## YOUR YEARLY RELATIONSHIP FORECAST

People change, sometimes dramatically, sometimes subtly. When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

Please, keep in mind that the core numbers in your profiles (your Life Path, Expression, Heart's Desire, Personality, and Birth Day number) tend to carry more weight than cycles do. However, cycles, like your Personal Year cycle, can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

## THE LIFE PATH

*Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.*

### **, your Life Path number is 5**

The key to your personality is freedom. You love travel, adventure, variety and meeting new people. You possess the curiosity of a cat and long to experience all of life. You love to be involved in several things at the same time as long as you are not tied down to any one area. You like change, new things and new horizons.

You make friends easily; your personality is upbeat and often inspiring attracting people from all walks of life.

You have a way of words and an uncanny ability to motivate others. You can be in sales, advertising, publicity, promotion, politics or any profession that requires your communication skills and understanding of people. You likely lack discipline and order. You can also be impulsive, doing or expressing things you regret later.

Freedom and a need for adventure sometimes is not properly controlled by those born with this Life Path, causing problems with drug abuse, overindulgence in food or sex, or generally abusing the gift of life. You are sensual and love to taste all of life. Sex, food and other sensory experiences are essential to the enjoyment of your life. You find it difficult to commit to one relationship, but once committed you can be as faithful as an old dog.

You are multi-talented and possess a variety of diverse abilities. However, discipline and focus are the true keys to your success. Without these many of the tasks you begin will remain unfinished and you will fail to realize the true fruits of your abilities. With hard work and perseverance, the sky is the limit. You may have been perceived as a wild child by adults and a source of concern by your family. However, do not be obliged to hurry your choice of career. You are often a late-bloomer and need to experience life before you can truly know and commit to your heart's desire.

Your challenge is to learn the true meaning of freedom. Change is constant in your world requiring adaptability and courage. Try to maintain an exercise program, keep your body in shape and limber. The flexibility and durability of your body will promote security and confidence within you.

You yearn for freedom and self-employment attracts you powerfully. You should eventually work towards settling on one area to cultivate your ability sufficiently to earn a living and attain success. Once you find your niche the motivation and inspiration you supply others will bring you much in return, you will find your friends and colleagues supporting and promoting you on the road to success.

### , your Life Path number is 8

You are gifted with natural leadership and the capacity to accumulate great wealth. You have great talent for management in all areas of life, especially in business and financial matters. You understand the material world; you intuitively know what makes virtually any enterprise work. Your talent lies not with the bookkeeping or petty management, but with the greater vision, its purpose, and long-range goals.

You are a visionary and a bit reckless.

You possess the ability to inspire people to join you in your quest, but often they are incapable of seeing what you see. Therefore, those around you need your continual guidance, inspiration, and encouragement. You must prod them into action and direct them along the lines of your vision.

You attract financial success more than any other Life Path, but effort is required. Your challenge in life is to achieve a high degree of detachment, to understand that power and influence must be used for the benefit of mankind. Those born with the Number 8 Life Path, who do not understand the real and relative value of money are bound to suffer the consequences of greed; they run the risk of losing it all!

You must learn to bounce back from failures and defeats. You have the character and resilience of a true survivor. It is not uncommon for a person with your Life Path to experience major reverses, including bankruptcies, financial failure, but you also have the talent and the sheer guts to make more than one fortune, and build many successful enterprises. More than most people, your failures in marriage can be extremely expensive for you.

Despite the difficulties that life presents, you will experience the satisfaction that comes from material wealth and the power that comes with it. Business, finance, real estate, law, science (particularly history, archeology, and physics), publishing, and the management of large institutions are among the vocational fields that suit you best. You are naturally attracted to positions of influence and leadership -- Politics, social work, and teaching are among the many other areas where your abilities can shine. You are a good judge of character, which aids you well in attracting the right people to you.

Most 8s like large families and sometimes tend to keep others dependent longer than necessary.

Although jovial in nature you are not demonstrative in showing your love and affection.

The desire for luxury and comfort is especially strong in you. Status is very important. You must be careful to avoid living above your means.

Your Life Path treads that dangerous ground where power lies -- and can corrupt. You may become too self-important, arrogant, and domineering, thinking that your way is the only way. This leads inevitably to isolation and conflict. The people you run the risk of hurting most are those you love, your family and friends.

Be careful of becoming stubborn, intolerant, overbearing, and impatient. These characteristics may be born early in the life of an 8 Life Path, who often learn these negative traits after suffering under a tyrannical parent or a family burdened by repressive religious or intellectual dogmas.

Those with the 8 Life Path usually possess a strong physique, which is a symptom of their inherent strength and resiliency.

## HOW YOUR LIFE PATH NUMBERS COMPARE

*Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.*

### **and , your Life Path Compatibility is 5 and 8**

and , this aspect of your chart suggests compatibility can only exist if your roles in the relationship are quite different and somewhat separate. You both have unique qualities, but they rarely overlap. Perhaps the best way to describe the differences between your numbers is to look at them from a business rather than a romantic perspective.

As business partners, you could do very well - if you play distinct roles. The 5 ( ) is excellent at promotion and sales, they are dynamic, articulate, think fast, and find solutions easily. Because can see through facades better than most people, it is easy for them to influence others and resolve personality issues.

, is a visionary, has a strong commanding presence, and has the persistence to overcome obstacles. The eye of the 8 is always intently focused on a future goal - a goal that will be met no matter what. is the executive, the marketing expert. These are quite different qualities that can work well together if they recognize neither should try to tell the other how to do their job.

In a romantic relationship between the 5 and the 8, a similar picture emerges. If you do not tell

your partner how to behave or what to consider a priority, things should be fine.

Other issues that appear in this combination have to do with 's somewhat assertive personality and 's social nature. does not do well being told what to do, and quickly rejects authority. may become jealous or envious of 's social life and many friends.

Your key to a successful relationship lies in giving one another space and freedom. Your relationship can be pleasant and long lasting, but you will probably need to be realistic about your expectations and maintain some distance in your lifestyles and day-to-day routines.

## THE EXPRESSION

*Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.*

*Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.*

### **, your Expression is 6**

You are a loving and caring individual with a tendency to put the needs of others before those of yourself. You are responsible and trustworthy with a high regard for justice and honesty. Duty will follow you all your life and sometimes feel a little too much of a burden.

You are artistic. Harmony and beauty are high on your list of priorities. You have musical talent but the creative talents of a 6 are sometimes left undeveloped or suppressed as a result of your tendency to sacrifice your time and pleasure to the service of others. You are highly creative in all areas of life, particularly the visual. You are also a talented business person and can work methodically toward the realization of your goals.

You have a natural gift with flowers, gardens, and animals. Your love of children has caused numerologists to dub you the "Cosmic Mother" or "Cosmic Father". The very shape of the 6 resembles and symbolizes "Pregnant with Love". You are a natural counselor and healer. But you must be careful not to interfere with the freedom of others. You are recognized as an idealist,

mainly regarding marriage, friendships and humanity.

The 6 is the most harmonious of all numbers, but also contains within itself the greatest paradoxes. It is as if opposite tendencies were tenuously poised. Because of its gift for harmonizing these opposites, you are uniquely qualified to handle and integrate contradictions within yourself. It is for this reason that 6s so frequently find themselves in the role of healers or counselors, creating a peace between opposing points of view, or internal conflicts within the self.

While you can be very idealistic, there may also be a temptation to acquire beautiful objects by improper means. You must also guard against other meddlesome behavior and domestic tyranny, or always having to have your own way in a family dispute. Conversely, you have it within yourself to understand another person's dilemma and come up with a creative solution. Your natural ability to give comfort and warmth can smooth over hurt feelings like a healing balm. You attract love and appreciation. And rightly so, because you give the same in return.

You make an outstanding teacher (especially young children or special education), healer, counselor social worker, psychologist, artist, designer, gardener, florist, and farmer. You can be successful in business, especially those that involve dealing with people.

### , your Expression is 3

You are optimistic, inspiring, outgoing, and expressive. People see you as cheerful, positive and charming; your personality has a certain bounce and verve that so powerfully affects others that you can inspire people without effort. All of this upward energy is a symptom of your tremendous creativity. Your verbal skills may well lead you into the fields of writing, comedy, theater, and music.

Yours is the number of self-expression -- rich in imagination and spirit. But you have to be careful not to scatter your talents. Your bane is that you often lack discipline and order in your life. Avoid becoming a "happy-go-lucky" spendthrift, escaping responsibility and commitment. You must learn to concentrate and focus. These are the keys to your success. You have great potential in the arts and areas that requires creative solutions to problems. You are able to perform leaps of imagination, providing unconventional ideas as if they suddenly descended from above. Hard work and focus, however, are the foundation for a successful future.

Though you possess great verbal skills, your mind tends to see life as pictures rather than in words. You have the ability to think abstractly.

Creativity is a sensitive faculty that is often suppressed in childhood. If you lack the confidence to pursue your ideas, you may divert your abilities into a scattering of trivial pursuits. To overcome this problem, you must make a choice. You have to limit your field of vision and the number of

activities you engage in and bundle your energies into a single thrust. Focus your life; choose the area that you love the most and commit. There, you will find success. And a great deal of happiness.

Love, romance, and money are within your reach. You are aided by your friends and admirers. Often people appear out of nowhere to help you in key situations. , you have to learn to accept the involvement of others in your life. You are not a loner, nor are you particularly independent. You are social -- you need an audience and the support of others to fully realize your abilities.

On the down-side, you can be superficial, moody, and intolerant. You are emotional and sensitive, sometimes presuming criticism where none was intended. You can also be jealous and gossipy. Beware of becoming cynical and sarcastic. These traits can suppress your natural creativity. Be goal-oriented. This is a practical, step-by-step approach to your larger ambitions. You possess the natural abilities to attain a high degree of excellence.

## **HOW YOUR EXPRESSION NUMBERS COMPARE**

*More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your Personality number).*

*It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing information you might recognize that, being the complex individual you are, you carry the same contradictions. This is natural and true for all of us. You may excel at organization in one area of your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.*

*Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found in this part of the chart, than when they are found under the Life Path description.*

### **and , your Expression Compatibility is 6 and 3**

and , you are clearly a creative couple. has the type of creative energy and sense of humor everyone enjoys, and emanates the warmth and self-sacrificing love that easily wins the hearts of family and friends. You are likely a popular couple with an active social life and a large circle of friends.

, the number 6 lends you the natural ability to draw loyalty and devotion from others that will last a lifetime. The 6 is often called the motherhood or fatherhood, number. Healing and comforting are second nature to you, and you will gift it unconditionally and indiscriminately.

, your number 3 is also a very giving and popular number - more playful and creative than the 6, but less grounded and disciplined. Your energy is more impulsive. Unlike your partner, you probably do not have much patience for emotional issues. You can be a great shoulder for people to cry on if it does not take more than about two minutes. This is mainly due to your naturally optimistic and lighthearted nature, which leads you to expect the same resilient response to difficulty from others. This could make you less responsive to 's need to share things on a deeper level.

Both of you will need to accept your differing perspectives and the approach you take to sensitive matters. , recognize that is more easily affected by matters of the heart than you feel is sensible. And try not to be wounded by your partner's light-hearted demeanor; it does not, necessarily, convey disinterest.

Surprisingly, however, the most common pitfall when a 3 and 6 are found in this part of the chart is not the lack of emotional involvement native to 3, but the heightened emotion experienced by the 6. , you tend to become so absorbed with the wellbeing of those you love that they sometimes feel smothered. You want to do everything for everybody. This can irritate since they require space and freedom in the relationship.

My advice: , do your best to be sensitive to the emotional needs of your partner; and , ensure you are giving enough room to move and air to breathe.

## **THE HEART'S DESIRE**

*The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.*

*It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.*

*You might say that it is in the flow of your breath that you express your deeper self.*

### **, your Heart's Desire number is 1**

Your overpowering need is to be independent and to direct your own life according to what you believe. Your dream is to become the leader of whatever field you enter. Whether it is in business, community, or in your general area of expertise, you are driven to be the reigning figure. You have the courage and the confidence to lead others. You believe firmly that your judgment is preeminent over all others.

This gives you the confidence to make bold decisions and carry them out, even when other lives are greatly affected by what you do. You rarely look back once you have decided.

You possess intelligence and wit. You are keenly insightful and are good at evaluating the abilities of others. You are supremely individualistic. In your manner and dress, you like to project your own unique persona. Consequently, you don't mind being controversial, and can even enjoy the attention and impact you have made on your surroundings.

You dislike routines, or anything that limits your freedom and independence. Whenever you commit to something you truly love, you are tenacious in your ability to endure difficulties and overcome obstacles. You are highly responsible; you hate passing the buck. You possess remarkable willpower and a strong drive to succeed. You are always looking for innovative ways of doing things.

Because you seek to be the boss in any endeavor, you tend to dominate others. If you are not careful, especially in dealing with your subordinates and family, you may become ruthless in your decisions and behavior. You can also fall victim to impatience and intolerance, particularly if you grow conceited or superior.

You are the pioneer and the ground-breaker. You love the foreground, the hot-seat of responsibility. You have all the talents to succeed. If you maintain balance in your life, allowing

others full expression of their thoughts and abilities, you will easily rise to the top of your chosen field and realize your ambitions.

### , your Heart's Desire number is 8

You want success in its fullest meaning: wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards. You are a visionary. You see the horizon and the promise.

In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture.

Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

Your task in life is to learn to use power in refined and elevated ways. The expression and use of power are directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

You have a creative mind and an unusual approach to business and problem-solving. You need to cultivate your ability to evaluate others. It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old platitude, "Idle hands are the devil's workshop."

Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love. Perspective is everything for you. You have a natural talent for balancing the spiritual and material planes.

You need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the

spirit of the true survivor, able to bounce back and achieve a greater victory.

## **HOW YOUR HEART'S DESIRE NUMBERS COMPARE**

*Compatibility of the Heart's Desire number is very important in a relationship. Few relationships last beyond the initial stage if these numbers are not harmonious.*

### **and , your Heart's Desire Compatibility is 1 and 8**

Your respective numbers make you both strong-willed and somewhat stubborn people. It could often feel like there are two captains on your ship, whose conflicting viewpoints can lead to discomfort at best or explosive arguments at worst. A willingness to compromise is extremely important for your relationship.

You both have good business instincts, which could result in successful shared endeavors (although most likely has the greatest talent for managing financial affairs). Should you decide to work together, make sure to keep your responsibilities separated to avoid potential conflicts. Whether in business or your personal life, you will need to have faith in each other's abilities and respect your independence. With both of you preferring to do things your own way, this may not be an easy task. Neither of you easily allow the other to dominate, nor do you feel comfortable as the other's subordinate. Keep in mind has a need to see material results and reward, while is more interested in the satisfaction that comes from a job well done.

The fact that you are both quite sensitive behind your strong, self-reliant facade makes you vulnerable to being hurt by insensitive comments and arguments. Your keywords for a successful relationship are communication and compromise.

Although you probably take different approaches at times, you also have much in common; the 1 and the 8 are considered very compatible numbers. One positive aspect is your love of shared experiences. If you can be sensitive to the needs of your partner and communicate openly, you should be able to enjoy a rewarding relationship sharing the many interests you have in common.

## **THE PERSONALITY**

*The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into*

*the deeper aspects of your nature.*

*Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.*

### **, your Personality number is 5**

You are a stimulating person. You brighten social gatherings with your fresh and original ideas. Your conversation tends to be sprinkled with novelty and wit. You have a quick tongue and charisma. You are probably an excellent salesman. There is a lot of nervous energy within you looking for an outlet. You love your freedom and you see this life as an ongoing adventure. You are upbeat and optimistic. This is infectious for those you meet. As a result, you inspire others. You have a strong and attractive body, with good muscle tone. Your movements are supple, graceful, and athletic.

Your bane is that you love to indulge your senses with food and drink and can easily gain weight. You have an appetite for anything that stimulates the senses -- sex, food, alcohol, and drugs. Discipline is a necessity for you. The negative side of a 5 Personality Number can give rise to an addictive personality.

You like to dress fashionably and can get away with more colorful clothes. However, you should be aware of the value of quality and the power of modesty.

You are a little irresponsible and quick in satisfying your sensual urges. You are attractive and that, coupled with your innate ability to promote yourself, makes it easy for you to satisfy your desire for new and exciting relationships. You have a kind of swashbuckling personality. People see you as the adventurer that you are. They expect the unexpected from you, and when they don't you often surprise them.

You have a quick and eclectic mind. You attract information from all directions, but you can be a bit superficial, skimming over the surface of a wide diversity of subjects. This may cause you to be a bit of a dilettante. You can get away with it much of the time, but for your own success and happiness, you should try to ground knowledge and deepen your understanding.

Your versatility and adaptability make you capable of getting the most out of virtually every opportunity in life. You decide quickly on a course of action and your timing is usually good. You radiate with the potential for success, which attracts others who can further you along your path.

### **, your Personality number is 4**

You radiate reliability and consistency. People trust you and feel secure with your judgment. You are seen as a cornerstone of a business and are relied upon to do your work efficiently and expertly. You have strength and respectability. You tend to dress in a utilitarian manner, concerned mostly with convention, practicality, durability, and price. You present yourself as someone who values correctness, control, and precision.

All of this stems from the fact that your most prized characteristic is your work. You want to be judged on the basis of your performance, rather than your appearance. You are frugal and have learned to respect a dollar. You are concerned about the security of your future and those you love. However, this may appear to others as a bit too austere.

You tend to wear earth colors and conventional attire. You could benefit by putting a little flair in your dress. Wear more uplifting colors. Loosen your dress with less severe lines. If you wear a brown suit, include a bright tie or some jewelry.

You are a family person. You love the intimacy, consistency, and the security a family provides. You are a good provider and protector. But family members may take your efforts for granted.

You are a true patriot. You love your country and are an integral part of your community. Your consistency and adherence to your well-laid plans usually pays off in a comfortable and secure future.

## HOW YOUR PERSONALITY NUMBERS COMPARE

Interestingly, this is often the root of the initial attraction. (the 4) is drawn to 's daring, adventurous, dynamic, and energetic life. admires the control and discipline displays.

This combination often creates a dynamic relationship - comparable to a roller coaster ride. Due to these extreme differences, your relationship will require mutual love and acceptance that is strong enough to weather your differing likes and dislikes, including your lifestyle preferences. Trying to change your partner is futile - your needs and desires are simply too different. must accept the fact

When it comes to opinions, you may find yourselves on opposing sides often. needs a somewhat structured connection to life, even its spiritual side. 's inner world is more imaginative and changeable. may be willing to accept rules and regulations that enjoys breaking. These examples should not be taken too literally; you are complex individuals with additional influences in other areas of your chart that could modify these aspects. Suffice it to say you will encounter differences in your personalities and your approaches to many issues.

Interestingly, this combination can be powerful, exciting, and long lasting. The key to success will be in not taking yourself or your concepts too seriously - something in particular, may need to work on. Maintain a sense of humor and keep in mind that opinions are just that, with relative values. Focus on enjoying each other's company; combine your strengths and build on your differences.

Your polarity has the potential to create a dynamic, rewarding relationship. With tolerance and openness, you can build a healthy relationship where 's dynamic, adventurous spirit and 's discipline and methodical approach happily live side-by-side.

## **MATURITY NUMBER**

*Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.*

**, your Maturity number is 2**

As you mature, you will discover that you possess a growing talent for understanding and working with other people. Your ability to influence others through tact and diplomacy will grow. These talents will further you along in your career or business. You will become increasingly shrewd and will learn the art of discrimination. Your sensitivity to the needs and desires of others improves dramatically. You will be able to evaluate their motivations with a growing clarity and uncanny

accuracy.

You find you can get more done by persuasion and gentle guidance than by force. You may well have to learn to assume the role as the power behind the throne. Your influence is less public, and you may not always receive the public recognition you deserve. However, your satisfaction comes from seeing the fruition of your own ideas come about, the result of teamwork and cooperative efforts.

If you already have many 2s in your chart, especially in the core numbers, you may become overly sensitive, a characteristic you will have to keep in check. If you have few 2s in your chart, the influence of your Maturity Number will greatly increase your ability to work harmoniously with other people.

**, your Maturity number is 2**

, your Maturity is also a 2; the same as 's

## **HOW YOUR MATURITY NUMBERS COMPARE**

*Your Maturity number becomes more dominant with age. The texts below become increasingly important after about age 40.*

**and , your Maturity Compatibility is 2 and 2**

This aspect of the chart tells us both of you have a sensitive, vulnerable side. Sometimes this is favorable, but it can prevent issues from being resolved. There may be occasions when you step around issues too carefully, concerned about hurting the other. This can cause issues to fester and erode the foundation of your relationship. Try not to walk away from problems because you do not want to rock the boat. It is almost always better to face them head on. Although your concern about your partner's feelings are sincere, you should both guard against avoiding confrontation altogether.

As two people who experience emotions deeply, you are likely more vulnerable to criticism than others. This is another contributing factor in your tendency to avoid taking on important issues. If this type of avoidance persists, especially if unresolved issues have festered, you might lash out with a "below-the-belt" criticism, expressing your anger in a way that can be harmful to your relationship. This in turn makes it much more difficult to resolve underlying problems.

We all look for things we have in common, with the hope it will enhance our relationship. But the

fact that you both carry a 2 in this area of the chart does not necessarily translate into an advantage. On the positive side, you easily relate to each other's emotional experiences. On the negative, your ability to commiserate can mean you are unable to "talk your partner down" during a highly emotional event.

and , your numbers suggest you both have the potential to use the occasional trivial lie to circumvent what you perceive as dangerous territory. This is not always a bad thing. However, unless other numbers in your chart support your ability to confront things directly when simple tact and diplomacy are not sufficient, you may end up creating distance without meaning to. Without open communication, you live in separate worlds. If you have the type of relationship where partners live their own life quite happily, this will not be as much of a concern. However, the fact that you are both people of the heart makes that scenario unlikely.

The key to maintaining a healthy relationship when both partners carry a 2 in this part of the chart is to recognize the need for scheduled heart-to-hearts. When an issue arises discuss it openly and frankly; try to avoid impulsive, dramatic discussions. Instead, let your partner know something is bothering you and ask for a good time to discuss it. Create a setting: make a cup of tea, sit in comfortable surroundings, and begin by confirming your love and commitment. Combining respect, care, and direct, honest communication can help you form a deep, long-lasting relationship.

## YOUR PERSONAL YEAR

*Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.*

*Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.*
