YOUR YEARLY RELATIONSHIP FORECAST

People change, sometimes dramatically, sometimes subtly. When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

Please, keep in mind that the core numbers in your profiles (your Life Path, Expression, Heart's Desire, Personality, and Birth Day number) tend to carry more weight than cycles do. However, cycles, like your Personal Year cycle, can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Jonathan, your Life Path number is 7

You are the searcher and the seeker of the truth. You have a clear and compelling sense of yourself as a spiritual being. As a result, your life path is devoted to investigations into the unknown and finding the answers to the mysteries of life.

You are well-equipped to handle your task. You possess a fine mind; you are an analytical thinker, capable of great concentration and theoretical insight. You enjoy research and putting the pieces of an intellectual puzzle together. Once you have enough pieces in place, you are capable of highly creative insight and practical solutions to problems.

You enjoy your solitude and prefer to work alone. You need time to contemplate your ideas without the intrusion of other people's thoughts. You are a lone wolf, a person who lives by his own ideas and methods. As a result, close associations are difficult for you to form and keep, especially marriage. You need your space and privacy, which, when violated, can cause you great frustration and irritation.

When your life is balanced, however, you are both charming and attractive. You can be the life of a party and enjoy performing before an audience. You enjoy displaying your wit and knowledge, which makes you attractive to others, especially the opposite sex. But you have distinct limits. While you are generous in social situations, sharing your attention and energy freely, you are keenly aware of the need to "come off stage" and return to the solitude of your lair. You associate peace with the unobtrusive privacy of your world. Therefore, intimacy is difficult for you, because you guard your inner world like a mother lion does her cubs.

All this privacy and aloneness can cause isolation and loneliness, however. You can be aware of emptiness in your life, a part of you that yearns for company and close companionship that may be unsatisfied. If isolation is brought to the extreme, you can become cynical and suspicious. You can develop hidden, selfish motives, which people may sense and may cause them discomfort around you.

You must guard against becoming too withdrawn and independent, thus shutting out the love of

others and keeping you from experiencing the true joy of friendship and close companionship.

You must especially watch out for selfishness and egocentricity, thinking of yourself as the center of the universe, the only person who really matters. Social contact gives perspective on yourself and on life, while too much isolation can make you too narrow and even shut off from the rest of the world. Secretly, you may feel jealous of the easy relationships formed by others; you may perceive others as less inhibited than you, or freer to express themselves. You may harshly criticize yourself for not being more gregarious, powerful, or capable of greater leadership.

Your challenge in life is to maintain your independence without feeling isolated or ineffectual. You must hold fast to your unique view on the world, while at the same time being open to others and the knowledge they have to offer. With your abilities to learn, analyze, seek out answers to life's important questions, you have the potential for enormous growth and success in life. By the time you reach middle age, you will radiate refinement and wisdom.

Pythagoras loved the seven for its great spiritual potential.

Tonia, your Life Path number is 7

Tonia, your Life Path is also a 7; the same as Jonathan's

HOW YOUR LIFE PATH NUMBERS COMPARE

Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.

Jonathan and Tonia, your Life Path Compatibility is 7 and 7

Jonathan and Tonia, yours is a beautiful combination, with enormous potential for spiritual growth. You both appreciate life and life's mysteries deeply. You have a strong intellectual and spiritual bond and thrive on each other's intellect and wisdom.

The relationship between the 7 and 7 may begin in the heart, but it quickly moves to the inner realms. The term "soul mates" applies to couples that share the 7 in this part of the chart. Poets at heart - even if you have never written a poem in your life - you intuitively recognize that your bond with each other is "spiritual" in nature and more valuable than anything else in your lives. You grow together, without the need to constantly be together. You probably communicate in half sentences

and often find yourself thinking or expressing the same thing your partner just said.

If your relationship is moving toward maturity, you are likely to be "joined at the hip." That said, there are also things to watch for to avoid spoiling such a beautiful relationship. No other number can, at times, become as stubborn and unforgiving (even in small matters). In extreme cases, the 7 can become small-minded, even neurotic. While rare, a tendency to allow a minor issue to become a major disagreement does exist. What is interesting is, critical issues rarely cause the same reaction; the 7 is too intelligent to be petty. But the same person who can lead a study group with insight and the ability to communicate even the most arcane concepts, can turn into a hair splitter when it comes to seemingly minor household issues.

Jonathan and Tonia, there is one issue you should be particularly aware of, as it has the potential to destroy this otherwise excellent combination. You both enjoy a highly imaginative inner life. Therefore, you need time alone for study, contemplation, or just to let your mind wander. When your living space is too small, or you lead hectic lives continually surrounded by others (even each other) your need for quiet personal space will begin to take precedence over everything else. It is common for people with a 7 in this part of the chart to leave a promising career, relationship, or family due to this inner need.

It is important that you both find a way to honor this and create an environment where you can have time alone. If you become aware of underlying tension building, talk to your partner, and discuss solutions. Recognize your common need to share your life and ideas while maintaining your individuality and need for personal time.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Jonathan, your Maturity number is 2

As you mature, you will discover that you possess a growing talent for understanding and working with other people. Your ability to influence others through tact and diplomacy will grow. These talents will further you along in your career or business. You will become increasingly shrewd and will learn the art of discrimination. Your sensitivity to the needs and desires of others improves dramatically. You will be able to evaluate their motivations with a growing clarity and uncanny

accuracy.

You find you can get more done by persuasion and gentle guidance than by force. You may well have to learn to assume the role as the power behind the throne. Your influence is less public, and you may not always receive the public recognition you deserve. However, your satisfaction comes from seeing the fruition of your own ideas come about, the result of teamwork and cooperative efforts.

If you already have many 2s in your chart, especially in the core numbers, you may become overly sensitive, a characteristic you will have to keep in check. If you have few 2s in your chart, the influence of your Maturity Number will greatly increase your ability to work harmoniously with other people.

Tonia, your Maturity number is 2

Tonia, your Maturity is also a 2; the same as Jonathan's

HOW YOUR MATURITY NUMBERS COMPARE

Your Maturity number becomes more dominant with age. The texts below become increasingly important after about age 40.

Jonathan and Tonia, your Maturity Compatibility is 2 and 2

This aspect of the chart tells us both of you have a sensitive, vulnerable side. Sometimes this is favorable, but it can prevent issues from being resolved. There may be occasions when you step around issues too carefully, concerned about hurting the other. This can cause issues to fester and erode the foundation of your relationship. Try not to walk away from problems because you do not want to rock the boat. It is almost always better to face them head on. Although your concern about your partner's feelings are sincere, you should both guard against avoiding confrontation altogether.

As two people who experience emotions deeply, you are likely more vulnerable to criticism than others. This is another contributing factor in your tendency to avoid taking on important issues. If this type of avoidance persists, especially if unresolved issues have festered, you might lash out with a "below-the-belt" criticism, expressing your anger in a way that can be harmful to your relationship. This in turn makes it much more difficult to resolve underlying problems.

We all look for things we have in common, with the hope it will enhance our relationship. But the

fact that you both carry a 2 in this area of the chart does not necessarily translate into an advantage. On the positive side, you easily relate to each other's emotional experiences. On the negative, your ability to commiserate can mean you are unable to "talk your partner down" during a highly emotional event.

Jonathan and Tonia, your numbers suggest you both have the potential to use the occasional trivial lie to circumvent what you perceive as dangerous territory. This is not always a bad thing. However, unless other numbers in your chart support your ability to confront things directly when simple tact and diplomacy are not sufficient, you may end up creating distance without meaning to. Without open communication, you live in separate worlds. If you have the type of relationship where partners live their own life quite happily, this will not be as much of a concern. However, the fact that you are both people of the heart makes that scenario unlikely.

The key to maintaining a healthy relationship when both partners carry a 2 in this part of the chart is to recognize the need for scheduled heart-to-hearts. When an issue arises discuss it openly and frankly; try to avoid impulsive, dramatic discussions. Instead, let your partner know something is bothering you and ask for a good time to discuss it. Create a setting: make a cup of tea, sit in comfortable surroundings, and begin by confirming your love and commitment. Combining respect, care, and direct, honest communication can help you form a deep, long-lasting relationship.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Jonathan, your Personal Month for January-2026 is 7

January brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet. If you are involved in legal affairs or have wanted to take care of something that involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during this month. Tolerance and forgiveness will not come naturally, and you could be a little self-righteous. Try to be more flexible.

Tonia, your Personal Month for January-2026 is 7

Tonia, you have the same Personal Month as Jonathan

YOUR MONTHLY COMPATIBILITY FORECAST

Jonathan and Tonia, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

Your Personal Month's Compatibility for January is 7 and 7

Jonathan and Tonia, this is a period when you should have a great deal of control over the way you experience your relationship. In most societies, the 7 cycle can be the most difficult to live up

to - not because it is demanding, but because it asks you to back away from the daily grind. It is a time to give to yourself and your deeper spiritual and intellectual needs. The inner journey is not encouraged by most cultures; yet, without periods of self-examination, we can get lost in the day-to-day routine and forget to slow down and appreciate life's non-material pleasures and mysteries.

The way you choose to approach this cycle will be the deciding factor in how it affects you and your relationship. If you have learned how to coexist quietly without constantly demanding one another's attention you will have a big advantage, as that is precisely what this cycle asks from you. You are both experiencing a time when you need to be alone more than usual. You may find that you have little patience for those you perceive as intrusive, and this does not exclude each other.

Do your best to stay connected but try to support each other's need for solitude and individual pursuits. Taking time to learn more about yourself can be of benefit to your relationship as well.

Jonathan, your Personal Month for February-2026 is 8

February may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger but superficial ones will break down.

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

Tonia, your Personal Month for February-2026 is 8

Tonia, you have the same Personal Month as Jonathan

Your Personal Month's Compatibility for February is 8 and 8

Jonathan and Tonia, you share the same cycle number. Since Personal Month and Personal Year cycles follow each other in a repeating sequence, you will always share the same personal cycle numbers, and consequently the same influences. (Personal cycles repeat every 9 months and 9 years.) Your Daily Forecast will also be the same.

Your 8 can bring the best or the worst of times - usually a bit of both. With help and effort, you can tip the balance favorably, but you should be prepared to experience challenges as well.

On the positive side, it should be a period of ambition and reward for both of you. This cycle brings strength, focus, the potential for progress, and possibly rewards from past efforts. In addition, you should find it easier than usual to support and strengthen those qualities in each other.

On the negative side, it might also intensify your less-desirable qualities. You could find you are both a bit more self-centered than usual, perhaps even ruthless in the pursuit of your goals. It is likely you will be mainly focused on yourself, and less interested in giving than in receiving.

If you both aim your energies at the external world, everything should be fine. However, should you find each other in the cross hairs, remember what is most important to you and be careful to prioritize your relationship. This cycle and its influences will move on - do not let its competitive tone get the better of your relationship.

Jonathan, your Personal Month for March-2026 is 9

Whenever the 6 and 9 team up, it is often emotional because you may have to let go of someone close to you. You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment.

People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

Tonia, your Personal Month for March-2026 is 9

Tonia, you have the same Personal Month as Jonathan

Your Personal Month's Compatibility for March is 9 and 9

Jonathan and Tonia, this is likely to be a challenging period. However, although some cycles will be favorable, and others less so, you will almost always relate to each other more easily than most couples because you understand how Tonia feels.

The challenging aspect of this cycle lies in your shared need for each other's support at a time when neither of you is as capable of giving as you might like. You both seek stability, which might feel in short supply right now.

The 9 delivers the end of a cycle where you are both tying up loose ends. You may feel uninspired and low on energy, which could leave you with less to give. This is felt more dramatically in a yearly rather than a monthly cycle.

Fortunately, this period is not made of shadows alone; it also has a bright side. The 9 can help you recognize more clearly what you want from life. Think of it as a cross-country trip where you need to stop occasionally to study the map and plan the next part of your journey. It can help keep you on track and add clarity and focus.

Do your best to stay connected and support each other as you end this cycle together. Fortunately, your next cycle brings fresh new energy.

Jonathan, your Personal Month for April-2026 is 1

This month brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April (this month) or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it, so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life. Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9-year cycle.

Tonia, your Personal Month for April-2026 is 1

Tonia, you have the same Personal Month as Jonathan

Your Personal Month's Compatibility for April is 1 and 1

Jonathan and Tonia, you share the same cycle number.

This period promises to be one of new beginnings, new directions, and a greater understanding of

each other. It is an exciting time full of energy and awakening to new goals and priorities. It can also bring renewed energy to the relationship, sparking a heightened level of maturity that makes it stronger and more stable.

A temporary disruption is common at the beginning of a new cycle, and the changes you go through will require adjustments to the relationship. Sharing your feelings, doubts, and questions will be more important than ever, so communication is key.

Try to devote time to each other away from your daily routines, allow for recent changes to be absorbed, and be open to each other's evolving priorities and goals. If you are unable to stay connected and current with each other's growth, you may end up feeling like you have been separated for some time and need to rediscover each other.

A word of caution: You are both experiencing a cycle of drive and determination, so there is an increased potential you might butt heads and be less compromising than usual when it comes to disagreements. The key is patience and tact; if you give each other an opportunity to express themselves and genuinely try to understand each other's viewpoints, you should be fine.

In short, this should be a good period for both of you, leaving you more confident and capable of handling obstacles and taking advantage of opportunities.

Jonathan, your Personal Month for May-2026 is 2

May is a 2 Personal Month in a 6 Personal Year and focuses on harmony and diplomacy in all relationships, including the work-environment. You are more sensitive and aware of the feelings of others than you were last month, and you will be called upon to use those abilities.

You will find yourself in the role of mediator/peacemaker in order to maintain harmony in the work place. Become a hard-nosed yet diplomatic negotiator. Find a balance between tact and sensitivity on one hand, and persistence and conviction on the other. You will be able to meet these challenges and will come through with flying colors. Financial rewards will come. Keep things organized and take care of details or else you may find yourself in chaos by the end of this month.

If you are involved in a legal tangle, and quite a few people in this stage of their Personal Rhythm Cycle are, you will gain some ground and find good reasons to be optimistic.

Romance is highly favored now, especially for new relationships.

Tonia, your Personal Month for May-2026 is 2

Tonia, you have the same Personal Month as Jonathan

Your Personal Month's Compatibility for May is 2 and 2

Jonathan and Tonia, this is a period when emotions rule the day for both of you. After the changes you experienced during last cycle's dynamic energy, you are probably ready for things to slow down a bit. This cycle will bring support from others to help you further your goals in all areas of your life.

The main challenges and changes in this cycle will relate to the deeper aspects of your relationship. This period will find you more vulnerable and sensitive to anything related to the heart. Where a small argument may have made barely a dent before this cycle, a similar confrontation could easily become a major issue. You will need to be particularly sensitive to each other and take advantage of every opportunity to convey your love.

With advanced notice that this period could be particularly emotional, you can remind yourselves - and each other - not to let minor irritations fester. Take care when approaching critical issues you may not agree on.

Over the course of this cycle, you will likely find your love for each other is maturing and growing stronger (even if some outbursts occasionally cause turmoil). But this will only be true if you express your love as well as your need for each other's attention. The best way to move through this period is to prioritize your relationship without succumbing to extreme emotions.

Jonathan, your Personal Month for June-2026 is 3

This is an excellent time to give yourself a break. Take some time off. Enjoy yourself. Don't be too serious. This is a time of enhanced creativity and originality. Become involved in playful activities. Participate in social events. You will meet new people who offer a welcome change to the routine aspects of your life.

Your career may seem unpredictable now but will be much better next month. "Luck" in financial affairs is likely now. Romance is also favorable.

The emphasize of this month is on fun and leisure. Enjoy.

Tonia, your Personal Month for June-2026 is 3

Tonia, you have the same Personal Month as Jonathan

Your Personal Month's Compatibility for June is 3 and 3

Jonathan and Tonia, this should be a period where you can enjoy each other's company, share ideas, and experience relatively little stress in most areas of your life.

The key word is relative. The 3 you share during this cycle suggests most things should be easier to handle and problems will not weigh on you as much as they might other times. However, there is always another side to the coin. The 3 can also make you a little scattered and unfocused - a typical side effect of its creative nature. If you have set specific goals, you may find your ability to stay focused and disciplined more challenging than usual.

Your relationship has the potential to strengthen and deepen during this time. You connect easily and your ability to communicate is enhanced. However, one drawback may be your heightened popularity. The charismatic energy of this cycle will likely attract attention from other people. This attention could be tempting to either (or both) of you, giving rise to jealousy.

Jonathan, your Personal Month for July-2026 is 4

Jonathan, it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Be patient and apply yourself to routine and details diligently. Organize your personal life and your career. Tie up loose ends. Start projects that will improve your living situation such as repairing the house or starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed, and commitments made.

Tonia, your Personal Month for July-2026 is 4

Tonia, you have the same Personal Month as Jonathan

Your Personal Month's Compatibility for July is 4 and 4

Jonathan and Tonia, you share the same cycle number. Since Personal Month and Personal Year cycles follow each other in a repeating sequence, you will always share the same personal cycle numbers, and consequently the same influences. (Personal cycles repeat every 9 months and 9 years.) Your Daily Forecast will also be the same.

This is a time to focus on strengthening the foundation of your lives. Your career, financial affairs, home, and other practical aspects will take high priority.

While this cycle often represents progress, it can be demanding as well as frustrating; things may not move quickly enough or in accordance with your expectations. Your frustration, coupled with a demanding schedule, could create problems for your relationship.

Since you will always share the same Personal Year, Month, and Day, cycles, you are likely to find yourself on parallel tracks. This usually makes your cycles compatible and helps you to see eye-to-eye when it comes to priorities and goals. However, it also means you could both feel frustrated at the same time (during this cycle, for example) which might compound your irritation. When this happens, it is more likely that an outside influence rather than Tonia is causing the annoyance. Keeping this in mind can help you step back, talk about your feelings, and discuss solutions instead of fostering negativity.

Jonathan, your Personal Month for August-2026 is 5

August brings some changes in work and your personal life. It is a dynamic time, and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence. If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. Your friends and family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

Tonia, your Personal Month for August-2026 is 5

Tonia, you have the same Personal Month as Jonathan

Your Personal Month's Compatibility for August is 5 and 5

Jonathan and Tonia, this cycle is notorious for creating disorder. Although you are going through the same cycle, you may well experience it very differently, depending largely on your ability to adapt. For those who welcome change and accept them easily, it can translate into a time of excitement, enthusiasm, and promise. Conversely, those who find change and spontaneity difficult could find it a time of anxiety, doubt, or fear. A 5 cycle can bring risks, but it can also be a very enjoyable time if you can "go with the flow."

You might experience this cycle as a period filled with opportunity, while Tonia may feel confusion and unpredictability, or vice versa. And it is even quite possible you go back and forth from hope and excitement to fear and doubt. While this is an exaggeration, it illustrates how two people can experience the same cycle quite differently.

In addition, the 5 tends to make you more impulsive and cause you to speak or act before thinking which could lead to trouble. During this period, it would be easy to project some of the chaos you might experience on a material level onto your partner and others.

In your relationship, communication is the key to experiencing the best this cycle has to offer. If you are both ready for new experiences, open to change - and potentially more fun and excitement - this should be an engaging, lively cycle. Just be sure to remind each other that discipline will also be needed to keep things in check.

Jonathan, your Personal Month for September-2026 is 6

September will force you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground. Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

Tonia, your Personal Month for September-2026 is 6

Tonia, you have the same Personal Month as Jonathan

Your Personal Month's Compatibility for September is 6 and 6

As a couple, Jonathan and Tonia, you should have much to offer to each other and those who share your world during this period. Your 6 will find you focused on family, friends, and your relationship. It is a time to share your love and commitment, a time when you easily understand and strengthen each other.

If there is a potential for discord and, of course, there always is, it would be in taking these loving traits too far. Sometimes caring and nurturing can become intrusive or smothering. It is also possible that one or both of you could become controlling, creating a competitive atmosphere. Another contradiction during these otherwise loving cycles can be lowered tolerance, causing you to become irritated more easily over trivial matters.

Although you will probably be more focused on your family, friends, and relationship, practical concerns are favorable as well. This is a good time for finances, promotions, and projects. Material improvement is possible for both of you, although you might also be asked to take on more responsibility.

Jonathan, your Personal Month for October-2026 is 7

Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp, and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

Tonia, your Personal Month for October-2026 is 7

Your Personal Month's Compatibility for October is 7 and 7

Jonathan and Tonia, this is a period when you should have a great deal of control over the way you experience your relationship. In most societies, the 7 cycle can be the most difficult to live up to - not because it is demanding, but because it asks you to back away from the daily grind. It is a time to give to yourself and your deeper spiritual and intellectual needs. The inner journey is not encouraged by most cultures; yet, without periods of self-examination, we can get lost in the day-to-day routine and forget to slow down and appreciate life's non-material pleasures and mysteries.

The way you choose to approach this cycle will be the deciding factor in how it affects you and your relationship. If you have learned how to coexist quietly without constantly demanding one another's attention you will have a big advantage, as that is precisely what this cycle asks from you. You are both experiencing a time when you need to be alone more than usual. You may find that you have little patience for those you perceive as intrusive, and this does not exclude each other.

Do your best to stay connected but try to support each other's need for solitude and individual pursuits. Taking time to learn more about yourself can be of benefit to your relationship as well.

Jonathan, your Personal Month for November-2026 is 8

November is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs.

As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, an 8 month may bring bad news, after all, the 8 is balance, including the balance between effort and reward.

This is a good time to straighten out financial dealings you may have with friends or relatives as well. This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

Tonia, your Personal Month for November-2026 is 8

Tonia, you have the same Personal Month as Jonathan

Your Personal Month's Compatibility for November is 8 and 8

Jonathan and Tonia, you share the same cycle number. Since Personal Month and Personal Year cycles follow each other in a repeating sequence, you will always share the same personal cycle numbers, and consequently the same influences. (Personal cycles repeat every 9 months and 9 years.) Your Daily Forecast will also be the same.

Your 8 can bring the best or the worst of times - usually a bit of both. With help and effort, you can tip the balance favorably, but you should be prepared to experience challenges as well.

On the positive side, it should be a period of ambition and reward for both of you. This cycle brings strength, focus, the potential for progress, and possibly rewards from past efforts. In addition, you should find it easier than usual to support and strengthen those qualities in each other.

On the negative side, it might also intensify your less-desirable qualities. You could find you are both a bit more self-centered than usual, perhaps even ruthless in the pursuit of your goals. It is likely you will be mainly focused on yourself, and less interested in giving than in receiving.

If you both aim your energies at the external world, everything should be fine. However, should you find each other in the cross hairs, remember what is most important to you and be careful to prioritize your relationship. This cycle and its influences will move on - do not let its competitive tone get the better of your relationship.

Jonathan, your Personal Month for December-2026 is 9

December is the second time this year that some letting go has to be done. A relationship is going to end. This can cause some distress, but there are also feelings of gratitude. Your feelings run deep, but you have difficulty expressing them. You feel vulnerable and emotional. You are attracted to giving your time and energy to something outside of yourself. Clean out the garage or attic and donate the excess to charity.

There are changes in the work situation, such as a shift in personnel. In a strange turn of events, you may find yourself having to defend your actions and motivations. Your honesty may be questioned. If you are single, you may meet someone later this month. If you are committed, you may feel you are involved in a roller-coaster kind of relationship. Not to worry, things calm down by the end of the month.

Your Personal Month's Compatibility for December is 9 and 9

Jonathan and Tonia, this is likely to be a challenging period. However, although some cycles will be favorable, and others less so, you will almost always relate to each other more easily than most couples because you understand how Tonia feels.

The challenging aspect of this cycle lies in your shared need for each other's support at a time when neither of you is as capable of giving as you might like. You both seek stability, which might feel in short supply right now.

The 9 delivers the end of a cycle where you are both tying up loose ends. You may feel uninspired and low on energy, which could leave you with less to give. This is felt more dramatically in a yearly rather than a monthly cycle.

Fortunately, this period is not made of shadows alone; it also has a bright side. The 9 can help you recognize more clearly what you want from life. Think of it as a cross-country trip where you need to stop occasionally to study the map and plan the next part of your journey. It can help keep you on track and add clarity and focus.

Do your best to stay connected and support each other as you end this cycle together. Fortunately, your next cycle brings fresh new energy.

YOUR RELATIONSHIP FORECAST YEARLY

Jonathan and Tonia, your Personal Year cycle is a strong indication of the trends and circumstances you experience during the year ahead.

Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year.

Your Personal Year's Compatibility in 2026 is 6 and 6

As a couple, Jonathan and Tonia, you should have much to offer to each other and those who share your world during this period. Your 6 will find you focused on family, friends, and your relationship. It is a time to share your love and commitment, a time when you easily understand and strengthen each other.

If there is a potential for discord and, of course, there always is, it would be in taking these loving traits too far. Sometimes caring and nurturing can become intrusive or smothering. It is also possible that one or both of you could become controlling, creating a competitive atmosphere. Another contradiction during these otherwise loving cycles can be lowered tolerance, causing you to become irritated more easily over trivial matters.

Although you will probably be more focused on your family, friends, and relationship, practical concerns are favorable as well. This is a good time for finances, promotions, and projects. Material improvement is possible for both of you, although you might also be asked to take on more responsibility.

Jonathan, your Personal Year cycle for 2027 is 7

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more

attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health.

It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, Jonathan, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Tonia, your Personal Year cycle for 2027 is 7

Tonia, you have the same Personal Year cycle as Jonathan.

Your Personal Year's Compatibility in 2026 is 7 and 7

Jonathan and Tonia, this is a period when you should have a great deal of control over the way you experience your relationship. In most societies, the 7 cycle can be the most difficult to live up to - not because it is demanding, but because it asks you to back away from the daily grind. It is a time to give to yourself and your deeper spiritual and intellectual needs. The inner journey is not encouraged by most cultures; yet, without periods of self-examination, we can get lost in the day-to-day routine and forget to slow down and appreciate life's non-material pleasures and mysteries.

The way you choose to approach this cycle will be the deciding factor in how it affects you and your relationship. If you have learned how to coexist quietly without constantly demanding one another's attention you will have a big advantage, as that is precisely what this cycle asks from you. You are both experiencing a time when you need to be alone more than usual. You may find that you have little patience for those you perceive as intrusive, and this does not exclude each other.

Do your best to stay connected but try to support each other's need for solitude and individual pursuits. Taking time to learn more about yourself can be of benefit to your relationship as well.

Jonathan, your Personal Year cycle for 2028 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large.

There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself clearer and more focused and able to pursue and reach your goals. Your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused.

There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.
