the core numbers in your profiles (your Life Path, Expression, Heart's Desire, Personality, and Birth Day number) tend to carry more weight than cycles do. However, cycles, like your Personal Year cycle, can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

Relationship Compatibility Profile

JOHN DOE & EMILY BROWN

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

, your Life Path number is 2

The key word in your nature is peacemaker. , you have the soul of an artist. You are extremely sensitive, perceptive, and a bit shy. These qualities are both your strengths and weaknesses, for while you possess enormous sensitivity to your feelings and those of others, that same sensitivity can cause you to hold back and repress your considerable talents. Sensitivity and perceptiveness are among your many fine qualities.

Because you intuitively know what people want, or feel, you can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions.

You enjoy music and poetry and require a harmonious environment. You have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical therapy, and counseling. However, your sensitivity can also be your downfall.

Your delicate ego bruises easily and can make too much of someone else's thoughtless remarks or criticisms. Because you get hurt easily, you may tend to withhold your own thoughts and contributions to the matter at hand. This can cause you considerable resentment and anger. Too often, you run from confrontation to avoid a battle.

When you employ your considerable inner strength, you will discover your enormous power and abilities to direct difficult situations toward your own goals. It is the awareness of your inner strength that will give you the courage to use your own personal power when it is needed. You are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy.

However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively. Your awareness, diplomatic skills, and

organizational talents give you the ability to bring off difficult tasks. You willingly step out of the limelight to facilitate the success of your endeavor. In truth, you are often the power behind the throne. However, you do not always receive the credit you deserve for the fine work you've done, or your role is underestimated, and your accomplishments overlooked.

Rather than brood over your losses, you need to confront those who would make less of your contributions and stand up for your accomplishments. You need security and comfort, quiet settings, and the company of loved ones. You are a perfectionist when it comes to your home and work environment.

You have excellent taste which is obvious in your private surroundings. You are a fine companion and possess a good sense of humor. Friends seek you out for your calming and peaceful company. You are a safe haven to other sensitive people, who recognize your compassion and understanding. When you have found your niche in life, you have all the talents and intelligence for great success. Seek out work that allows your sensitive nature to flourish -- be the glue that binds others together.

, your Life Path number is 6

You possess great compassion and seek to be of service to others. You have concern for the weak and the downtrodden. You are a healer and a helper to others. You are capable of giving comfort to those in need and will frequently offer a shoulder for others to cry on. Your task in life is to develop the tools necessary to be truly helpful to others, rather than to simply be a sympathetic ear.

You must find the balance between help and interference. In the same way, you must learn the delicate art of the counselor who knows when to leave the struggle to others and when to avoid taking away the necessary experiences and lessons of life. You are naturally balanced. Therefore, you are well equipped to support and ground others in times of trial.

It is in your nature to take on responsibility -- you often fill the void left by others -- and do not turn away from personal sacrifice. At times, you may feel overburdened by the travails of others. However, the love others bestow upon you is your well-deserved reward. You try to maintain harmony within the family or group, balancing and fusing divergent forces. You seek marriage and are often a wonderful parent, offering warmth, protection, and understanding to children.

You are generous, kind, and attractive. You are often admired even adored which baffles you. You are humble and yet you carry a deep pride. You move well and gracefully but will have to work to stay in shape. Seek out physical exercise and limit the sweets and dairy you crave to keep yourself from becoming plump and round.

When young, you must be careful not to choose partners for the wrong reasons. Do not let sentimentality influence your decision, especially those involving the choice of a spouse. You need to be needed but must learn to discriminate between those you can help and others who are made weaker by your care. After all, it is in your nature to be attracted to the weaker brothers and sisters among us.

The temptation, and the danger for you, is to think of yourself as the savior of the world, carrying the burdens of others on your shoulders.

You are blessed with musical talent, as well as in the visual and performing arts. However, your creativity may well be suppressed due to your willingness to sacrifice, or your inability to fully appreciate your talents.

This is not to say that you cannot excel in these areas; on the contrary, you have the talent, and with effort you can make a success in a number of artistic fields. You also have enormous talent in business. You are blessed with a great deal of charm and charisma, which you use effectively to attract the people and support you need.

HOW YOUR LIFE PATH NUMBERS COMPARE

Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.

and , your Life Path Compatibility is 2 and 6

Your numbers, 2 () and 6 (), are considered the most loving numbers of all. However, they express their love in different ways. , having a 2 in this part of the chart reveals your sensitivity, emotional awareness (of yourself and others) and your ability to read the subtle and often hidden motives in others. , the 6 points to your powerful urge to comfort, care for, and protect others. In fact, one of the few traits a 6 must guard against is not smothering others with love.

This combination forms a strong foundation for any relationship, but particularly for romance.

You both love easily and without reservation and neither of you are afraid to reveal your feelings. However, it is only in the strength of your love and your need to give that these numbers overlap. In many other respects you are quite different, and sometimes even opposites. , your love focuses on emotions; it is driven by the need for companionship, security, and comfort. You are intuitively aware of the fragile nature of life and may tend to be a little needy and perhaps insecure. This has the potential to produce jealousy about 's friends or business associates. , on the other hand, can

be oblivious to the subtle signs that something is brewing under 's quiet demeanor. is less likely to feel insecure in the relationship and does not consider spending time with others a sign is less committed.

Although is not particularly afraid of romantic competition, their weak spots also show up in this relationship. Where requires attention and emotional support to feel secure, tends to spread attention around looking for approval and appreciation from others. Although sincere, may reach out to care and comfort others to fill a space that cannot be filled, sometimes forgetting to focus on what (or who) is most important.

Most likely, neither of these issues will seriously threaten your relationship; you are highly compatible (more than most number combinations). Being aware of, talking about, and respecting your differences can help you form a rewarding, long-lasting relationship.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

, your Expression is 1

You are a natural leader, independent and individualistic. You are extremely ambitious, original, and courageous. You employ new and unproven methods. You are an explorer and an innovator. Openness to too many peripheral influences limits and frustrates you. You are self-reliant, confident, and energetic. You easily assume the role of protector. You spring into action when leadership is needed.

You possess executive abilities and are most successful at owning or independently managing a business. You need the freedom to make your decisions, based on your ideas. You can be an astute politician. You also possess the ability to influence the opinions of your milieu.

The number 1 symbolizes the front-runner, pioneer, warrior, risk-taker, and daredevil. Generals, top politicians, successful businessmen, self-made millionaires, religious leaders, inventors,

activists, and avant-garde artists are often born with a 1 Expression.

Strength and perseverance are central to your success. You must be willing to travel the frontiers of life, away from the beaten path. You possess a great reserve of willpower that must be directed at your goals. You do not give up, but relentlessly pursue your aims.

You are quite opinionated. People tend to be inspired or repelled by your strong personality. You have great powers of concentration and the ability to visualize your goals, thus making them more attainable. You stand up for your convictions and hold your ground. All of these abilities enhance your chances of success in life.

There is a tendency to be self-centered. You can be domineering and, in the extreme, a bully. You can be highly critical of others, complaining that people lack the industry or determination you possess. But this lack of understanding can alienate friends and family members from you. You must learn to control this tendency to maintain harmony in relationships. Once you are convinced of the inherent correctness of your ideas, you stubbornly -- and sometimes rigidly -- defend and propagate them. Avoid obstinacy and antagonism. You must cultivate balance, compassion, and perseverance.

Pride can be your downfall. You so powerfully identify with your goals and ambitions, you sometimes refuse to see a potential flaw or weakness in your well-laid plans.

You possess strength and determination, which, when applied to any endeavor you are committed to, will lead you to great success in life.

, your Expression is 4

You are the bedrock of society, the foundation of any enterprise. You are an organizer and manager. Your approach to life and to problems is methodical and systematic. You are a builder and a doer. You turn dreams into reality. You possess a highly developed sense of structure. You enjoy management systems and can carry out your well laid plans. You are not the type to embark on any trip without a map.

You take your obligations and those of your family quite seriously. As a result, you are reliable and responsible. You enjoy seeing a project through from start to finish but can become too narrowly focused. You put your nose to the grindstone and tend to become a workaholic.

You are driven by contempt for all that is unstable, insecure, and unpredictable. You distrust the unconventional, preferring instead the tried-and-the-true. But this can make your endeavors move

slowly and cause you much frustration, especially with the apparent limitations of your resources.

At the same time, concern for the limitations of your resources causes you to be careful and cautious, shutting you out from possible shortcuts and creative solutions provided by more daring people around you. It is important that you recognize restrictions for what they are: guiding forces that are testing and directing you toward your goals. Your challenge is to be more imaginative and to attract more creative people into your life who can advise and inspire you.

In relationships, you tend to be somewhat moralistic. You are extremely honest and sincere. You have integrity and are trustworthy but can also be rigid and stubborn. Don't let your strong likes and dislikes overrule your common sense and compassion. Be more understanding of others' shortcomings.

Because you tend to focus on details, you can fall into a rut and become a little dull and overly serious. Often, people born with the 4 Expression need to lighten up and have more fun. You have a keen eye for detail. You have great stamina and can work conscientiously and persistently toward your goals. This eventually brings you success and standing in your community.

In your conservative and careful way, you are good with money. You are very conscious of the balance between income and expenditures. You can limit your expenditures; saving money is important to you.

You are a surprisingly good parent, and love to be involved with children. Somehow, you relate a little more than others to the innocence of children, perhaps seeing a good deal of yourself in them. You, too, are idealistic and respect the simplicity of children.

Many accountants, bookkeepers, government officials, managers, and lawyers are born under the 4 Expression. You can be attracted to the arts and music but will likely bring your love of structure and order to any artistic field. Classical music and opera are particularly appealing and inspiring for you.

HOW YOUR EXPRESSION NUMBERS COMPARE

More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your Personality number).

It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing

information you might recognize that, being the complex individual you are, you carry the same contradictions. This is natural and true for all of us. You may excel at organization in one area of your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.

Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

and , your Expression Compatibility is 1 and 4

This aspect of the chart reveals a combination that can be as solid as a rock for a long period only to crash and burn in an instant. Stubborn, highly motivated, a self-starter and an unconventional individualist, is adventurous and ready to try anything new, even risky endeavors. Strongly driven, people with the number 1 are not usually concerned about other's expectations. generally does whatever they want and will fight almost anyone who gets in the way. is no less gifted in the areas of persistence and ambition but has a very different attitude and approach. is influenced by the number 4 which is sturdy, reliable, patient, responsible, conventional, detail-oriented, and "does things the right way". This difference is precisely where potential pitfalls lie in your relationship.

has both feet planted firmly on the ground. Undeterred by the prospect of dealing with things that are boring or routine, will complete the job no matter what. , on the other hand, does not have that kind of patience; they will barge ahead unconcerned about the consequences

Your relationship can thrive unless starts down a path of unknowns with risky, questionable aims. This is likely to happen at times, at which point will likely be a stick in the mud and a source of frustration for . If this conflict is not handled with care, it could bring an end to the relationship.

However, if can respect 's need for a secure, perhaps even predictable, lifestyle, and can understand 's need to try new things and occasionally venture into the unknown, the relationship should endure. Recognizing and respecting your differences is key.

THE HEART'S DESIRE

The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels

are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

, your Heart's Desire number is 1

Your overpowering need is to be independent and to direct your own life according to what you believe. Your dream is to become the leader of whatever field you enter. Whether it is in business, community, or in your general area of expertise, you are driven to be the reigning figure. You have the courage and the confidence to lead others. You believe firmly that your judgment is preeminent over all others.

This gives you the confidence to make bold decisions and carry them out, even when other lives are greatly affected by what you do. You rarely look back once you have decided.

You possess intelligence and wit. You are keenly insightful and are good at evaluating the abilities of others. You are supremely individualistic. In your manner and dress, you like to project your own unique persona. Consequently, you don't mind being controversial, and can even enjoy the attention and impact you have made on your surroundings.

You dislike routines, or anything that limits your freedom and independence. Whenever you commit to something you truly love, you are tenacious in your ability to endure difficulties and overcome obstacles. You are highly responsible; you hate passing the buck. You possess remarkable willpower and a strong drive to succeed. You are always looking for innovative ways of doing things.

Because you seek to be the boss in any endeavor, you tend to dominate others. If you are not careful, especially in dealing with your subordinates and family, you may become ruthless in your decisions and behavior. You can also fall victim to impatience and intolerance, particularly if you grow conceited or superior.

You are the pioneer and the ground-breaker. You love the foreground, the hot-seat of responsibility. You have all the talents to succeed. If you maintain balance in your life, allowing others full expression of their thoughts and abilities, you will easily rise to the top of your chosen field and realize your ambitions.

, your Heart's Desire number is 1

, your Heart Desire is also a 1; the same as 's

HOW YOUR HEART'S DESIRE NUMBERS COMPARE

Compatibility of the Heart's Desire number is very important in a relationship. Few relationships last beyond the initial stage if these numbers are not harmonious.

and , your Heart's Desire Compatibility is 1 and 1

and , you make up a challenging and rare combination. Although most couples continue to look for things they have in common, in your case this might not always translate into an advantage. Yours is a relationship of extremes, with powerful feelings and sometimes almost uncontrollable urges to confront each other.

You are both headstrong, competitive people who do not like to play second fiddle. You are unlikely to surrender your accustomed place at the top even to someone to whom you are attracted. When both people have a 1 in this area of the chart, there may not be much room left for attraction. Your competitive natures are likely to interfere with a giving, cooperative relationship. Your reading suggests you both feel the need to be "king of the mountain" and like two bulls, will butt heads to gain the upper hand.

However, when two people with dynamic drives can set aside their competitive natures (due to a mutually powerful attraction) the relationship can be promising and exciting.

With this combination it is important to look for compatible aspects in your charts to understand where complementary traits can positively support your relationship.

If your relationship has existed for some time, you have obviously found ways to get around the challenges of your two equally strong and individualistic personalities. If the relationship is relatively new, you will both need to accept taking second place (occasionally) and become practiced in humility and sensitivity.

Try to keep verbal arguments from escalating. Both of you are capable of confrontation when the need arises, and you carry the potential for aggression. Work on taking a breath, stepping back, and thinking twice before saying something you might later regret.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

, your Personality number is 9

You have an impressive and aristocratic bearing. No matter how tall you are, you appear noble and upright. You are very much in control of the image you send out to others. Many actors, dancers, and other performers have a 9 Personality Number.

You are elegant, graceful, and charismatic. Many admire you. You have the kind of stature that pulls people to you or repels them intensely. Some are jealous of you and may seek to belittle you. You may encourage this to some extent by the amount of arrogance you radiate. This is a caution for all 9 Personalities -- they are sometimes aloof and hold themselves above the world. Your challenge is to come down to earth with your fellow man.

Conversely, you have a great compassion for humanity and want to dedicate yourself to improving the lot of others. You are better when dealing with the trials of the many than the trouble of a single person. You are more capable of working on the grand scale, addressing the needs of society, than on a one-to-one basis.

You are kind and sympathetic, helpful and compassionate. Behind the controlled and calm facade, you are sensitive, vulnerable and emotional.

You have excellent taste. There is a good deal of artistic talent in you that shows in your home environment and your clothing. You tend to see yourself as a guardian of society, a benevolent leader, guiding and directing your community toward a better world.

, your Personality number is 3

Many men with a 3 Personality are usually handsome; women often strikingly beautiful. Your vibration is full of life. You are uplifting, inspiring, and charming. You are a fun person to be around. Your wit and sparkling personality make you the life of a party. You are extroverted and optimistic. You appreciate fine clothing and jewelry and enjoy dressing up a bit. You like glamour and are sought after by the opposite sex. You are a romantic. You fall in and out of love rather quickly. You are affectionate and giving.

Do not let your charm be an incentive to play too much. Work at developing deep and lasting relationships. You have to avoid scattering your attention for popularity. You can be flippant about commitments and may dramatize or exaggerate. Your wit can cause you to rely too much on superficial, humorous conversation.

You have a distinct "lucky streak" that attracts many opportunities throughout your life. You also have a knack of promoting yourself as well as inspiring others. When backed up by hard work and self-discipline, these qualities almost ensure your success.

HOW YOUR PERSONALITY NUMBERS COMPARE

Your Personality is the first aspect people notice when you first meet. Very few relationships have a chance to progress if their Personality numbers are not compatible.

and , your Personality Compatibility is 9 and 3

and , this aspect of the chart reflects excellent compatibility. The 3 and the 9 have the potential to form a strong bond, one that lasts for an exceptionally long time - if not forever. They represent archetypes that are almost mythical in their romantic alliance. Many stories of patience and self-sacrifice could be told about this union. What makes this so surprising is the fact that your compatibility is possible even though both numbers are considered self-centered, even egocentric at times.

Your numbers indicate you both have powerful imaginations and intense inner lives. This makes you highly creative, albeit in vastly different ways. (the 3) has a unique, somewhat offbeat originality, and is comfortable with life's unexpected turns and events. likes to manipulate the environment until everything is harmonious; they have the talent to combine colors and materials to create beauty in a disciplined manner. appreciates the way seems to control events and surroundings and envies the easy manner that accepts and takes advantage of whatever life serves up. This brings balance to your relationship.

, your 3 in this part of the chart is often compared to the sun: you are warm, inspiring, and uplifting to all. , your number 9 is the most idealistic and self-sacrificing number. Like the 3, it offers love freely and generously - although the 9 tends to focus on humanitarian concerns. Both are loving, giving, and worldly numbers (who never forget they are at the center of whatever they offer).

Vying for the same limelight could create conflict - a little like politicians in an election run-off. Even if, privately, they respect and like one another, they compete for attention (even slinging mud if they feel it is justified). Fortunately, this is pretty much the only area where the 3 and 9 combination might encounter problems. Avoid competition and invest in the caring, romantic, life-long unity that (otherwise) comes naturally to both of you.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

, your Maturity number is 3

As you mature, you will find yourself becoming increasingly extroverted and optimistic about your future. Your self-expression and creativity improve markedly. You may become inspired to take up some type of artistic endeavor, such as writing, acting, or music, if you are not already involved in one of these areas.

Your ability to communicate will substantially improve. You are naturally more fluent and may find yourself dressing with a certain flair. Be careful not to fall victim to superficial appearances or chasing after glamour and extravagance.

With a 3 Maturity Number you can look forward to a pleasant and social latter part of life. Your attitude will be increasingly positive, and your popularity will rise.

If you already have several 3s in your chart, especially in your core numbers, you may tend to scatter your energies and take your responsibilities less seriously. If you have few 3s, or are missing 3s entirely, you will experience a great relief from the tension and seriousness of life. You will be more relaxed and capable of enjoying life.

The 3 Maturity Number is a blessing in the latter part of life. It promises enjoyment, close friendships, and much happiness.

, your Maturity number is 1

As you mature, you will find yourself needing an increasing amount of independence and individuality. You will fight harder for the recognition and rewards you feel you deserve and will be less willing to accept failure or limitations in any form. , your drive and determination will grow as does your ability to take charge.

If there are already several 1s in your chart, especially among the core numbers, you will have to strive to avoid becoming bossy, rigid, stubborn and selfish. A person who allows these characteristics to run free will become bullish and lonely later in life. If there are not many 1s in your chart, the influence of the Maturity Number will help you to establish your independence and success. From this foundation, you will have an active, adventurous, and exciting latter part of life.

HOW YOUR MATURITY NUMBERS COMPARE

Your Maturity number becomes more dominant with age. The texts below become increasingly important after about age 40.

and , your Maturity Compatibility is 3 and 1

You are both fortunate to have formed one of the most charmed combinations for a happy, pleasurable, long-lasting relationship. The individualism and originality of the 1 () combined with the creativity and "anything goes" attitude of the 3 () creates an exciting and often adventurous relationship. Unlike many couples, you play together, laugh together, and likely have inspirational and enlightening conversations.

The characteristics of the 1 make the central force in this relationship, while contributes by bringing the sunshine and lightness of heart that will help the two of you deal with obstacles more easily than other couples.

Despite the unusual number of positive aspects in this combination, you should be on the alert for potential pitfalls. values responsibility and loyalty and has a natural ability to put forth sustained effort in pursuit of goals and dreams. is more playful, creative, and restless, and changes direction easily, especially if a goal seems difficult to reach. (This could be frustrating for .) But paradoxically, it is precisely these differences that bring balance to your relationship.

All in all, there is little negative to report about your combination. With an eye on potential challenges, continue to fully explore your respective natural qualities and enjoy a happy, enriching and rewarding life together for many, many years. You can develop your relationship to (near) perfection.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.
