## YOUR RELATIONSHIP FORECAST MONTHLY

*People change, sometimes dramatically, sometimes subtly. When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.*

*Please, keep in mind that the core numbers in your profiles (your Life Path, Expression, Heart's Desire, Personality, and Birth Day number) tend to carry more weight than cycles do. However, cycles, like your Personal Year cycle, can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.*

## YOUR PERSONAL MONTH

*The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.*

### TestHafeez, your Personal Month for February-2026 is 5

February brings changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected trip. Carefully prepared plans confront the unexpected: events and people you had not expected. If you are flexible and not afraid of changes will enjoy this month. However, if you rigidly try to stick to expectations and refuse to adapt, you may experience a difficult time in which almost nothing works out, no matter how hard you try.

February is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. You are open and childlike and for that reason very attractive to others. A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and control your appetite for whatever excesses tempt you.

### Ali, your Personal Month for February-2026 is 6

February brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well. Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed. In return, you receive comfort and satisfaction. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Your focus should be

on being dependable and active. There is no room for procrastination.

Your health improves during this time.

## **YOUR MONTHLY COMPATIBILITY FORECAST**

TestHafeez and Ali, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

### **Your Personal Month's Compatibility for February is 5 and 6**

TestHafeez and Ali, your cycles are as opposite as they can be, yet they are compatible. In a relationship, their influences usually complement and balance each other.

TestHafeez, you are in a dynamic cycle of change and highly charged, restless energy. Ali's cycle is one of stability and responsibility, which should make their approach focused and practical. While you are looking for opportunity and adventure, Ali will be centered on home and family - the people and things that mean the most to them. Your attention will be focused on work, projects, travel, or other outside interests.

If you can recognize the differing aspects of your cycles and support each other's independent paths, this can be a rewarding period for your individual pursuits as well as your relationship. You can inspire a little excitement and Ali can bring needed stability. However, there is also the potential for discord, blame, or anger. During this cycle, more than almost any other time, it is important that you do not try to influence each other too much. "Live and let" live should be your motto for this period.

You have probably already recognized that you always experience vastly different cycles, some more compatible than others. This is an important aspect of your relationship, and not limited to this cycle. To maintain a successful partnership, you will both need to accept the fact that you will be influenced by quite different energies for most of your lives. It would not hurt to make "live and let live" a family motto for life.

Although your cycles place you at opposite ends of the spectrum, you complement each other

nicely, with each of you providing aspects that work well together. Chances are you make a wonderful team when you put your minds to it, especially when it comes to presenting a united front to the outside world.

### TestHafeez, your Personal Month for March-2026 is 6

March brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible since the theme of this month is to be committed to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships. Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

### Ali, your Personal Month for March-2026 is 7

Ali, March should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life. You are aware that you are developing spiritually. It is not a good time to deny important issues in your life or be superficial about significant matters. Your dreams are vivid, and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time. It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

## Your Personal Month's Compatibility for March is 6 and 7

TestHafeez and Ali, you are experiencing vastly different cycles. On one hand, the influences of the 6 and 7 complement each other very well. On the other, they create such diverse needs that you may find you share little common ground during this period.

The potential exists for you to disagree on just about everything: how to spend your weekend, what kind of car to buy, which of your friends to invite, and so forth. Your approach to social situations and activities will probably differ as well. TestHafeez, your 6 suggests you will be more extroverted than usual, reaching out to others, while Ali (in a 7 cycle) seeks quiet time alone.

Positive influences during this cycle are found in your tolerant, giving nature and willingness to sacrifice to accommodate Ali. This is an important and necessary factor for the relationship during this time.

Ali may not be as patient as usual and may seem withdrawn. But if they seem a bit cool and distant it probably has nothing to do with the relationship; they are just doing a little soul searching and needs space. However, Ali should also be cautious about becoming so focused on their own world that they lose sight of you. Although their 7 inspires a more inward, personal journey, their loved ones need attention too.
