YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Your Essence for age -1 is 8

This is a period when business and career affairs dominate your agenda. A new opportunity will unfold to you and you will have to give yourself to it entirely to make it work. It is a time of progress and much personal power, but the demands of the time are equally large, thus requiring careful planning and attention to detail.

All business matters -- including personal economies -- will come under sharp scrutiny. You will likely have more money than during previous years, but, conversely, you must be more careful with it. A new start can be made. You sense the need to grasp it. But you also are aware that it must be treated with great care. Therefore, be astute in all your business dealings. Major mistakes can be made if you are not careful, and they can affect you for some years to come. It is a time of cautious use of power. You are being asked to develop wisdom in all your dealings. Balance -- in areas from your mundane affairs to your eminently important relationships -- is the key to your success. Keep a tight control on your bookkeeping, while providing strong leadership and gentle guidance to your family or close associates.

It is also a time when old issues -- especially debts from the past -- surface with a vengeance, making it necessary to pay the piper before further progress can be made. The irony is that while you have greater resources, there are often equally large demands made of you.

This is a time, too, when you will realize that you are a survivor. No matter what difficulties you have experienced in the past, this is a period when you can regain a sense of progress in career matters. You will feel that you are doing important work, and will be richly rewarded for it.

Your Essence for age and 1 is 6

This is a time of responsibility, duty, family matters, and high ideals. , you will be called upon to support others and maintain a high life condition while you do it. Others look to you as an inspiration and a source of guidance. There is an element of self-sacrifice present in that you must serve those closest to you. Unselfishness

and a willingness to be of help to others are the keys to your success.

You will likely experience advancement in business, career, and financial matters. Progress comes more easily during this period, as new opportunities open up to you. At the same time, your achievements bring added responsibility and new demands. You will have to devote yourself entirely to the task at hand to realize your goals.

This can be an emotional period, as family members may be demanding. The whole issue of love comes to the forefront. Your ability to love and be loved will become starkly clear. This is an essence during which many marriages and divorces take place. People discover how much they truly love their partner, or how little love they have in their lives.

Protect your family relationships. Work to maintain harmony in your home. Especially stay focused on the needs of children.

There can be a domineering figure in your life who can oppress you during this time. The key is to be balanced and centered when dealing with all authority figures. Refuse to act rashly or emotionally. Remain focused and in harmony with your long-term goals.

If you keep a strong hold on your ideals, you will gain many supporters and admirers. This brings many great rewards and much appreciation. New and lasting friends come into your life now, and many seek to advance you along the lines of your abilities.

There is a strong artistic urge present. Those with artistic talent, or already working in the arts, will find their abilities greatly enhanced, with many new and rewarding chances for advancement. Most people under the 6 Essence will improve their lives and experience growth in their career goals.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality after your birth day in 2026 is 6 and 4

, having a 6 Essence during a 4 Personal Year is fortunate in a number of ways. Both are even numbers (making them realistic and practical) which can help business, career, and projects thrive. This well-matched team helps improve negotiating skills, time management, and efficiency. It also lends support for your personal and work-related relationships.

Your 4 Personal Year affects the events and circumstances around you. Its focus is on steady progress and getting things done. With its eye for detail, it is positive for legal matters and finances as well.

Your Essence number influences your feelings and state of mind during this period. The practical, realistic mindset of the 6 will be welcome support for the disciplined 4. It also lends a warm, caring demeanor to balance the 4's detail-oriented focus.

The 4 and 6 team make this a good year for home improvement projects, lifestyle changes - you

should find it easier to be more disciplined - and managing health issues.

A drawback of having both cycles ruled by practical numbers is their tendency to be rigid. This can inhibit your creativity, making you less inclined to think outside the box or view problems from a fresh perspective. Still, it has the potential to produce considerable progress in many areas of your life.

There are a few things to watch out for. Although your relationships will generally fare well, you might be more sensitive than usual during this period. This could lead to being overly dramatic, and possibly prone to jealousy or gossip.

Your Duality before your birth day in 2027 is 6 and 5

, when you read your 6 Essence and 5 Personal Year chapters, you probably noticed their traits are polar opposites. Although this can make things challenging, it also has the potential to bring much needed change.

You can expect this to be a hectic year, and not always comfortable. Your 6 Essence will seek stability during a year when many of the events and circumstances (delivered by your 5 Year) will produce the opposite. Your 6 Essence lends a realistic, harmonious and caring state of mind. It focuses on home, family, and close friends, and seeks to strengthen those relationships. The 6 has practical goals for career and other project related endeavors and focuses on the long term.

The year's main conflict stems from your practical mindset being at odds with your (sometimes) chaotic surroundings. The desire to anchor your life during a period that frequently derails your plans might make you feel you are in the middle of a whirlwind.

Still, there is an upside to this team. The restless energy that shakes things up will offer opportunities that can improve the quality of your life. The influence of last year's 4 supplied very little movement, which was probably frustrating at times. This year, with the dynamic 5 influencing events, it could feel a little unnerving instead. It may help if you keep in mind that it takes movement to alter your path and change your destiny.

The key to getting the most out of this period is to establish a balance between flexibility and dependability. Keep an eye on your long-term goals and priorities but be ready to adjust if circumstances change.
